ASSOCIATION INAUGURATION MEETING

REPORT

The Biotechnology Association of St. Joseph's College, Trichy organized an Association inaugural meeting on "SMART LEARNING USING CHAT GPT" delivered by Dr. A. Vimal Jerald, Assistant Professor, Department of Computer Science, St. Joseph's College (autonomous), Trichy.

The event was held on 17th July 2023 from 9.30 AM to 11.00 AM in the seminar hall of Biotechnology Department. The event started with a prayer service followed by the welcome address delivered by Dr. A. Edward, Head Department of Biotechnology. The presidential address was delivered by the Deputy Principal, Dr. P. Rajendran, St. Joseph's College (Autonomous), Trichy. The speaker was introduced by Ms. S. Kavia Gayathri of II M. Sc Biotechnology and Dr. A. Vimal Jerald was honored by the Deputy Principal Dr. P. Rajendran with a memento.

The session was then handed over to Dr. A. Vimal Jerald, the Speaker of the Day. The talk mainly focused on the Basics of Artificial Intelligence, Uses of Chat GPT, NLP (Natural Language Processing), Expert system and Demonstration of Chat GPT. Around 150 students from the Departments of Botany, Biochemistry and Biotechnology participated in the meeting. The speaker was delighted to deliver his presentation. The session was highly informative and highly interactive. The meet concluded with the vote of thanks delivered by Dr. V. Swabna, Assistant Professor, Department of Biotechnology, St. Joseph's College (Autonomous), Trichy.

WORKSHOP ON 'FOLDSCOPE - SMARTPHONE BASED TINYScope' AND INAUGURATION OF TROJAN HORSE CLUB

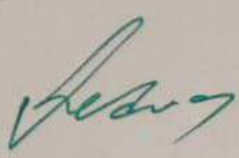

The Department of Biotechnology at St. Joseph's College, Trichy (Autonomous), collaborated with the Tamilnadu Science Forum to organize a one-day workshop titled "Foldscope-Smartphone Based Tinyscope" and the inauguration of the Trojan Horse Club on September 1, 2023.

The workshop commenced at 10 AM and concluded at 2 PM on September 1, 2023, with a prayer song setting the tone for the event. It attracted 100 participants, including both students and faculty members hailing from the Botany, Biochemistry, and Biotechnology Departments of St. Joseph's College, Trichy. Dr. A. Edward, the Head of the Department of Biotechnology, extended a warm welcome to the workshop's esteemed guests, (Resource person) including the Rev. Dr. K. Amal SJ Secretary, faculty members, students of Botany, Biochemistry and Biotechnology Departments. Rev. Dr. K. Amal SJ, the Secretary, graced the occasion with his felicitation, emphasizing the paramount importance of research in the field of Biotechnology.

Following Rev. Dr. K. Amal SJ, Secretary felicitation, Professor M. Rajesh, President of TNSF, and the featured speaker, provided a comprehensive overview of the Foldscope. He shared valuable insights into the microscope's applications and elaborated on its development, significance, and diverse applications respectively.

Subsequently, Mr. Pandiyarajan, (Director), and Mr. V. Ramesh (Trainer) took charge of the workshop, offering hands-on training to the students on how to effectively use the Foldscope Microscope and visualize the biological samples using Smart Phone. The workshop culminated with a heartfelt vote of thanks delivered by Dr. A. Asha Monica. In summary, the workshop aimed to underscore the importance of the Foldscope Microscope in facilitating research endeavors.

PROCEEDINGS

- Innovative Club of the Data Science Association organized a webinar on "Innovative IoT Applications" on October 25th, 2023, from 10:00 a.m. to 11:15 a.m.
- The resource person for the session was Mr. R.D. Solomon Raju, Senior Robotics Engineer, Do It Yourself Academy (DIYA), Chennai
- The session began with Almighty God's bountiful blessings, experienced through the prayer offered by Ms. Deva Dharshini from II M.Sc. Data Science. A warm welcome note was given by Mr. Nirmal Joel from II M.Sc. Data Science
- Ms. D. Charulatha from II M.Sc. Data Science introduced the resource person
- The topics covered during the webinar were:
 - Introduction to IoT
 - Real-time applications
 - Emerging trends and technologies
 - IoT business models and monetization
- The main focus of the webinar was to educate, inspire, and empower participants with knowledge about cutting-edge IoT technologies and their practical applications. It aimed to foster collaboration, address challenges, and promote ethical and sustainable IoT practices while providing insights for informed decision-making and continued learning. A formal note of gratitude was proposed by Mr. Gopinath from II M.Sc. Data Science. Ms. Sara Rovenka of II M. Sc. Data Science hosted the event

