Report from St.Joseph's Institute of Tally Education (JITE) – 2021-2022

St.Joseph's Institute of Tally Education formally came into existence in the month of March 2021 and the Certificate course in TallyACE was launched in the third week of March and subsequently Covid-19 second lock down was imposed. Hence, classes were conducted on line and students took the online examination conducted by Tally Education Private Ltd, (TEPL) Bangalore.

Online classed were completed in the month of May 2021 and students were told to take up the three mock test for each module numbering three. In total, students took 9 mock tests before the final examination. Having gained confidence by appearing for the mock tests, students indicated their readiness to appear for the final certification examination. Then, the Centre Head, Dr.G.John would activate the test link for the final examination which would be alive for 24 hours within which a student has to finish her/his exam.

During the year 2020-21, a total of 89 students enrolled: 84 for TallyACE and 5 for Tally Comprehensive courses. Of these, 61 students took the final examination of which 59 successfully completed the course. Twenty four students got A+ Grade (Above 75%), 25 students got A Grade (60 -75 marks) and 10 students got B Grade (36-60 marks). Two students were not able to complete the tests due to connectivity issues. All the successful students received their certificates from TEPL.

During this year, in March 2022, Tally Essential – Comprehensive course was launched. Currently, we are running three batches, one in the morning meant for students of shift II, one in the afternoon meant for the students of shift I and one weekend batch (Saturdays and Sundays). There are 89 students enrolled in the morning batch, 45 students in the afternoon batch and 10 in the weekend batch, totaling 144 students from different colleges. A team of dedicated staff members comprising Dr.G.John, Dr.AntonyJesuraj, Dr.JuliusCeasar, Dr.Vinoth Kumar, Dr.Bastin, Dr.Georgia and Dr.Arul are handling classes. They are ably assisted by Joseph and Leo at the Ehrhart computer centre.

Students make use of Ehrhart Computer Centre which is equipped with original/licensed TallyPrime software costing Rs.65,000 and JCICT for doing practical.

ASSOCIATION MEETING 2021

REPORT

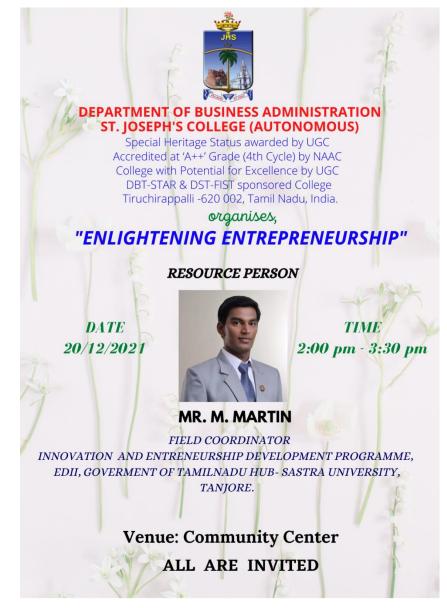

Date: 20.12.2021

Time: 2.00 p.m.

Venue: Community Hall, St. Joseph's College, Trichy

Guest Speaker: Mr. Martin, Field Coordinator, Innovation and Entrepreneurship development Programme, EDII, Govt. of Tamilnadu Hub, Sastra University, Tanjore

Topic: ENLIGHTENING ENTREPRENEURSHIP

OUTCOME OF THE SESSION:

- Students would be able to understand the concepts of Innovation and Creativity
- Students will be able to understand the basics of becoming an entrepreneur.

Mr. Martin is well established entrepreneur and field coordinator at a young age he made a shining career well suited for his mind. The resource person was well informed and was able to relate and grab the attention of the students seamlessly. He started his session with the basics, what is an innovation and what are the innovations that changed the worlds as it is today. For example the innovation of iphone and how it changed the mobile industry, paraphrasing him the iphone brought about an evolution of the mobile industry into a smart phone industry. They didn't stop there they had to keep on making innovation for they had stated the smart phone race and there were for too many competitors their innovations have drastically evolved their iphones into a smart phone comprised of so many technologies it made so many products obsolete.

The resource person then went on to talk about the how as future entrepreneurs we need to focus on the next big innovation but all the while not forgetting to keep an eye out for small innovation .innovation is done on a daily basis.

Entrepreneurs are going to mold the society that we are going to live in and he encouraged us to mold that society in a good way.

Students enjoyed the program and interacted with the resource person and the meeting concluded with the vote of thanks by the secretary of BBA Association, Mr. Immanuel, III BBA B section. The attendees were also provided participation certificates online.

The session got over at 3.30 p.m.

