The meeting started with a silent prayer. Prof. A. Charles, Head of the Department welcomed the external experts as well as the Department staff members for the Board of Studies Meeting and requested the house to participate the discussion. HoD invited Dr. D. Ravindran to present the patterns and the syllabi for MCA, Bridge Course, B.Sc. (CS) and Allied courses and also the Question Paper Pattern.

The Board members discussed and suggested the following:

Course	Suggestions and Views Received	Action Taken
MCA	Include more mathematical courses like probability and statistics and Mathematical Foundations in Computer Science.	The course Mathematical Foundations is available in Semester II.
MCA	The courses Organizational behavior and Programming in Java may be swapped to have additional thrust for the language Java	Both the courses were swapped as per the suggestion.

MCA	AJAX concept may include in the course XML.	AJAX is included in the Distributed Technology Course.
B.Sc.,	In Sem. V, the courses DSE-1: Computer Networks and DSE-2: Digital Marketing may be swapped.	The courses were swapped.
B.Sc.,	In Digital Marketing course the Search Engine Optimization could be included.	Included as per the suggestion by the expert.
B.Sc.,	Add few more framework concepts in Python.	It would become heavier at the UG level, but the fast learners are provided with these frameworks and packages in the Value Added Course on Data Analytics.
B.Sc & MCA	The number of study books in each course may not exceed 2.	Only in few case it is more than two because of collection of multiple concepts in a single course

The Head of the department replied that all the possible suggestions could be accommodated in the curriculum. Finally, the Board approved the B.Sc.(CS), Allied, MCA and Bridge Course Patterns and the Syllabi along with the Question Paper Pattern. The meeting came to an end with the thanking note of the HoD at 11.10 AM.

HoD invited Dr. D. Ravindran to present the MCA course pattern and Syllabi along with the Bridge Course syllabus.

The external experts and the house expressed the following suggestions.

- The total number of credits may be 90 instead of 110. The credits are retained as per the Deans' instruction to maintain it at 110 for all PG programmes at SJC.
- The subject code and subject title may be changed into course code and course title. – These suggestions were incorporated.

- In 2nd Semester, the number of Core subjects may be five instead of four. – This is not possible because of the inclusion of IDC-Soft skills for all PG students in the second semester.

- One more Core Electives subject may be offered in any one of the semester so that the total number of Core Electives become four – Its included as per the suggestion.

- The subjects Computer Network, Cloud Computing and Resource Management Techniques may be introduced. – This will be considered in the Syllabus Revision 2021.

- Latest books may be included in the book for study as for as possible.

The Head of the department replied that all the possible suggestions could be accommodated in the curriculum and other suggestions could be accommodated in next syllabus revision.

Finally, the Board approved the MCA Course Pattern, Syllabi and Bridge Course syllabus. The meeting came to an end with the thanking note of the HoD at 4.30PM.
