Report

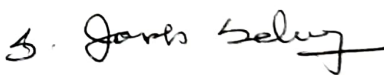

Inauguration of Chemistry Association and Institution of Dr Lourdudoss and Alphonsa Endowment Prizes

The activities of the Chemistry Association were inaugurated by Dr Sebastian Lourdudoss Professor Emeritus, KTH-Royal Institute of Technology, Sweden and our department alumnus on 20.07.2022, Wednesday at 10.00 am in Jubilee hall. The Dr Lourdudoss and Alphonsa Endowment Prizes were instituted on this occasion. Dr S Lourdudoss delivered the inaugural lecture titled "150 Years of the Periodic Table of Chemical Elements". Rev. Dr M Arockiasamy Xavier, SJ, Principal felicitated the gathering. Dr S Joseph Selvaraj, the Head welcomed and Dr A Irudaya Jothi, the Association President proposed vote of thanks. Dr K S Arulsamy and Dr S Raja, the former heads of the department and the relatives of the speaker graced the occasion.

The resource person delivered the inaugural lecture on the topic "Organic Semiconductors for Optoelectronics", 17 faculty from the department of chemistry and one from department of electronics attended the lecture, 231 students from UG and PG participated in the lecture.

A Lecture was organized on 14-10-2022 delivered by Dr. N. Ramanathan, Scientific Officer (G) /Head, Actinide Chemistry & Separation Science Section, Associate Professor, Homi Bhabha National Institute, Fuel Chemistry Division, Materials Chemistry & Metal Fuel Cycle Group, Indira Gandhi Centre for Atomic Research, Kalpakkam. The resource person delivered lecture on the topic "Accidental Discoveries in Science & Evolution of Indian Nuclear Programme", 9 faculty from the department of chemistry attended the lecture, 94 students from UG and PG participated in the lecture.

The activities of the club concluded with an invited lecture on 28-01-2023 delivered by Dr. Shanmugaraju Sankarasekaran, Assistant Professor, Department of Chemistry, Indian Institute of Technology (IIT), Palakkad, Kerala. The resource person delivered lecture on the topic "Emergences of Supramolecular Chemistry: From Molecules to Advanced Materials", 8 faculty from the department of chemistry attended the lecture, 72 students from UG and PG participated in the lecture.

Frustrated Lewis Pairs

About Frustrated Lewis Pairs

The classical "Lewis Acid-Base Pair", a covalently bonded stable adduct is instantly formed when a Lewis acid and a Lewis base meets each other. This meeting frustrates them to exhibit fascinating chemical reactivity as that of transition metal ions. These can activate small molecules like H_2 , N_2 , CO_2 , CO , and CH_4 . How can they do this? And how this reactivity could be translated into various applications? The answers for all these curious questions are at the discourse of the talk.

About Dr I Avinash

He is our alumnus (2005-2008) who did his Bachelor of science in chemistry and continued Masters in chemistry at The American College, Madurai. He graduated with Ph.D. in 2020 from Indian Institute of Technology Kanpur (IITK) specializing in organometallic chemistry. His research interests include main group organometallic chemistry, catalysis, fluorescence materials, and sensing. He has six publications in reputed international journals. He has been awarded "Best Presentations" for his scientific dissertations at the international conferences by ACS Omega and Indian Chemical Society. He is a passionate teacher dedicated to make 'science learning' fascinating to the young students by relating the classic concepts in chemistry to the recent development in research and technology.

CHEMISTRY ASSOCIATION

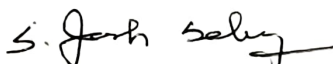

Report on Invited Lecture 1

The first invited lecture organized by the chemistry association is held on 19.09.2022, Monday at 11.30 am in Ch-06. Dr. I. Avinash, Assistant Professor, Department of Chemistry, The American College, Madurai delivered a lecture on "Frustrated Lewis Pairs". Dr A Irudaya Jothi, the Association President welcomed and introduced the speaker. Dr S. Joseph Selvaraj, the Head presented a memento to the speaker. The first- and second-year MSc students participated in the program. Staff members of the department graced the occasion.

Report on

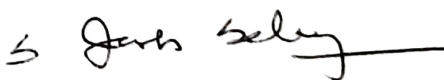

Dr S J Arulraj and Rev. Dr Mathew J Moolel, SJ Endowment Lecture

Dr S J Arulraj and Rev. Dr Mathew J Moolel, SJ, Endowment Lecture was organized by the chemistry association on 07.10.2022, Friday at 11.30 am in SAIL hall. Dr V Jayaraman, Associate Director, Fuel and Materials Chemistry Group, Materials Chemistry and Metal Fuel Cycle Group, Indira Gandhi Centre for Atomic Research, Kalpakkam delivered the lecture on "Inorganic Compounds for Chemical Sensing Applications –Experiences from IGCAR". Dr A N Paul Angelo, Dean, School of Physical Sciences, welcomed the gathering and introduced the speaker. Dr S. Joseph Selvaraj, the Head honoured the speaker with a shawl. The first- and second-year MSc students and the third BSc students participated in the program. Staff members of the department graced the occasion. Ms Infant Rajula A C of I MSc Chemistry did the master of ceremony and Sch. B Ebeneser Amalraj, SJ of II MSc proposed the vote of thanks. Dr A Irudaya Jothi, the Association President coordinated the whole program.

