Discipline Committee Report

During the academic year 2022-2023, we had a few discipline related issues from the departments like Statistics, Economics and Commerce. Altogether, there were around 15 students who violated the rules and regulations of the College with regard to the discipline.

All those students who were involved in such discipline related issues were enquired about the complaints received and they were either suspended or severely warned not to indulge in any such activity. They were asked to bring their parents and give an undertaking that they would behave well for the rest of the academic year.
