## Inauguration of History Association

### Report

**History Association** organized the **Inauguration of History Association** on **11<sup>th</sup> August, 2022**, **Rev.Fr. L. John Peter Arulanandam SJ, Principal (i/c)**, presided over the meeting and the Inaugural address was delivered by **Dr. A.Rajendran , Former Head & Associate Professor , Bishop Heber College** , on the title of “ **Preparation for Competitive Examinations** “

The **resource person** explained about the competitive exams is the only way to gain entry into lucrative jobs in the government sector. A mixture of regular study and extracurricular activities, including group discussions, help you to excel in these exams. One should have a clear focus and planned routine of study. In order to crack interviews, one must discuss current affairs and general knowledge with peers.- He provide some of the useful tips on how to prepare for competitive exams:**1. Plan well**-A well-laid plan means half of the job is done. Familiarize yourself with a schedule of exams that you are attempting. Calculate time and create a proper study plan.-**2. Time Management**-It is important to manage your time wisely and smartly in order to achieve success. In order to avoid chaos and distractions in your daily routine separate some time for study, recreation, and various other activities. Try to make the optimum use of your time.-**3. Choose subjects' wisely**-It is important to wisely choose the subject you find yourself most comfortable in. Many students have described this as a crucial point in order to attain success.-**4. Shorter Study**-Studying till the last minute would only lead to stress and exhaustion and even confusion. Before formulating your study plan, pick the examination syllabus and measure your comfort level in each section. Students should give extra time to weak areas on a daily basis rather than in one go.-**5. Mock Papers**-Practicing previous year sample papers would be really helpful. This will give you an idea about the exam pattern and would force you to practice within the given time frame. Solving sample test papers would also improve your speed and time management skills.-**6. Motivation**-Draw motivation from teachers, seniors, family members and so on. Always remember that motivation will always inspire you to attain goals. In addition, interviews of past toppers in competitive examinations should be carefully studied and important tips and instructions should be implemented.

True to its noble ideal, *Pro Bono Et Vero* (for the Good and the True), St. Joseph's College (SJC) has always upheld and radiated Goodness and Truth in its endeavour to impart quality higher education for the past 178 years. SJC is an affiliated First Grade College of the Bharathidasan University and was established in 1844 by the Fathers of Society of Jesus (The Jesuits). It was accredited by NAAC with A++ Grade (4<sup>th</sup> Cycle) in 2019. SJC has notched a national honour by becoming a **Special Heritage Status** (2015) institution awarded by the UGC. It is the only institution from Tamil Nadu to have been given this rare distinction. It has also received the DBT's Star College Status in the same year. SJC was recognized by the UGC as a College with Potential for Excellence (CPE) in 2004.

**About the Department**

The Department of Chemistry was founded by Rev. Fr. Hass in 1906 initiating the undergraduate course in Chemistry. In 1960 the MSc Chemistry was started. The PhD program was introduced in 1965. 120 Ph.D. scholars have been awarded with Doctoral degree from our Department. It is a FIST- and DBT-funded department. The department is well equipped with a FIST sponsored instrumentation Lab. The students of chemistry have ready access to the FIST- department library, shelved with 300 titles of books. It is the Star Department under DBT-Star College Scheme.

**Preparative Workshop in Chemistry**

Training the post graduate chemistry students to get successfully qualified in NET and GATE examinations is a unique academic activity of the department for the last two decades. This training is extended to the students of neighboring districts also from 2009 onwards. The annual state-level preparative workshop in Chemistry (PWC) was initiated in 2017 to offer intensive coaching for the NET/GATE/TNSET aspirants. The second and third workshops were organized in 2018 and 2019. Students from across the state participated in the workshops and benefited out of them. To continue our tradition, we organize the fourth workshop in **December 15-17, 2022**. The objective of the workshop is to rejuvenate the interest of the young chemists and to train them in problem solving.

December 15-17, 2022 (Thursday - Saturday)

### REPORT

The Chemistry Association, Department of Chemistry organized “4<sup>th</sup> State Level Preparative Workshop in Chemistry for the NET/GATE Aspirants-2022” from December 15-17, 2022. The inauguration of the workshop was held on 15.12.2022 at 9.00 am in AV Hall. Dr. A. Paulraj, Associate professor & Convener, Department of Chemistry, welcomed the gathering and introduced the chief guest Prof. S. Govindarajan, our alumnus (1960-1966, PUC-MSc) Head (Rtd.), Associate Professor, Department of Chemistry, Loyola College, Chennai. Rev. Dr. M. Arockiasamy Xavier, SJ, Principal, felicitated the gathering and released the question bank booklet. The dynamics of the workshop was explained by Dr. A. Irudaya Jothi, Organizing Secretary of the workshop. It was then followed by a keynote address by Dr. Govindarajan on the topic, ‘**Future Devices and Challenges of Chemistry in 21<sup>st</sup> Century**’.

