## **Online FDP on TallyPrime**

### **About JITE**

St. Joseph's Institute of Tally Education (JITE) came into existence on 19-3-2019 by signing an MoU with Tally Education Private Limited (TEPL), Bangalore. As a skill development centre, JITE envisages to train students in TallyPrime - accounting software. The Principal of St. Joseph's College, Rev. Dr. M. Arockiasamy Xavier, S.J. is the Director and Dr. G. John is its Centre Head, administering the day-to-day affairs of the institute. JITE offers Certificate Courses in TallyPrime, both for in-campus students and outsiders, throughout the year in batches. More than five hundred students have received Tally Certification so far.

### **About TallyPrime**

TallyPrime is an Accounting Software widely used in India and abroad by almost all small and medium size concerns and business houses for maintaining accounts. Tally Solutions Ltd., is the developer of this software. Today, three decades since it was founded, Tally's product caters to millions of users across industries in over 100 countries. Earlier it was called Tally ERP-9 and the same was rechristened as TallyPrime from November 2019. As Tally received wider acceptance from business communities, the software maker had floated a sister concern called Tally Education Private Ltd., (TEPL) which takes care of training of personnel with Tally operating skills. They offer training and certify Individuals in TallyPrime.
