### DEPARTMENT OF COMMERCE HONOURS ST. JOSEPH'S COLLEGE (AUTONOMOUS), TRICHY – 02

#### Intra-Departmental Cultural Competition and Commerce Honours Association Valediction Report 2022-23

The Commerce Honours Association conducted an Intra-Departmental Cultural Competition on March 16, 2023, at the Sail Auditorium for the I B.Com Honours students which was organised by the II B.Com Honours students. The event aimed to provide a platform for students to showcase their talents in various fields such as music, dance, literary, fine arts, and fun games.

The opening ceremony began with a prayer song, followed by felicitations by Dr. F. R. Alexander PravinDurai, Head of the Department of Commerce Honours. The inaugural address was delivered by Rev. Dr. M. Arockiasamy Xavier SJ, Principal of St. Joseph's College (Autonomous), Trichy.

Every student of I B.Com Honours took part in at least one competition. The event included a range of competitions such as singing, elocution, drawing, Dumb Charades, and dance. One noteworthy competition was the "Drama" event, which highlighted the importance of caring for elderly parents. The singing competition comprised both individual and group performances, while the elocution competition involved impromptu speeches on given topics. The drawing competition challenged students to showcase their creativity on a given theme. The Dumb Charades game involved participants acting out words for others to guess, and the dance competition saw four groups vying for the top prize.

The valedictory ceremony featured felicitations by Rev. Dr. K. Amal SJ, Secretary of St. Joseph's College (Autonomous), Trichy, and Dr. P. Rajendran, Deputy Principal of St. Joseph's College (Autonomous), Trichy. Ms.Sivagami Subramanian, Entrepreneur – Caratlane (Tata enterprise), Trichy, delivered a brief valedictory address. The most awaited moment of the day arrived as prizes were presented by the guests to the winners and runners of the various competitions. The event was a testament to the talent and enthusiasm of the students of the Department of Commerce Honours.

The event concluded with the singing of the National Anthem, marking the successful completion of a vibrant and enjoyable Intra-Departmental Cultural Competition. The Commerce Honours Association's Intra-Departmental Cultural Competition was a lively and enjoyable event that marked the conclusion of the academic year's association activities.

#### FINTECH CLUB REPORT (2022-23)

Club In-Charge: Mr.Camilton J

#### Introduction

The FIN-TECH club was inaugurated on 21st January 2023 with an aim to provide a platform for the students of Department of Commerce Honours to gain knowledge on FIN-TECH and related concepts. The goal of FIN-TECH club is to educate students on fintech, create a strong fintech community within the department and encourage members to innovate and disrupt the financial service industry. The club emphasizes the need for students to be well-equipped and skilled in these concepts to face challenges in their future endeavors. The club is completely student-run, and its members conduct meetings regularly to share their knowledge with each other.

#### **Inauguration of FIN-TECH Club**

The inauguration of the FIN-TECH club was held on 21st January 2023 in the SAIL auditorium at 2pm. The event started with a prayer song, followed by the welcome address by the club's president Vasanth Karthick of II B.Com Honours. He emphasized the importance of the club and its future prospects. The head of the department, Dr. Alexander Praveen Durai, felicitated the gathering and spoke about the need for such student-run clubs in the department. The chief guest, Mr. Glenn Roger Carr, addressed the gathering and spoke about the importance of having knowledge of financial markets. He explained various forms of investing and investment opportunities in this field. The event concluded with the vote of thanks by the club's vice president Kamala Thiyagarajan of II B.Com Honours.

#### **Quiz Competition**

On 21st January 2023 immediately after the inauguration, the quiz competition was conducted by the members of the FIN-TECH club at 3 pm. The quiz had ten questions related to FIN-TECH, and 120 participants took part in the quiz through the Quizizz platform. Mohammad Jasim of I B.Com Honours emerged as the winner and was awarded the book titled "Think and Grow Rich."

#### **First Meeting Session**

The first meeting of the FIN-TECH club was held on 1st February 2023 between 4pm and 5pm in the II B.Com Honours Classroom. The topic of discussion was a comparison of socialist and capitalist economies in the world. Members had to express an abstract with regard to the comparison of privatization in capitalist and socialist economies. This led to a discussion on the positive and negative aspects of capitalist and socialist economies. Members gained a better understanding of the subsidies provided by the government to

socialize the economy and the reasons behind such actions in India. The discussion concluded with members having wider thoughts on how the government influences the public in socialist and capitalist economies.

