	6	Technical Knowledge		X		
	7	Communicative Skill		X		
	8	Group Discussion performance				
	9	Interview performance		X		
	10	Overall		X		

III		Feedback about the Courses	A	B	C	D
	1	The courses in the programme are appropriate in moulding the students in professional and ethical way				
	2	Students are able to link the knowledge they gain with the real world situations				
	3	Courses impart more practical knowledge than theory				
	4	Course design narrows the gap between industry and academia				
	5	Overall design of the curriculum				

IV. Any other comments / suggestions
The quality of education and the way the students are disciplined in the college with values & ethics is much appreciated
Suggestions : The students communication skills & English language to those who find difficult can be improved.
Students can be trained with writing of mails in a corporate.

Thank you

	5	Overall design of the curriculum		X		

IV. Any other comments / suggestions

Students are unable to make a choice between Higher Studies and Job prior to the selection process.
Less clarity on the Job profiles and career they wanted to pursue

Thank you

Students are very good in terms of Subjective knowledge and Attitude.

Need some grooming in Communication Skills and the Guts to speak out.

Thank you

Vimal D