ENDOWMENT LECTURE - I

Rev. Dr. N. Casmir Raj Endowment Lecture on "Innovation and Entrepreneurship"

Time: 2.30 pm to 4.30 pm Welcome address: Prof. Rinaldo de David Felicitations: Dr. Alex Ramani (Deputy Principal), Dr. Paul Angelo (Dean of Physical science)

Introduction of the resource person: Prof. Inigo Papu Vinodhan Resource person: Dr. Prasanna, Director, Entrepreneurship, Innovation and Career Hub, Bharathidasan University

Rev. Dr. N. Casmir Raj Endowment Lecture on "Innovation and Entrepreneurship" was conducted with a lecture delivered by Dr. Prasanna, Director, Entrepreneurship, Innovation and Career Hub, Bharathidasan University. He explained on how innovative ideas lead to various business ventures and how creativity is the vital element for the success of any business.

Innovation:

The concept of innovation was well explained and its application was presented with practical examples. How inventions are invented by inventors, and how they are converted to novel business ideas was detailed by Dr.Prasanna. According to the resource person, 'An entrepreneur is an individual who creates a new business, bearing most of the risks and one who enjoys most of the rewards'. The process of setting up a business is known as entrepreneurship. The entrepreneur is commonly seen as an innovator, a source of new ideas, goods, services, and business/or process.

Date: 31/03/2022

More narrow definitions have described entrepreneurship as the process of designing, launching and running a new business, which is often similar to a small business, or as the "capacity and willingness to develop, organize and manage a business venture along with any of its risks to make a profit. The people who create these businesses are often referred to as entrepreneurs. While definitions of entrepreneurship typically focus on the launching and running of businesses, due to the high risks involved in launching a start-up, a significant proportion of start-up businesses have to close due to "lack of funding, bad business decisions, government policies, an economic crisis, lack of market demand, or a combination of all of these. In the 2000s, In the 2000s, entrepreneurship was extended from its origins in for-profit businesses to include social entrepreneurship, in which business goals are sought alongside social, environmental or humanitarian goals and even the concept of the political entrepreneur. Entrepreneurship within an existing firm or large organization has been referred to as entrepreneurship and may include corporate ventures where large entities "spin-off" subsidiary organizations.ded from its origins in for-profit businesses to include social entrepreneurship, in which business goals are sought alongside social, environmental or humanitarian goals and even the concept of the political entrepreneur Entrepreneurship within an existing firm or large organization has been referred to as entrepreneurship and may include corporate ventures where large entities "spin-off" subsidiary organizations.

The students interacted with the Chief Guest and it was a vibrant session.

Vote of thanks was proposed by Mr. Jasper by IIIrd BBA and the meeting ended with the National Anthem.

Report on Inauguration of Physics Clubs held on 04th September, 2021.

The Department of Physics, St. Joseph's College (Autonomous). Tiruchirappalli conducted an inaugural ceremony of Physics Clubs on 04th September, 2021 at APJ Abdul Kalam hall, Department of Physics. The Chief Guest of the function was Dr. Sivakumar Muthusamy, Chief Technology officer, Ariviya Technologies – A Startup firm, Pattukkottai and Bioincubation Cell, IIT Madras Research Park, Chennai.

The programme began with prayer song and followed by Tamil Thai Vazhthu. Dr. N. Ravi, Head, Department of Physics welcomed the gathering and highlighted the scope and activities of Physics Clubs in the department and introduced the new club