#### **Second Meeting Session**

The second meeting of the FIN-TECH club was held on 25th February 2023 between 8.30am and 9.30am in the II B.Com Honours Classroom. The topic of discussion was the four pillars of FIN-TECH and deliberation on cryptocurrency and blockchain. Contributors discussed the four major pillars of FIN-TECH: AI, Blockchain, Cloud Computing, and Big Data. They gained a better understanding of what cryptocurrency actually refers to and its positive features. Members also learned about how cryptocurrency works, its examples such as Bitcoin, Ethereum, Litecoin, Ripple, and the procedure to buy them. Members further added their insights on the negative and positive aspects of using this technologically committed finance platform.

#### **Conclusion**

In conclusion, the FIN-TECH Club has made a great start in the academic year 2022-23, with a successful inauguration event and engaging meetings that have brought together students interested in fintech and related concepts. The club's activities have enabled members to expand their knowledge of fintech and its role in the financial service industry. The club has also facilitated networking opportunities among members, creating a strong fintech community within the Department of Commerce Honours. The quiz event and the meeting discussions have provided a platform for members to share their views and gain insights into different aspects of fintech. The club's efforts to incubate innovation and encourage members to disrupt the financial service industry will undoubtedly help prepare students to face the challenges in their future careers. The FIN-TECH Club is a valuable addition to the department, and we look forward to its continued success in the coming years.

#### FINTECH CLUB REPORT (2022-23)

Club In-Charge: Mr.Camilton J

#### Introduction

The FIN-TECH club was inaugurated on 21st January 2023 with an aim to provide a platform for the students of Department of Commerce Honours to gain knowledge on FIN-TECH and related concepts. The goal of FIN-TECH club is to educate students on fintech, create a strong fintech community within the department and encourage members to innovate and disrupt the financial service industry. The club emphasizes the need for students to be well-equipped and skilled in these concepts to face challenges in their future endeavors. The club is completely student-run, and its members conduct meetings regularly to share their knowledge with each other.

#### Inauguration of FIN-TECH Club

The inauguration of the FIN-TECH club was held on 21st January 2023 in the SAIL auditorium at 2pm. The event started with a prayer song, followed by the welcome address by the club's president Vasanth Karthick of II B.Com Honours. He emphasized the importance of the club and its future prospects. The head of the department, Dr. Alexander Praveen Durai, felicitated the gathering and spoke about the need for such student-run clubs in the department. The chief guest, Mr. Glenn Roger Carr, addressed the gathering and spoke about the importance of having knowledge of financial markets. He explained various forms of investing and investment opportunities in this field. The event concluded with the vote of thanks by the club's vice president Kamala Thiyagarajan of II B.Com Honours.

#### **Quiz Competition**

On 21st January 2023 immediately after the inauguration, the quiz competition was conducted by the members of the FIN-TECH club at 3 pm. The quiz had ten questions related to FIN-TECH, and 120 participants took part in the quiz through the Quizizz platform. Mohammad Jasim of I B.Com Honours emerged as the winner and was awarded the book titled "Think and Grow Rich."

#### First Meeting Session

The first meeting of the FIN-TECH club was held on 1st February 2023 between 4pm and 5pm in the II B.Com Honours Classroom. The topic of discussion was a comparison of socialist and capitalist economies in the world. Members had to express an abstract with regard to the comparison of privatization in capitalist and socialist economies. This led to a discussion on the positive and negative aspects of capitalist and socialist economies. Members gained a better understanding of the subsidies provided by the government to

socialize the economy and the reasons behind such actions in India. The discussion concluded with members having wider thoughts on how the government influences the public in socialist and capitalist economies.

#### Second Meeting Session

The second meeting of the FIN-TECH club was held on 25th February 2023 between 8.30am and 9.30am in the II B.Com Honours Classroom. The topic of discussion was the four pillars of FIN-TECH and deliberation on cryptocurrency and blockchain. Contributors discussed the four major pillars of FIN-TECH: AI, Blockchain, Cloud Computing, and Big Data. They gained a better understanding of what cryptocurrency actually refers to and its positive features. Members also learned about how cryptocurrency works, its examples such as Bitcoin, Ethereum, Litecoin, Ripple, and the procedure to buy them. Members further added their insights on the negative and positive aspects of using this technologically committed finance platform.

#### Conclusion

In conclusion, the FIN-TECH Club has made a great start in the academic year 2022-23, with a successful inauguration event and engaging meetings that have brought together students interested in fintech and related concepts. The club's activities have enabled members to expand their knowledge of fintech and its role in the financial service industry. The club has also facilitated networking opportunities among members, creating a strong fintech community within the Department of Commerce Honours. The quiz event and the meeting discussions have provided a platform for members to share their views and gain insights into different aspects of fintech. The club's efforts to incubate innovation and encourage members to disrupt the financial service industry will undoubtedly help prepare students to face the challenges in their future careers. The FIN-TECH Club is a valuable addition to the department, and we look forward to its continued success in the coming years.
