# INTELLECTUAL PROPERTY RIGHTS CELL

(2022-2023)

- The IPR cell team of St. Joseph's college prepared IPR policy for our institution and the same will be implemented from the academic year 2023.
- A syllabus for the certificate course on "Intellectual Property Rights" for the forthcoming academic year is derived and kept ready by the IPRC team.
- An awareness talk on "Intellectual Property Rights and its Opportunities" was organized by IPRC, St. Joseph's College, Trichy on 28<sup>th</sup> February 2023 at 11 am in Sail auditorium. The programme started with 70 participants covering full time and part time research scholars of all the departments.

The event began at 11 am with a prayer song and the inaugural welcome address was given by Fr. Berchmans SJ, Director of Incubation, Innovation, Start-up and IPR Cell.

Dr. Leo Rajesh, the coordinator of IPRC gave a brief note on the role of IPR cell in SJC.

Rev.Fr. Arockiasamy Xavier felicitated the gathering and invited all the scholars to do quality research and make an attempt to file for patents and copy rights.

The invited resource person was Dr. M. Sundararaman, Professor, Department of Marine Biotechnology, Bharathidasan University, Tiruchirappalli. He enlightened the participants on the objectives and aims of IPRC to offer assistance to grass-root innovators to realize the commercial benefits of their innovations. He spoke in detail on patent, copy right, design and trade mark. The registered Geographical Indications (GI) in Tamilnadu was explained in detail. He also said that IP includes inventions, books, paintings, songs, names and designs. He clarified the doubts of the research scholars on patent filing process and encouraged them to protect their intellectual property.

The session came to an end with the words of gratitude by Mrs. Sivakamasundari, the member of IPR cell.
