About your offer

Your offer has been made based on the information provided in your application form or at interview. The omission of information or the supply of inaccurate information may invalidate the offer.

Your conditions may include qualifications you have already achieved, so existing grades should be deducted to determine what is needed in your upcoming exams. Once you receive your results, please upload them to myHub (https://evision.bournemouth.ac.uk/urd/sits.urd/run/siw_lgn).

When we receive your results, we will let you know if you have met the conditions of your offer and if you have been accepted onto your course. In some circumstances, if you don't meet your conditions, we may still offer you a place if we see potential in other areas of your application.

We will ask you to show all original qualification certificates at enrolment (unless you completed your degree at BU). Certificates must be officially translated if not originally in English. If you've lost your certificates you may be able to request replacements, please see the government's website (<https://www.gov.uk/replacement-exam-certificate>) for more information.

Course Information

You will find detailed information about the structure of the course (such as which units you will study and how you will be assessed) in the Programme Specification (<https://intranetsp.bournemouth.ac.uk/Documents/progspecschools.aspx>). You can save a copy of the document from the link so that you have a permanent record.

Applicants with a criminal record

If you choose to accept our offer you will be asked to declare if you have any relevant criminal convictions. Please log in to myHub (https://evision.bournemouth.ac.uk/urd/sits.urd/run/siw_lgn) for full details of what needs to be declared and why, and to complete the declaration. We reserve the right to treat your offer or place on the course as withdrawn (ending any student agreement) if BU determines that you have a conviction on your record that stops you from meeting course requirements or creates any risks to you or others which cannot be appropriately managed within the BU environment in accordance with our 3E Admissions Policy for Applicants with a Criminal Record (<https://www.bournemouth.ac.uk/students/help-advice/important-information>).

Applicants with Disabilities and/or additional learning support needs

If you choose to accept your offer, we will ask you to tell us about any disability, learning or other support need you have which may be relevant to your time within the university environment. BU is

committed to creating accessible and inclusive experiences for its students, but we need your help to achieve this.

Any information you provide will be used by the University to assess the range of support you may need and put appropriate adjustments in place where possible. In the unlikely event that you will be unable to complete mandatory course requirements and the University is not able to make reasonable adjustments, it may be necessary to withdraw your offer to study and/or place on the course. Please see our Admissions Policy and Procedure for Applicants with a Disability, Medical Condition or Other Support Need (<https://www.bournemouth.ac.uk/students/help-advice/important-information>).

Before accepting an offer of a place at the University, please contact the University's Additional Learning Support (ALS) service (<https://www.bournemouth.ac.uk/why-bu/student-wellbeing/additional-learning-support>) to help you make an informed decision about what support may be available if you accept your offer.

Student Agreement

The Student Agreement forms the basis of the contractual relationship between you and us and includes information about payment of tuition fees, what happens if you are not able to submit an assignment and more. You will find the current Student Agreement attached to your offer email - please read through this Agreement before you accept your offer. We reserve the right to treat your offer as withdrawn if the terms of the agreement have not been met.

Your offer has been made in accordance with our admissions policies which can be found on our website, along with a link to the BU Student Agreement and all our rules and regulations, at www.bournemouth.ac.uk/important-information (<http://www.bournemouth.ac.uk/important-information>). The Student Agreement is updated annually. When you register to start your studies at BU, you will enter into an up to date Student Agreement with us. This version of the agreement is likely to differ in some respects from the Student Agreement attached to this offer letter (however any significant changes to your programme or to fee levels would be separately notified to you prior to registration).

Tuition fees and funding

A breakdown of the 2023/24 tuition fees is attached. This includes additional charges that may be incurred during your studies. Fees for students commencing courses in 2024/25 have not yet been set. Please note that tuition fees are subject to confirmation in response to changes in government policy.

You should be aware that your tuition fees, funding and accommodation fees will be subject to the rates for your year of entry shown on your offer letter, not the year that you apply.

