**Report on the Motivational Talk on "Cracking Competitive Exams"**

The Department of Computer Science at St. Joseph's College, Tiruchirappalli, orchestrated a compelling virtual event on February 13, 2024, centered around the theme of "Cracking TNPSC Exams." Guided by the expertise of Mr. Sundaravalan, a seasoned Revenue Inspector from Nagapattinam, the session delved into multifaceted aspects of competitive examinations, particularly those conducted by the Tamil Nadu Public Service Commission (TNPSC). With a turnout of 128 students, the event exemplified a shared aspiration among the attendees to excel in government service through diligent preparation and strategic approaches.

Mr. Sundaravalan's elucidation of the intricacies of TNPSC exams resonated deeply with the participants, who eagerly absorbed insights into the examination structure, preparation strategies, and goal-setting methodologies. From fostering a general motivation towards competitive exams to offering targeted advice on cracking the TNPSC assessments, the resource person provided a roadmap for success that transcended mere academic pursuits. Through interactive discussions and doubt clarification sessions, attendees were empowered to navigate the challenges of competitive examinations with confidence and determination.

The event's success was further underscored by the warm reception extended by Dr. A. Vimal Jerald, who welcomed both the resource person and the audience with genuine enthusiasm. Mr. A. Charles, Head of the Department, and Mr. K. J. Jesvin, III BSc, contributed to the event's smooth conduct, ensuring that every participant felt valued and engaged throughout the proceedings. As students departed with renewed vigor and clarity about their career aspirations, the motivational talk on "Cracking TNPSC Exams" served as a beacon of guidance and inspiration in their journey towards professional excellence and public service.

### **Proceedings:**

The Department of Data Science organized a motivational session on "From Aspirant to Achiever: Navigating Competitive Examinations" on February 16, 2024, from 03:15 PM to 04:30 PM. The event took place at the MCA Seminar Hall and was attended by students from the Data Science department and other CS department

The session commenced with a prayer offered by Ms. Roselin of I M.Sc. Data Science, invoking Almighty God's blessings upon the gathering. Following the prayer, Mr. Naveen of I M.Sc. Data Science extended a warm welcome to all attendees

Dr. I. Priya Stella Mary, Assistant Professor in the Department of Data Science at St. Joseph's College (Autonomous) Trichy, introduced the esteemed resource person for the event, Mr. R. Vijayalayan, Founder & CEO of NR IAS Academy, Tiruchirappalli.

Dr. L. Arockiam, Head of the Department of Data Science at St. Joseph's College (Autonomous), honored Mr. R. Vijayalayan with a shawl as a gesture of respect and gratitude for his presence and valuable insights. Dr. V. Arul Kumar, Assistant Professor in the Department of Data Science, presented a memento to Mr. R. Vijayalayan in appreciation of his contribution to the session.

Mr. R. Vijayalayan shared his invaluable insights with the students, focusing on various aspects of competitive examinations. He covered topics such as an introduction to competitive examinations, their importance, advantages, purposes, and provided a detailed overview of various competitive exams in India. Additionally, he offered guidance on the steps to crack these exams, providing valuable strategies and tips for success.

The session was highly interactive, with students actively participating by posing questions and engaging in discussions. Mr. Vijayalayan provided comprehensive answers and insights, enriching the learning experience for all attendees.

Overall, the motivational session served as a platform for students to gain valuable knowledge and inspiration to navigate competitive examinations successfully. It provided them with a deeper understanding of the examination process and equipped them with essential strategies for achieving their goals.

**REPORT**

The CAT (Common Admission Test) is a highly competitive examination that serves as a gateway to premier management institutes in India. To provide students with effective guidance and resources for CAT preparation, the TIME (Triumphant Institute of Management Education) Institute has established itself as a leading coaching center.

The TIME Institute has a solid reputation for providing high-quality coaching for various competitive exams, including CAT. Established in 1992, the institute has grown to become one of the most trusted names in the education sector. Their CAT preparation program is designed to equip students with the necessary skills and strategies to excel in the exam.

The seminar included an interactive Q&A session, allowing students to directly interact with the speakers from TIME Institute. This provided an opportunity for students to seek clarification on specific topics, share their concerns, and receive personalized advice.

The Seminar on CAT Exam Preparation by TIME Institute was a resounding success, offering students a comprehensive understanding of the CAT exam and equipping them with the necessary tools to excel.

**REPORT**

The seminar on TANCET (Tamil Nadu Common Entrance Test) Exam Preparation, organized by our department, aimed to provide valuable insights and guidance to students aspiring to excel in the TANCET examination. The event was conducted in collaboration with TIME Institute, a renowned coaching institute with a proven track record in preparing students for competitive exams.

The primary objective of the seminar was to equip students with effective strategies and tips to enhance their preparation for the TANCET exam. The session focused on various aspects of the examination, including the syllabus, exam pattern, and time management skills.

The seminar featured a distinguished speaker from TIME Institute, a leading expert in the field of competitive exam coaching. The speaker brought a wealth of knowledge and experience, providing valuable insights into the TANCET exam and its nuances. The interactive session allowed students to clarify doubts and seek guidance directly from the expert.

The speaker provided a comprehensive overview of the TANCET exam, including its significance, eligibility criteria, and the range of postgraduate courses it covers. A detailed discussion on the TANCET syllabus and exam pattern helped students understand the structure of the examination. The speaker highlighted key topics and areas of focus for each section.

The seminar concluded with an interactive Q&A session, allowing students to seek clarification on any doubts or concerns they had regarding the TANCET exam. The seminar on TANCET Exam Preparation by TIME Institute proved to be a valuable resource for students aiming to excel in the competitive examination.

Report on Value Added Course in Quantitative Aptitude

**Date of Report:** Feb 20, 2024

The Inauguration of the Value Added Course in Quantitative Aptitude initiated by the Department of Commerce Honours at St. Joseph's College on January 19, 2024, at the Sail Auditorium, marked a pivotal moment in enriching the academic curriculum and preparing students for competitive and entrance examinations. The event commenced with the felicitation of Dr. F.R. Alexander Pravin Durai, Head of the department, and the inaugural address by Dr. A. Praveen, Associate Professor from the PG & Research Department of Mathematics, the esteemed resource person who emphasized the paramount importance of Quantitative Aptitude in various competitive exams such as CAT, MAT and other competitive examinations, highlighting its indispensable role in bridging the gap between academic knowledge and industry requirements. The event witnessed enthusiastic participation from faculty members and students, reflecting a collective eagerness to embark on this educational journey.

The 30 hours course is meticulously designed to equip students with essential quantitative skills essential for success in diverse examinations and real-life scenarios. Covering topics ranging from averages, percentages, profit and loss, time and work, interest calculations, to data interpretation, each unit is intricately structured to foster comprehensive understanding and practical application.

Upon successful completion of the course, participants receive certificates augmenting their credibility in the job market. The fee for the Value Added Course in Quantitative Aptitude stands at Rs. 500 plus 18% GST. As of February 20, 2024, the course has made steady progress, with 52 student beneficiaries actively engaging in learning activities and practical exercises. The course is expected to conclude tentatively by March 30, 2024.

Dr. A. Praveen's expertise and pedagogical approach have significantly enriched the learning experience, creating a conducive environment for knowledge acquisition and skill development. Through comprehensive training and certification, students are equipped with the necessary skills and expertise to excel in their professional careers and clear competitive examinations. The ongoing success of the course underscores the dedication of Dr. A. Praveen and the Department of Commerce Honours in fostering practical skill development and enhancing employment opportunities for students.