PROCEEDINGS

- The Department of Data Science conducted a workshop on “Fascinating IoT Applications” on 08.02.2024 from 09:30 am to 01:00 pm in II M. Sc(DS) Classroom for the I M. Sc Data Science Students.
- The session started with Almighty God’s bountiful blessings experienced through the prayer offered by Ms. Roselin and Mr. Augustin of I M.Sc. Data Science.
- The welcome address was delivered by Mr. Deepak Sharvan of I M.Sc. Data Science.
- The resource person introduction was given by Mr. Anantha Krishana of I M.Sc. Data Science.
- The resource person of the workshop was Mr. Mohammed Ithiyas, Founder & CEO of Robotian Labs PVT LTD, Trichy, who expressed his detailed views and thoughts to the students present by sharing the following:
 - An introduction to IoT
 - Importance of IoT
 - Microcontroller Microprocessor, Single Board Computer
 - The industrial revolution
 - Real-time applications on IoT
 - Working with Arduino
- The workshop was interactive as students raised multiple questions, and fascinating responses were given by the resource person
- A vote of thanks was proposed by Ms. Brishika of I M. Sc Data Science.
- The workshop was hosted by Ms. Reethi Sharon and Ms. Akshaya of I M.Sc Data Science

Report on Statistics 360 Club Activity

"Training for Conducting a Statistical Survey and Data Analysis"

The Statistics 360 Club Activity was held on September 4, 2023, at 10.30 a.m. in the SAIL hall of our college. Dr. J. Glorypersial, Assistant Professor of Statistics, welcomed the gathering and introduced the chief guest, Dr. G. Stephen Vincent, Former Head (Retired), Department of Statistics, St. Joseph's College, Trichy. Rev. Dr. K. Amal SJ, Secretary of our college, presided over the function. A total of 144 students participated in this program. The chief guest addressed the gathering and delivered the lecture on "Data Analysis." He explained in detail statistical data, measurement scales, and the assignment of numbers from the nominal scale to the ordinal scale, important types of variables, basic data analysis tools, and advanced tools like survival models and reliability models with fun-filled activities. He has given each student a copy of the handout. He gave examples of how to do data analysis in real-world situations. He motivated the students and clarified their doubts. Finally, Dr. Lilly George, Assistant Professor of Statistics, thanked everyone who took part in the lecture.

NATIONAL SEMINAR
ON
LEVERAGING ARTIFICIAL INTELLIGENCE IN BUSINESS OPERATIONS

Date: 22.02.2024

TIME: 9.30 a.m.

VENUE: JUBILEE HALL

The Department of Business Administration conducted a one day **National Seminar on "Leveraging Artificial Intelligence in Business Operations" on February 22, 2024**, at the Jubilee Hall of St. Joseph's College. The Seminar provided profound insights into the integration of artificial intelligence (AI) in modern business practices. The event aimed to explore the potential of AI in enhancing operational efficiency, decision-making processes, and overall business performance. Prof. C. F. Octovia Antony Sessammal, Head of the Department of BBA was the Organising Secretary and the Seminar was Convened by Dr. S. Clemence Jenifer and Ms. C. Annie Jane, Assistant Professors, Department of BBA.

Inauguration:

The Seminar had a serene Inauguration Ceremony with the blessings and felicitation from Rev. Dr. K. Amal SJ, Secretary, St. Joseph's College, Trichy. The Keynote Address was delivered by Mr. Murugesh Kumar. Mr. Kumar, distinguished CEO and Co-Founder ATIUM SPORTS, SCERMLIND Healthcare innovations Pvt Ltd, Bengaluru, Karnataka, shared his expertise and experiences in leveraging AI for business growth and innovation. He rendered his inaugural address on how Effective integration of AI requires a strategic approach, encompassing comprehensive planning, robust infrastructure, and continuous learning and adaptation.

Technical Session I:

Dr. Gowtham, Assistant Professor of Commerce, Christ Deemed to be University, Bengaluru, delved into the technical aspects of AI implementation in business operations, offering in-depth insight into its applications and implications. He also shared his views on how Collaborative partnerships and knowledge-sharing initiatives play a pivotal role in harnessing the full potential of AI and addressing complex business challenges in a rapidly evolving digital ecosystem.

