## About the College

St Xavier's College of Management & Technology, Patna, centre for quality education, life-oriented, affordable and professional higher education managed by Jesuits, who are members of the Patna Province of the Society of Jesus. As Jesuit educators, our strong concern and effort is to aid the development of the WHOLE PERSON who will be fully human, fully Indian and truly modern, open to God and to all people. Within a short span of 11 years, the College has seen steady growth in numbers and has carved a niche for itself in setting high teaching and learning standards in higher education. Our proven record of excellence for education drives so many students to join our College. The goal of Jesuit Education is the formation of men and women for others.

## Why FDP on Soft Skills?

The significance and relevance of Soft Skills Training for Faculty members in Higher Education has gained swift momentum in recent times. The term soft skills refers to certain personal traits and skills. Recently the corporate world has realised that soft skills are as important as hard skills. Some management institutions attach greater importance to soft skills. Hard skills can be imparted by training employees for specific tasks they have to do, it is more difficult to inculcate soft skills within a short time. Soft skills are a necessity if one wants to do well in any field. So, the IQAC of St Xavier's College of Management & Technology in collaboration with the Joseph's Academy of Soft Skills (JASS) of St. Joseph's College Tiruchirappalli, organizes the present FDP in an effort to provide training on soft skills to the teaching fraternity.

## Who can register?

Interested teachers and trainers from various colleges, schools, industries and other institutios who are interested in improving the skill sets.

**REPORT**

Empowerment Programme for Staff members was arranged from 25.07.2022 to 30.07.2022 for 6 days. In this programme, Staff members who are going for practical classes to PG & III UG, were empowered with demonstration of practicals by the senior faculty members.

Roughly 14 staff members involved in this programme. Every semester, our department is organising such a wonderful programme particularly for Junior Faculty members. During this programme, faculty members learnt practicals in a meaningful way, by making circuit connections, identifying and troubleshooting with the theoretical outputs.

**REPORT ON  
DR. VADIVU THANGAVEL ENDOWMENT**

The Dr. Vadivu Thangavel Endowment was conducted on 15<sup>th</sup> September 2022 as an In-House Faculty Development Programme. The Speaker for the event was Dr. Karthika V. K, Assistant Professor of English, Department of Humanities and Social Sciences, National Institute of Technology, Tiruchirappalli. She trained the participants on "Designing Tasks for Communicative Classrooms". The Principal graced the Inauguration and felicitated the gathering. The Welcome Address was offered by Dr. V. L. Jayapaul, Head of the Department of English and the speaker was introduced by Dr. R. Qurshid Begum, Additional Dean, IQAC. The sessions were divided into two parts and were addressed to the Staff of Shifts I & II) of the Department of English. 37 faculty members attended the programme. The participants were enthralled by both sessions and valid questions were raised. The sessions were replete with ingenuous ideas and clear examples. The overall feedback was given by Dr. M. S. Xavier Pradheep Singh from Shift I and Mr. K. M. Vargheesh from Shift II. The Secretary presided over the Valediction and distributed the certificates to the participants while the Vote of Thanks was proposed by Dr. J. John Love Joy.

## TopUp Programme for Junior Faculty

### Micro Teaching – Review and Feedback

One day top up programme was organized for the benefit of Junior Faculty members with less than five years of teaching experience. Earlier, in the month of June, all of them generated micro-teaching modules that were video recorded by the media team of our college.

Faculty members were divided into school-wise and for each school a panel consisting of the Dean of respective school and an External Expert was constituted. Each team gathered at five different venues, videos of micro-teaching were screened and faculty members were invited to give feedback. At the end, the panel of experts give personalized and general feedback so as to improve teaching based on the personal strengths and weaknesses of each staff member.

**REPORT OF THE INDUSTRIAL VISIT BY THE STAFF MEMBERS On  
15<sup>th</sup> October 2022 @ COIMBATORE**

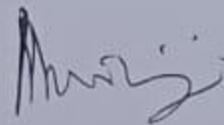

The Staff Members of Electronics department had planned to have industrial visit to enrich their knowledge and to transfer the knowledge to the student community in the beginning of the academic year 2022-2023.

As per the plan we contacted two companies at Coimbatore for industrial visit. All the staff members from the department under the guidance of Head of the Department Dr B.Kanickairaj Reached Coimbatore by train on 15<sup>th</sup> October 2023.

