**Report on the Activities of Business Awareness Club**

The Department of Business Administration has conducted the activities of Business Awareness Club on 13<sup>th</sup> August 2022 titled '*Logo and tagline – Identification & Designing*'. This activity was aimed to foster their awareness on brands, their logos, taglines and business acumen. A quiz was conducted among the students to test their understanding of the branding concepts & recognition. and their ability to identify different logos and taglines. The students were given a time limit of 30 minutes to complete the quiz, and the scores were recorded for each student. In addition to this, they were asked to design a logo and tagline for a frictional company of their own imagination. The students were divided into groups and asked to brainstorm ideas for logos and taglines. Each group presented their designs and ideas to the class, and the class gave constructive feedback to help refine the logos and taglines further. The students were encouraged to take feedback positively and use it to improve their work. The students showed great enthusiasm and creativity in designing logos and taglines for their assigned company. The class discussion and feedback session helped the students refine their ideas and come up with better designs.

As a part of Club activity, the Business Awareness Club has organized a “*Business Quiz*” for the participant students of the club. The objective of this activity was to test the knowledge of the students on various aspects of business, such as finance, marketing, management, and current affairs related to business. The quiz questions were carefully crafted to cover a wide range of topics related to business and were designed to challenge the students' understanding of real-life business scenarios. The students actively participated in the quiz, displaying their knowledge of business and competing against each other in a friendly and collaborative environment. The quiz was closely monitored by a panel of faculty members who ensured that the event was conducted smoothly and fairly.

The members of the ED club were asked to do a '*Business Plan Presentation*' on 8<sup>th</sup> October 2022. Prof. J. Inigo Papu Vinodhan has mentored this activity. The activity was aimed to encourage students to develop entrepreneurial skills and foster an interest in the world of business. The students were fostered to showcase their creativity, innovation, and business interest. The students were initiated to develop a business plan for a start-up or a new product/service idea.