Paper Presentation:

The post-lunch session commenced with Paper Presentations taking place at different venues, where presenters delivered their presentations. Dr. Augustine Arockiaraj, Vice Principal Shift II, Dr. J. Wilfred Angello Gerald, Mr. G. Louis Victor, and Dr. Priya Stella Mary, Assistant Professors from St. Joseph's College, moderated the event.

A total of 22 scholars and researchers presented papers covering diverse topics related to AI in business, thereby fostering academic discourse and facilitating knowledge exchange among the participants. It's worth noting that some participants presented virtually, enhancing the accessibility of the event.

Valediction and Distribution of Best Paper Presented Award.

The valedictory session was graced by the esteemed presence and felicitations from academic administrators of Shift II, including the Deputy Principal, Vice-Principals, and Heads of Departments who graced the occasion with their presence. Dr. J.Vincent Xavier rendered the welcome address. Mr. Elvis Dias, Manager at Next Education India Pvt. Ltd, Kochi, Kerala, delivered the Valedictory Address, emphasizing the pivotal role of AI in shaping the future of both business and education. In his closing remarks, he shed light on emerging trends, challenges, and best practices in harnessing AI for business success.

During the ceremony, the Best Paper Award was bestowed upon Mrs. Kanimozhi Assistant Professor from Hallmark Business School and her team. Furthermore, certificates and mementos were presented to the presenters and student organizers in acknowledgment of their contribution.

The Seminar concluded with a vote of thanks delivered by Mr. S. Arputharaj, Assistant Professor in the Department of BBA, followed by the rendition of the National Anthem, marking the formal end of the event.

About the College

St. Joseph's College (Autonomous), Tiruchirappalli was established in 1844 by Jesuit visionaries. Their noble objective was to provide education for the betterment of humanity with the guiding principles 'Pro Bono Et Vero' (the Good and the True). St. Joseph's College (SJC) is a government aided institution affiliated with Bharathidasan University in Tiruchirappalli, Tamil Nadu. It is the first college to receive autonomy status from the University Grants Commission (UGC) in 1978. SJC got Potential for Excellence in 2004 and reaffirmation in 2014, support from DST-FIST in 2008 and 2014, DBT-STAR status in 2014, and the prestigious Special Heritage Status from the UGC in 2015. A++ in 4th cycle of NAAC accreditation. In the 2023 NIRF (National Institutional Ranking Framework) Ranking, SJC secured an impressive 25th position. SJC's educational mission is deeply inclusive, with a marked emphasis on providing access to education for the poor, marginalized communities, first-generation learners, and other underprivileged segments of the society.

About the Department

The Department of Business Administration emerged in the year 1999 with its newly designed curriculum integrated with ICT for the year better coverage of the subject, accumulation of knowledge, attainment of skills, understanding and applicability. Our students acquire computer skills, internet skills, entrepreneurial skills, leadership qualities and learning investment tactics. Our department has been using new strategies for advanced learning such as instructional strategy, private, additional assignment of responsibility, providing access to professional learning centres. The BBA programme provides our students the opportunity to go forward in the broad range of professional directions and build sound and rewarding careers to compete effectively in today's fast paced world. We also build in the employability skills among the students and motivate them to take up calculated risk and grow as successful entrepreneurs. With our high earned potentials we are organizing a national seminar on **"Leveraging Artificial Intelligence in Business Operations"**

About the Seminar

Artificial Intelligence (AI) has emerged as a transformative force in the business landscape, offering unprecedented opportunities to optimize and revolutionize various aspects of business operations. This concept note aims to explore the integration of AI into business operations, highlighting its potential benefits, challenges, and key considerations for successful implementation. AI applications in business operations encompass a wide range of activities, including but not limited to data analysis, process automation, customer interactions, supply chain management, and predictive analytics.

Artificial Intelligence has the potential to redefine business operations by unlocking unprecedented levels of efficiency, intelligence, and agility. Successful integration requires a strategic approach, addressing challenges and ethical considerations while embracing the transformative power of AI for sustainable business growth and innovation.

"Leveraging Artificial Intelligence in Business Operations" is a platform to engage in meaningful discussions, share insights, and gain inspiration from the forefront of management innovation. Join us as we collectively envision and prepare for the challenges and opportunities that lie ahead.