Our records show that you are required to pay fees at the rate for **Overseas** students as indicated by the information you provided on your application form. Please be aware that your fee status is subject to change if BU finds that you are required to pay fees at an alternative rate. Please contact us immediately if you believe this to be the case. Your offer may also be subject to additional conditions in order to be compliant with the UK Visas and Immigration (UKVI) English language regulations (<https://www.gov.uk/student-visa/knowledge-of-english>).

BU offers a wide range of financial support. You can learn more about your options at [www.bournemouth.ac.uk/pg-funding](https://www1.bournemouth.ac.uk/study/postgraduate/fees-funding) (<https://www1.bournemouth.ac.uk/study/postgraduate/fees-funding>).

Please note that you will be required to pay travel costs to and from your placement (whether this is in the UK or overseas). Information about funding your placement year can be found on our website at www.bournemouth.ac.uk/placement-year-funding (<https://www.bournemouth.ac.uk/placement-year-funding>).

If your employer is paying your fees, please ask them to complete the Sponsorship Authorisation form (<https://www.bournemouth.ac.uk/sites/default/files/asset/document/fees-sponsorship-form.pdf>). We can then issue your employer with an invoice which will need to be paid prior to the course starting. Sponsors can pay your tuition fees on your behalf by selecting any of the payment methods (<https://www.bournemouth.ac.uk/study/postgraduate/fees-funding/fees-paying-your-tuition-fees>) listed in the Online Registration system.

Studying in the UK

It is important that you check whether you require a visa or entry clearance to study in the UK. It is your responsibility to arrange your student visa or to apply for entry clearance if required. **Please note that this letter cannot be used for visa purposes and you will be issued with a Confirmation of Acceptance for Study (CAS) only after you have met all the conditions of your offer and completed your clearance checks.** You can only apply for your UK visa after you have received your CAS, and from six months prior to the start of your course. If you have any questions about visas or entry clearance please email the International Admissions Team at iat@bournemouth.ac.uk (<mailto:iat@bournemouth.ac.uk>).

You can also find out more about being an overseas student at Bournemouth University at www.bournemouth.ac.uk/international (<http://www.bournemouth.ac.uk/international>).

Deposits will only be refunded if you cannot meet the academic or English conditions of your offer or if you are not granted a visa to come to the UK (subject to reasons of refusal) or you cancel your contract within 14 days of accepting our offer (see www.bournemouth.ac.uk/important-information (<https://www1.bournemouth.ac.uk/students/help-advice/important-information>)). Proof will be required before any refund will be made. The remainder of the fees are payable in advance or on arrival at the University.

Graduation

Our graduation ceremonies are normally held annually in November. Courses where final results are not confirmed by the end of September in a given year will graduate in the following year.

Contact us

If you have any questions about your course or the offer we have made you, please contact us (<https://www.bournemouth.ac.uk/about/how-contact-us>) and we will be happy to help.

We're looking forward to welcoming you to BU.

You can find out more about how this works at dmu.ac.uk/criminalconvictiondeclarations

Disability support: We are committed to providing equality of access to all applicants and students, including those with disabilities. In this context disabilities include any long-term conditions that impact on your studies, including specific learning differences such as dyslexia, mental health conditions and autistic spectrum disorders. If you think this applies to you, or are unsure, tell us as soon as possible, so we can arrange to discuss your requirements and determine the most appropriate support or adjustments. You can email disability@dmu.ac.uk or wellbeing@dmu.ac.uk

Additional costs: You might have to pay extra for some things linked to your course – for example, to buy study materials, to cover the cost of printing documents, and fares when you're travelling to placements. To find out more, visit dmu.ac.uk/courses. We are committed to supporting students and firmly believe that finance should not be a barrier to accessing university education - if you need more information about fees and funding, visit dmu.ac.uk/funding

We will use the email address on your application to send any additional communications, so be sure to monitor your inbox. We also recommend you regularly check your spam folder, just in case anything is delivered there.