The technical session-I on Organic Reaction Mechanisms was handled by Prof. S. Govindarajan. He discussed the fundamental concepts behind various types of organic reaction mechanisms. The technical session II was handled by Dr. S. R. Bheeter, Head (Rtd.) Department of chemistry, St. Joseph's College on the topic **Key-Concepts in Inorganic Chemistry**.

Session III was handled by Dr. J. Elangovan, Assistant Professor from Rajah Serfogi Government College, Tanjavur on **Quantum Chemistry**. The technical session IV was handled by Dr. S. Mangalaraj, who discussed many problems in ‘**Biomolecules and Heterocyclics**’.

The second day of the workshop began with the fifth session handled by Dr S R Bheeter on ‘**Spectral Analysis of Complexes**’. His expertise on the topics helped the students in understanding the question pattern in the examinations. Technical session VI was handled by Dr. A. Peter Pascal Regis on ‘**Group Theory**’ in which the participants learnt the nuances of group theory and methods to identify the point group of molecules. Session VII was handled by Dr. D. Suresh, Assistant Professor from SASTRA Deemed University, Tanjavur on Organometallics. He discussed the problems from the previous year question papers related

to '**Organometallics**'. The problem-solving session on '**Pericyclic Reactions**' was handled by Dr. C. Rajarathinam in Session VIII.

On the third day of the workshop began with session IX handled by Dr. N. Xavier, Associate Professor (Rtd.), St. Joseph's College. His teaching methods motivated the students to understand '**Stereochemistry**'. Dr. S. Britto, Assistant Professor, SJC, dynamically handled session X of the workshop on the topic '**Organic Spectroscopy**'.

52 students from 12 different institutions participated out of 54 students registered for the workshop.

The first three toppers in the exit test were awarded with prize in the valedictory function. Feed-back from the participants was collected. Both Exit test and Feedback were conducted online using googleforms.

The valedictory function of the workshop was held at 3.00 pm on 17.12.2022. Dr M Syed Ali Padhusa, Deputy-Controller, Associate Professor, Department of Chemistry, Jamal Mohammed College felicitated the organizers and participants. Dr A Rose Venis, Dean – IQAC, distributed the prizes to the prize winners in the Exit Test. Dr A Edwin Vasu, Joint-Secretary welcomed the gathering and Dr. A. Josephine Kanimozhi, Joint-Secretary presented the detailed report of the workshop. Dr. C. Rajarathinam, proposed the vote of thanks.

**REPORT OF THE SPECIAL TALK ON**  
**CRACKING COMPETITIVE EXAMINATION**

On March 21, 2023, the Computer Science Association organized a special talk on Cracking Competitive Examination, with a focus on government exams. Dr. Mahendran, the Placement Officer of the college, delivered the talk, sharing his expertise and experience on the nuances of getting through competitive exams, and providing tips and ideas to prepare well for these exams. The programme was felicitated by Dr. Augustine Arockiaraj, Vice Principal of Shift II, and Prof. V. S. Joe Irudayraj. The event was well attended, with the top five fast learners from each class participating in the programme.

Dr. Mahendran's talk was informative and insightful, providing valuable guidance to the attendees. He highlighted the importance of time management, consistent practice, and thorough understanding of the exam syllabus and pattern. He also stressed the need to stay updated with current affairs, as many government exams test candidates' knowledge of the same. Dr. Mahendran shared some practical tips, such as creating a study schedule, setting achievable goals, and taking mock tests to evaluate one's performance. He also emphasized the role of positive thinking and staying motivated during the exam preparation process.

Overall, the talk was a great success, providing students with valuable insights and tips to prepare for competitive exams.

#### **Benefits gained through this UGC NET Online Coaching**

- UGC NET preparation resulted in better scores if self-study is combined with UGC NET online coaching.
- UGC NET online coaching provides time and location flexibility to the working professionals and homemakers. Aspirants can access coaching from anywhere at any time and can prepare for UGC NET to get the dream job of Professor/Lecturer.
- E-books/Video lectures make preparation easier and more convenient.
- Another important plus point of UGC NET Online Coaching is that, aspirants may discuss their doubts and queries with fellow candidates. Participants experienced live solution and support from trainers.

- The coaching course fee is very less and delivered to participants quality coaching at an affordable price.
- The attendance were taken and comprehensive study material from expert faculties were given to participants. Enrolled students got e-Books, printed study material, and test series.
- The test series to test the knowledge of the aspirants was evaluated now and then.

**Revenue Generated (2022 – 2023):** Rs. 22, 000

**Expectations from the Aspirants:**

- ✓ Many participants requested to conduct Paper- II coaching in their respective major subjects.
- ✓ Many asked for conduct of coaching at physical contact classes.