BROCHURE

Selection of papers for presentation will be based on structured abstracts not exceeding 250 words. The abstract should be submitted online in word format at sjcbbaseminar2024@gmail.com. Abstracts must include a clear indication of the purpose of research, methodology, major results, implications, and key references. Structured Abstracts will be evaluated through a review process and authors will be notified of acceptance/rejection on or before 15th February 2024. Acceptance of the abstract implies that at least one of the authors will attend the Seminar and present the paper.

Awards: Best paper Awards will be given to Top three papers in the Seminar.

Publication: Selected papers of this Seminar will be published in UGC CARE listed / Scopus Indexed Journals subject to editorial & review process with an additional publication fee.

Minutes of National Online Workshop on chatGPT for students

Date: 21-07-23

Time: 4.00 PM

Venue: Sail Hall

The PG Department of Commerce CA had the National Online Workshop on chatGPT for students on 21st July 2023 at 4.00 pm. The Program started with Prayer song. Welcome address was given by **Dr.N.Maheswari**, Head of the Department of Commerce CA.

Rev.Dr.K.Amal, Secretary blessed and felicitated the gathering. He appreciated the department for conducting the workshop. He motivated the students to participate in many activities like seminars, workshops and conferences.

Dr.P.Rajendran, Deputy Principal felicitated the gathering. He discussed about the needs and usefulness of chatGPT among students.

Dr.J.Rajees, introduced the Resource person **Dr.A.Vimal Jerald**, Assistant Professor, Department of Computer Science, St. Joseph's College (Autonomous), Tiruchirappalli by providing his expertise and achievements.

The Resource person projected the importance and scope of chatGPT. He stressed on the uses of chatGPT which allows students and teachers to generate content ideas that inspire them to write essays on any topic. He briefed up the demand of the chatGPT in the educational sector at the global level. He made the participants practice the chatGPT app through his instructions. At the end of the session, pros and cons of chatGPT had been discussed by him and students clarified their doubts with the resource person.

The function came to an end at 6.15 pm with the vote of thanks given by **Dr.B.Fathimamary**, Association President of Commerce CA.

Report on ONLINE WORKSHOP ON FUNDAMENTALS OF DATA VISUALIZATION

To enlighten the students with additional knowledge of data analytics to develop their skills on par, with the existing technological environment and to get them ready for their placements. The event was organized on 20th February 2024 via Google Meet at 10:00 AM. Then started with an invocation of God's blessings and then the MC of the event P.S.Tharika of 3rd B.Com Honours got started by inviting S.Muguntha Priya of 2nd B.com Honours to introduce our esteemed resource person. This is followed by the talk of our chief guest, Ms. Kiruba Nagini who holds an MBA in Finance and HR from Pondicherry University, as well as an MCA from Pondicherry University. Currently, she is pursuing her Ph.D. in the Department of Management Studies at Pondicherry University.