registered under DST called VIPNET-Abdul Kalam Science Club. Rev. Fr. John Wilson SJ, Assistant Professor of Electronics and Dr. N. Ravi, Head of the Department, honoured the chief guest with a shawl and Memento respectively as a token of appreciation. Rev. Fr. John Wilson SJ, delivered the Inaugural address. He appreciated the Department of Physics for having various Physics Clubs and fascinating the students through various activities beyond the regular class activities. Also, he motivated and encouraged the students to be carried out their internship sincerely and honestly at suitable companies. Dr. B. Kanickairaj, Associate Professor of Physics, introduced the Fabrication club and its various activities. He also motivated the students to enhance their skills through the club activities. Especially, he motivated the students for designing and fabricating portable device which would be useful for our day-to-day life. Stephen Hawking Innovation club was introduced by Dr. P. Christuraj, Assistant Professor of Physics. He stimulated the students to formulate an innovations and execute the idea in the form of a product. Dr. A. Maggie Dayana, Assistant Professor of Physics, shared the motivations behind the Einstein Quiz Club and encouraged the students to participate various Quiz activities. Dr. R. Jerald Vijay, Assistant Professor of Physics briefed the activities of Feynman's of Problem-solving Club. He encouraged the students to enrich their knowledge towards analytical and numerical problem solving skills. (NET/SLET/SET), Junior research fellowships (NET-JRF) and various job opportunities from UPSC and TNPSC. Dr. A. Leo Rajesh, Assistant Professor of Physics introduced the Abdul Kalam Science Club-VIP NET. In his message, he mentions that it is a new initiative from the department, having the club with VIgyan Prasar NETwork of Science Clubs. He explained the different category of VIP NET clubs such as Bronze, Silver, Gold and Platinum. He requested the students for their fullest cooperation to obtain the Platinum status for the Club. The Chief Guest, Dr. Sivakumar Muthusamy, presented his motivation talk on the topic "Why ever student should start as an Intern at a start-up". He said, "Where you born? is not important whereas where you are? is more important". He motivated the students for doing an innovative project which is highly useful for the society. He has mentioned few examples from nature, which inspired us for innovation, that are bombardier beetle, Morpho butterfly and Eastern bluebird. Also, he said few simple examples like different colour emission from silicon when it is heated. Further he added the quote of Albert Einstein, "Imagination is more important than knowledge". He added the combination of knowledge, skills and Mind-set are brings an innovation. Also, he encouraged the interdisciplinary learning in UG and PG level and asked the department to make a team of students with different disciplines which brings a new innovative product. He has given few examples for innovative devices won the prize such as mobile ironing cart using solar panels, smart stethoscope and Safe and Affordable Storage of Natural Gas. He concluded his talk by expressing his willingness to offer internship program of our students. Finally, Dr. S. Lourduraj, Coordinator Shift-II, Department of Physics, proposed vote of thanks.

Students from III UG, II PG from shift I and III UG of Shift II were attended the Inauguration function of Physics clubs. Roughly 200 students were participated the programme. Meeting came to an end by 1:15 PM.

4. Orientation Programme "Freedom from Addiction for Joyful Life"

Orientation Programme **"Freedom from Addiction for Joyful Life"** was held on 13th November 2021, at Sail Auditorium, jointly organized by **Shepherd Extension Department, NSS and Rotary Club of Trichy City**. **Dr.M.Mahendran**, Director – Training, Placement and Corporate Relations delivered an introductory Note.

In his introductory note, he informed that one in five college students suffers from some sort of recurring feelings of self-loathing and immense sadness. This may be the result of unhealthy amounts of stress and anxiety. This may also be the result of failing to fit into groups and not making friends. Plus, the slew of comparisons facilitated by instagram has only made this worse. Not only do college students compare themselves with others on the basis of their looks and physical appearance, but they compare social status and materialistic possessions as well. All of these have a severe effect on the mental health of student. He also stressed upon that the rigorous college curriculum, constant worry over career choices, unhappiness and unsatisfaction with the colleges they end up in could turn the brightest of students into dull, underperforming ones, and affecting them physically and making them lose their appetite, disturbing their sleep cycle and developing the suicidal thoughts. He highlighted that the stress, anxiety and suicidal thoughts in exorbitant levels force them to get exposed to cigarettes, alcohol and drugs. Besides that he touched upon eating disorders, addiction to social media. Finally he advised the students to practice and habituate good habits in day to day life.

REPORT ON GUEST LECTURE

"Understanding Self"

The Guest Lecture with the agenda "Understanding Self" was held on 13/11/2021, Saturday between 2:30 am to 4:00 pm. It was hosted in the Commerce AV Hall. The event had a gratifying gathering of the 2nd year students only this time.

The event was solemnly begun with invoking God's blessing through the Prayer Song. Followed by, **Prof. Camilton. J**, Assistant Professor and Coordinator of the Department welcomed the gathering.

Prof. Mary Magdalene. A, Assistant Professor of the Department honoured the Guest with a memento.

Followed by his felicitation, Mr.Celvaa Kumaran, Student, II B.Com Honours formally introduced the Resource Person and then the Guest Lecture began.

Rev. Dr. Emmanuel Arockiam S.J, Head, Department of Counselling Psychology was the resource person. It was indeed a different session this time to focus on a different stream yet a vital one. With so many problems arising due to the 'New Normal' stress and depression, students' orientation towards offline classes, all these had a main focus on the lecture. It was a heartfelt session to have a better understanding on one's self. He also had a Q & A session, wherein the students had a vivid picture on the topic and their other issues solved.

Mr. Nirmal, Student, II B.Com Honours proposed the Vote of Thanks.