06.01.2023, Friday @ 11.45 am in SAIL Hall

The chemistry association organized the second Dr. A. PETER PASCAL REGIS endowment lecture on 06.01.2023 at 11.45 am in SAIL hall. Dr. A. I. Arun, Director, MacroGenics Inc., USA, our alumnus delivered the lecture on Challenges and Opportunities in Biologics: from Bench to Market. Dr. A. Paulraj, Associate Professor welcomed; Dr. A. Rose Venis, Dean-IQAC introduced and Dr. A. N. Paul Angelo, Dean-SPS honoured the resource person. Dr. A. Arun Joseph Rosario presented the vote of thanks. Post graduate students of Chemistry, Biotechnology, and Biochemistry participated in the lecture. Dr. A. Irudaya Jothi, the Association President coordinated the program. Mr Lingesh and Bro. Leo did the Master of Ceremonies.

Report on Invited Lecture 2

February 09, 2023, @ 12.30 pm

CH-06

The second invited lecture organized by the chemistry association is held on 9.02.2023, at 12.30 pm in CH-06. Dr. M. Shaktivel, Post-Doctoral Fellow, Institute of Polymer Technology and Engineering, Taiwan delivered a lecture on "Opportunities and Life in Chemistry". Dr A Irudaya Jothi, the Association President welcomed and introduced the speaker. Dr S. Anthony Sakthi presented a memento to the speaker. The first- and second-year MSc students of both Shift I and II participated in the program. The resource person elaborated the opportunities for higher education in Taiwan in various fields and narrated the procedure for getting admission into those Universities for higher studies. Staff members of the department graced the occasion.

Dr M Amaladasan and Dr V. Alex Ramani Endowment Lectures

February 21, 2023 (Tuesday)

@SAIL Hall

REPORT

The Chemistry Association organized the second Dr M Amaladasan and Dr V. Alex Ramani Endowment Lectures on February 21, 2023 (Tuesday), in SAIL Hall.

In the beginning, the condolence for the demise of Rev. Fr. Mathew J. Moollel, SJ, retired Chemistry professor and the former Principal (1988-91) was organized. Dr A. N. Paul Angelo, Dean-School of Physical Sciences shared his memories about Fr. Moollel SJ. The whole gathering observed two minutes silence and prayed for the departed soul.

Dr. A. Paulraj, Associate professor welcomed the gathering. Rev. Dr. K. Amal, SJ, honoured the resource person **Dr. S. Gokulnath, Associate Professor, IISER-TVM, Kerala**, and felicitated the gathering. Dr A Stella Shalini, introduced the Dr M Amaladasan's endowment and also the resource person. Dr. S. Gokulnath, delivered the lecture on *Carbazole and Phenylene Embedded Functional Macrocycles: Multifaceted Candidates with Varied Properties*. He elaborated about the chemistry of expanded porphyrins and their varied properties and application.

Dr. V. Alex Ramani endowment lecture was delivered by **Dr. S. Anandan, Professor, Department of Chemistry, NIT-T** on the topic, *How did Chemistry Become a Science?* It was an exploratory lecture on the origin of Chemistry from stone age to the ultrasonic age.

Dr. V. Alex Ramani Endowment Lecture and the speaker were introduced by Dr. A. Leostandly. At the end Dr. S. Anthony Sakthi, proposed the vote of thanks. Ms. Shabithika and Ms. Judith Reshma did the master of ceremonies for the entire program. The staff and II and III UG and post graduate students of Chemistry department participated in the lectures.

Dr. A. Irudaya Jothi, the Association President briefed about the **ChemOzone '23**, a state level intercollegiate competition to be organized by the department on 23.02.2023 at Jubilee building. The program ended with the note thanks by the President.

Report

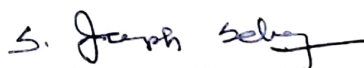

Valediction of Chemistry Association

The activities of the Chemistry Association for the academic year 2022-23 came to an end with the valediction on 17.03.2023. Mahish Joshua invoked the presence of God with solemn hymn. Secretaries Mr Sanjay (II MSc – Shift 2) welcomed the gathering and Mr Rahul Selva (II MSc Shift-1) presented the annual report of the activities of the Association. The valedictory address was delivered by Dr. A. Paulraj, Former Controller of Examination, Associate Professor of our department on the topic, “Basic Principles of Chemistry Applied in Life”. Dr. S. Anthony Sakthi introduced the speaker. Dr S Joseph Selvaraj, the Head, honoured the speaker with a memento. Dr. A. Irudaya Jothi, the Association President proposed vote of thanks mentioning the overall participation of the students in the association activities. He also mentioned the participation in INDEP should be improved in the coming year. Mr Arun Rex Nayagam and Mr Joe Francis did the Master of Ceremonies.