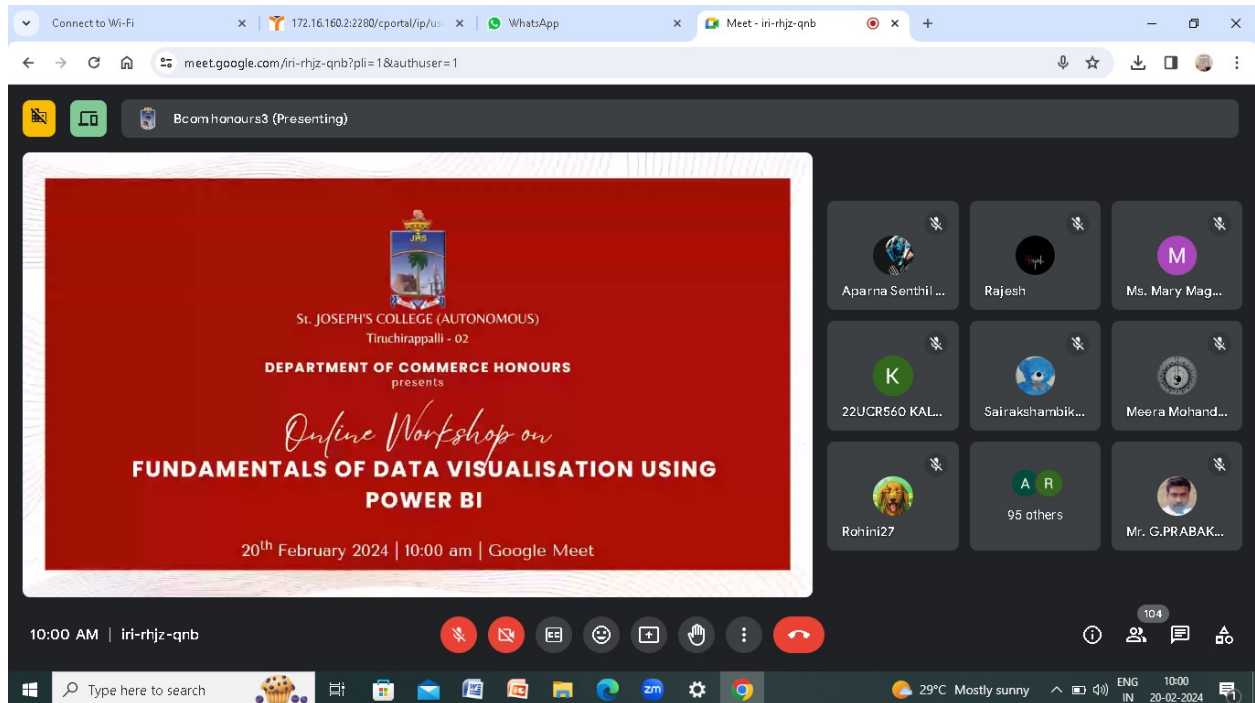

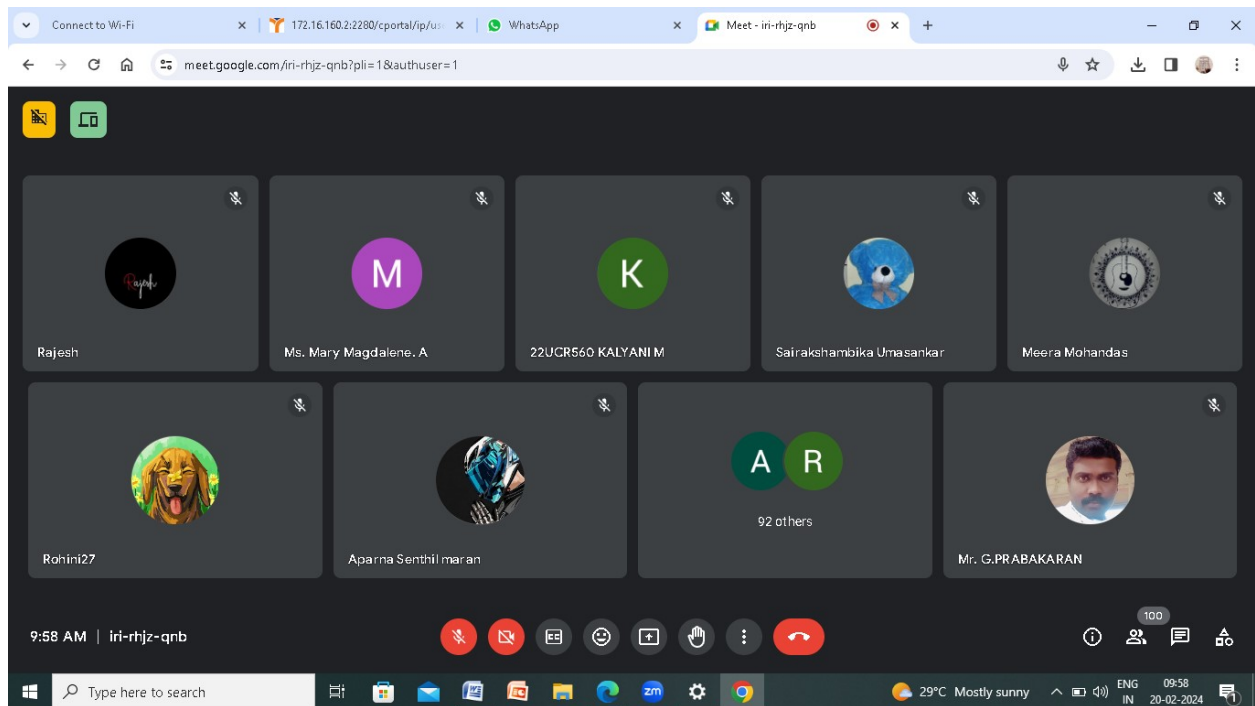

With a wealth of experience, Ms. Nagini has served as a data analytics trainer at Miles Education Pvt. Ltd. in Hyderabad and holds the position of Assistant Professor in Computer Application and Management. Additionally, she actively engages in professional consulting as a Subject Matter Expert at Upgrade Online degree Courses and serves as a CSR Consultant at Infinity Social Welfare and Research Foundation in Chennai.

