Disclaimer: All information is accurate at the time of sharing. Full time Courses starting in 2023 are primarily delivered via on-campus face to face learning but may include elements of online learning. We continue to monitor government and local authority guidance in relation to Covid-19 and we are ready and able to flex accordingly to ensure the health and safety of our students and staff. Our online activity will be delivered through Blackboard Ultra, enabling collaboration, connection and engagement with materials and people.

Throughout your studies you may wish to get involved in additional activities, some of which may include field trips, purchasing materials, joining societies, or joining professional bodies where memberships fees are charged. Where costs are significant they are listed as a guide, however be mindful that the cost of some items may rise throughout the duration of your studies.

The library collection provides access to all books and other references in module reading lists, however some titles are also advised for student purchase. Some programmes/courses have mandatory or optional additional fees costs – any additional fees costs for your course programme and general costs are highlighted below:
