- 1) List and Explain various issues related to women rights.
- 2) List and Explain various human rights violation (any two).
- 3) List out various duties of fundamental citizens.
- 4) Write any two constitutional remedies with explanation.
- 5) Write any five functions of Indian NHRC.

1).

Issues related to women rights

Discrimination in workplace.

womens are faced many problems in nowadays. In all places women faced the problems like discrimination, Equal payes in work. In working place womens are treated varies to men. They are considered women is the weaker the men. The main problem is faced by women is discrimination.

Equal pay for Equal work:

womens are working Equal to men. But the company does not give the Equal wages for women. They give more salary to men and they give the less salary to women. These are the problems faced by the women nowadays also. But they are also equal to men. They also plays a significant role in the society.

Sexual Harassment:

harassment. The women is harassed by the co-workers. The men are stronger than women physically. Because of the reason the men are the safeguard of women. But men missed this. In public places, resorts women are treated wrongly.

women are used illegal workers:

women are used illegal workers like sex, drugs, women are kidnaped and they are sales to the other countries for sexual harassment. Women are forced to drug users by others.

women are the backbone of our country. So we treated the women as respectful. In nowadays women are also equal to men. They also work equal than men. They are also educated equally then men. The women are faced many issues nowadays also. The government take the steps for the women.

Equal rights to Express our feelings and Emotions. They are now also dumped ^{by} the men. In workplace Public places women does not have the opportunity to Express their Expression.

5) Duties of fundamental citizens.

- * We abide and respect the ideals and institutions, we respect the National flag and National Anthem.
- * We respect the constitution's decision to for the people's growth.
- * The government abolishes the Discrimination.

* Rights to freedom:

All citizens enjoy Equality before law. However, the Equality does not means Absolute Equality (or) Equality among Equal.

* Discrimination (prohibition):

It prohibits Indiscrimination on the ground of race, colour, caste, religion,

(or) bathing ghats.

* Equality of Opportunity

This right gives the equal opportunity for all citizens for employment

(or) Appointment

4) Constitutional Remedies

Habeas corpus

* Habeas Corpus literally means

the "have the body of." The persons who are unlawfully imprisoned or detained.

This writ is used to

The court direct the person who are imprisoned unlawfully they can release immediately.

This means Habeas

Corpus

Mandamus

5) INDIAN NHRC:

National Human Rights Commission is an Autonomous human public body, they are protection of law and rights. They gives the Equal rights to all Citizens. The NHRC plays a significant role in the human rights. They are the international constitution for human rights. The members in the NHRC are working hard for human rights. The NHRC is the major human rights Commission internationally.

2) Human rights violation

* In India many human rights violations are happened. In 2015 Trichy Thiruvembur the women and the women's husband are coming in the bike. The women is conceive. The traffic police stop them but they did not stop so the traffic police kick the bike.

* So the husband and wife are falling down. The women is conceived

violation I can see in my life.

* The government officers are not responsible for the works. They are not sincere in their work. They did not obey the rights of government and they did not obey the law correctly. These are the major human violation I can see in my life.

* Near my house the persons was imprisoned unlawfully. Th He was punished by the police for the wrong reason. In India these are things are played mainly. The human right violations is the one of the most vulnerable violations in India and like other country.

* In Africa the humans sales for the rupees and the other country are by buy the humans for the slavery. They buy lots of humans for the household workers and like other works.

* In Russia many of the people are killed unofficially by the terrorists. The government want to reduce the population so the government did