Her scholarly pursuits are evident through her impressive portfolio of 14 paper presentations and publications in both national and international journals.

The Power BI workshop focused on enhancing data visualization through effective representation and manipulation techniques. It began with an overview of the ETL process, emphasizing data accuracy and relevance. Attendees learned to extract, transform, and load data efficiently, including techniques like scraping and filtering. Data preparation was highlighted, covering clearing, uploading, and verifying data integrity. Visualization building was a key aspect, with participants exploring tools for formatting and customizing visuals, including 3D and colorful charts. The importance of data accuracy and representation was stressed, with discussions on analytics elements and data formatting. The workshop concluded with dashboard creation, where attendees gained practical experience in organizing and formatting visualizations for insightful presentations. Overall, participants left with a thorough understanding of Power BI's capabilities in transforming raw data into actionable insights. Then the spectacular lecture was concluded by a vote of thanks delivered by L. Merwin Prakash of 3rd B. Com Honours which was followed by collection of feedback from the participants through google forms.

Topic : AI and ML in Business on 17.08.2023@9am

Resource Persons

Mr. D. Michael Grace Bewinson, Product Owner, AI and Engineering, Spark NZ, New Zealand

*Mr. T.J. John Gabriel, Managing Director, PROITBRIDGE,
Data Science and AI Trainer, Excel R Solutions, Bengaluru*

Data Analysis and Insights: AI can analyze vast amounts of data to identify patterns in consumer behavior, helping MLM companies tailor their strategies and improve sales forecasts.

1. **Personalization:** AI algorithms can help create personalized marketing strategies for distributors, enhancing customer engagement and retention by predicting customer preferences.
2. **Training and Support:** AI-powered chatbots and virtual assistants can provide 24/7 support to MLM distributors, offering them instant access to training resources and guidance.
3. **Lead Generation:** Machine learning can optimize lead generation processes, identifying potential customers based on their online behavior and interests.
4. **Fraud Detection:** AI can help detect fraudulent activities within MLM structures by analyzing transaction patterns and flagging anomalies.

Roles of Mr. D. Michael Grace Bewinson and Mr. T.J. John Gabriel

- **Mr. D. Michael Grace Bewinson:** As a Product Owner at Spark NZ, he might focus on developing AI products that enhance customer experiences and streamline operations within the telecom industry. His insights could be invaluable in integrating AI tools that support MLM strategies effectively.
- **Mr. T.J. John Gabriel:** As a Data Science and AI Trainer, he likely specializes in educating others on leveraging AI in various sectors, including MLM. His expertise could help MLM professionals understand how to use data analytics for better decision-making and strategy formulation.

Potential Collaborative Initiatives

- **Workshops and Training:** They could collaborate on workshops that educate MLM professionals on using AI tools for analytics and marketing.

- **Developing AI Solutions:** Partnering to create specific AI solutions tailored to the needs of MLM companies could enhance operational efficiency and distributor support.
- **Research and Case Studies:** Conducting joint research on the impact of AI in MLM could provide valuable insights into best practices and emerging trends.

This synergy between AI and MLM has the potential to reshape how businesses operate, making them more data-driven and efficient.

Topic : Cloud Computing and getting started with AWS

Resource Person:

Mr. Maheswaran, Senior Consultant, HCL Technologies, Madurai

He has discussed the following:

Cloud computing is the on-demand access of computing resources—physical servers or virtual servers, data storage, networking capabilities, application development tools, software, AI-powered analytic tools and more—over the internet with pay-per-use pricing.

Cost: You only pay for what you use, which can help lower operating costs.

Flexibility: You can access resources when you need them, without having to buy and maintain physical infrastructure.

Innovation: Cloud computing can help you innovate faster.

Collaboration: Cloud computing can help improve work processes and collaboration between employees and partners.

Efficiency: Cloud computing can help employees be more efficient with their workflows and customer service.

There are four types of cloud computing: public, private, hybrid, and community. Each type has different levels of accessibility, security risks, and costs.