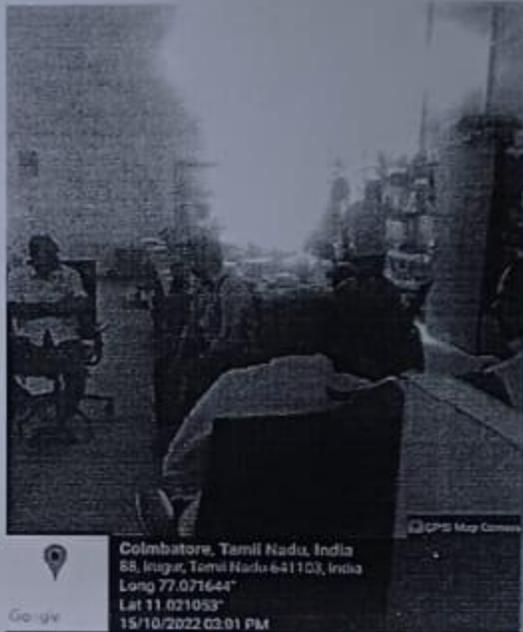

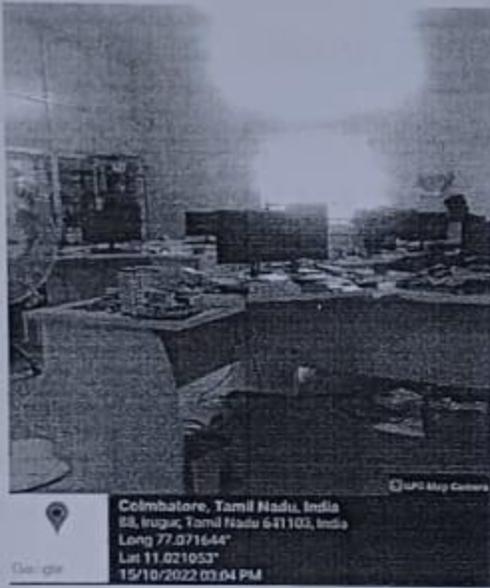

First, we visited ECI System specialized in PLC System situated at otterpalayam, Coimbatore in the morning. Mr. D. Senthil Kumar the Managing Director Welcomed us all and took us around Plant I where PLC Drawing and Component Testing are housed. Then He guided us to Plant II where Manufacturing of Panels are Done. Engineering and Polytechnic interns were working in the company. After the visit We had discussion with the MD in the Panel Room. We were asking about the possibility internship program for our students and the skills to be imparted to students in the college. The MD was open to accommodate our students for internship program.

In the afternoon We visited Illumine Technologies specialized in Embedded System Solution situated at saravanampatty, Coimbatore. This company offers Embedded solutions to different Prominent Clients around the country. Mr. Jagath guru The Managing Director explained to us about the work being carried out in the company. We explored the possibility for Student internship program. Th MD was very positive about the performance of some our students who had been there for internship. we were happy with the interaction.

The industry Visit helped us to train our students according to the expectation of the company. And we felt enriched by the visit. We returned to Trichy by train on 15<sup>th</sup> October Night.

## DAY TWO

25 August 2022

*Ms. Seethalakshmi Venunathan*  
*Cambridge CELTA Tutor*

## Gamified Language Learning

**SESSION 1** will focus on using activities to teach LSRW skills so that students are more actively involved in the learning process. These activities, some with gamified elements, will help them practice these skills.

**SESSION 2** is all about online tools. There is a wide range of tools available online to teach grammar, vocabulary, and skills. This session will introduce you to a selection of these tools and give you a chance to try them out.

**SESSION 3** will look at teaching grammar in a communicative way with a focus on real-life application rather than memorization of rules. Participants will be a part of a short demo lesson before exploring some key techniques used in this approach.

## Who can register?

English language teachers  
& trainers

## Registration Details

The registration fee is ₹ 500/- per participant. It covers the workshop kit, training material and lunch & refreshments on both days.

There are limited seats therefore registration shall be on a first come, first served basis. Registration has to be done before 21 August 2022.

For Registration & fee payment, log on to :

## About the College

St. Joseph's College (SJC) was founded by the Jesuit visionaries in 1844 with the noble aim of educating humanity *for the Good and the True (Pro Bono Et Vero)*. SJC now serves as a beacon of light for everyone aspiring to pursue holistic higher education.

The college caters to the educational needs of all sections with a marked emphasis on the preferential option for the poor, the marginalized, the first-generation learners and the other deprived sections of the society.

### SJC

- was one of the first colleges to be granted autonomy by the UGC in 1978.
- was recognized by the UGC as a College with Potential for Excellence in 2004 and again in 2014.
- received DST-FIST fund in 2008 and 2014 and DBT-STAR status in 2014.
- received the coveted honour of the Special Heritage Status from the UGC in 2015.
- secured A<sup>++</sup> (2019) in NAAC accreditation process.
- secured 26<sup>th</sup> position in NIRF Ranking in 2022.

## Why this FDP?

An observation that prompted us to start considering a workshop on ELT was to offer teachers and trainers a clear road map for developing their abilities to engage students more meaningfully in the learning process focusing on strategies and approaches that can work in a wide range of classrooms without being overly prescriptive.

In an English language classroom, learners have to invest time and energy to grasp, imitate, adapt and use the target language appropriately. Intense effort is required while learning and has to be sustained over a long period. This two-day workshop aims to assist teachers and trainers in constructively transferring future-focused methodology, gaming zeal and passion to the physical classrooms, making English language teaching and learning more engaging and effective.

You must take part in this workshop if your goal is to transform teaching and learning by fostering creativity, collaboration, gamification and in-depth inquiry.

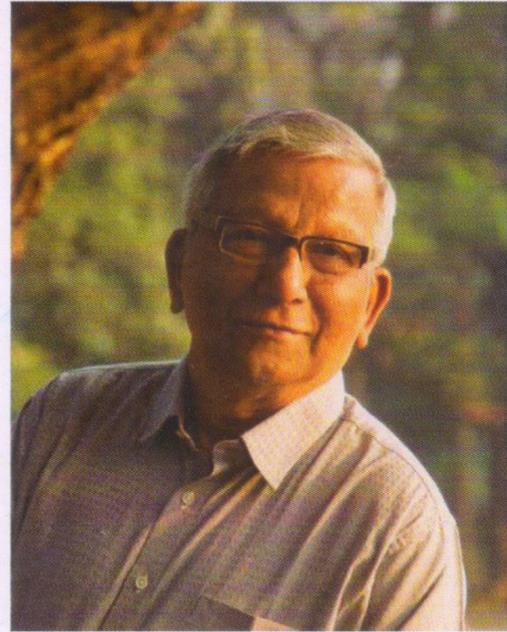

TWO-DAY NATIONAL

**DAY ONE**

*XLRI School of Business*  
*Jamshedpur*

## Future-focused ELT

Sourcing the requirements of the job market tomorrow, an extensive Google Survey surprisingly revealed that knowledge of STEM subjects (Science, Technology, Engineering and Maths) did not appear first. Instead at the top of the list appeared skills such as coaching, creative insight, empathy, critical thinking, problem solving and dealing with complex ideas.

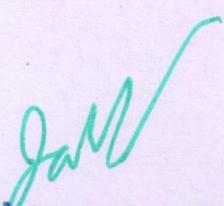

It is high time ELT shifted gear and moved beyond syntax, lexis and LSRW skills and presented the country with a cadre of competent communicators who are among other things capable of thinking critically and re-imagine creatively.

This workshop aims at providing the participants with hands on experience in integrating language acquisition with honing the critical thinking skills and enhancing creative problem solving abilities of the students.

**REPORT ON  
TWO DAY NATIONAL ELT WORKSHOP  
FOR TEACHERS AND TRAINERS**

The Research Department of English, St. Joseph's College (Autonomous), Tiruchirappalli conducted a Two Day English Language Teaching Workshop for Teachers & Trainers on 24<sup>th</sup> & 25<sup>th</sup> August 2022. The Workshop aimed to offer a clear road map for helping teachers and trainers to develop their abilities to engage students more meaningfully in their learning process focusing on strategies and approaches that can work in a wide range of classrooms without being only prescriptive. A total of 80 participants comprising teachers and trainers from various colleges across the state attended the event. The Principal presided over the Inauguration and presented the presidential address. The first day of the Workshop was conducted by Rev. Dr. Francis M Peter, Professor of English, XLRI School of Business, Jamshedpur, on the topic, '**Future-Focused ELT**'. The sessions were divided into three parts with the first two dealing with Creative Skills and the last session dealing with Critical Skills. The second day of the Workshop was hosted by Ms. Seetha Venunathan, Cambridge CELTA Tutor on the topic, '**Gamified Language Learning**'. The first session dealt with the Gamifying LSRW skills, the session was on the use of online tools and the final session focused on teaching grammar communicatively. The staff participants were enthralled by the various spokespersons and their participation was greatly appreciated by the resource persons. The Secretary presided over the valediction and distributed the certificates to the participants.
