ST. IGNATIUS OF LOYOLA

Message from Rev. Fr. Rector

Warm Greetings!

St. Joseph's College (Autonomous) is entering its 181st year of academic excellence. It's a proud moment to look back at the several achievements of the institution during the past year. The various departments have organized innumerable events and added feathers to the crown of the college. It's a memorable moment to record all of them in the college magazine JOSEPHITE. The dedicated team of editors has done a meticulous job of having compiled and beautifully presented them in the magazine. Reading through these pages of this magazine would give our readers a happy sojourn, I am sure.

I extend my hearty congratulations to the editorial team on the publication of this magnificent magazine. May it continue to showcase the talents and achievements of our college community. Your efforts towards this outstanding achievement are commendable. Productions like this magazine will, I am sure, inspire and motivate our students, staff and all the readers to strive for excellence. The hard work and dedication of the team have truly paid off.

As we flip through the pages of this magazine, we are reminded of the incredible talent, creativity and passion that exist inside our college walls. We as staff and students need to keep shining and never stop exploring our potential. May this magazine remain a testament to the power of team work, perseverance and innovation. May it inspire our students to chase their dreams and make a positive impact in the world.

As we, through this annual magazine, celebrate a milestone of our college, we are filled with pride and excitement for the future. May this magazine continue to be a platform for our staff and students to express themselves, share their ideas and showcase their abilities.

I appreciate and thank the editorial team, contributors and everyone involved in creating this amazing magazine. As the Rector of this institution, it warms my heart to see a galaxy of achievements of our staff and students exhibited through this magazine. Keep up the fantastic endeavour ! May this magazine remain a source of inspiration and motivation for years to come.

Message from Rev. Fr. Secretary

Greetings!

Nelson Mandela once said, “Since we have achieved our freedom, there can only be one division amongst us: between those who cherish democracy and those who do not.” These profound words compel us to reflect on our role in sustaining the fabric of democracy. To truly cherish democracy, we must become critical thinkers who discern truth from falsehood, identify biases, and courageously question the injustices that persist in our society. This is not merely an intellectual exercise but a fundamental human moral responsibility to ensure that freedom and equality flourish in our times.

In today’s complex world, where information abounds yet wisdom often falters, where connectivity thrives yet genuine relationships wane, where opportunities multiply yet inequities deepen, and where progress accelerates yet ethical considerations lag, Jesuit education seeks to form individuals who rise to this challenge. Rooted in the Ignatian tradition of holistic education, our pedagogy emphasises academic excellence, ethical values, and a deep commitment to serving others. Jesuit education envisions men and women for others who are not just professionals but also compassionate leaders, armed with the skills to adapt and the empathy to act. In this age of Artificial Intelligence (AI), it is imperative that we nurture individuals who can leverage technology while upholding human dignity and values.

The challenge lies in the growing competition between natural stupidity and artificial intelligence. As the world struggles to bridge this gap, St. Joseph’s College stands as a beacon of hope. With state-of-the-art intellectual infrastructure, dedicated faculty, and innovative learning methodologies, we prepare our students to navigate this tough terrain. From fostering critical thinking and creativity to promoting ethical AI use, we ensure that Josephites remain relevant and resilient.

The journey ahead for St. Joseph’s College is not without challenges. However, as an institution committed to remaining at the forefront of education, we must continually innovate to address the dynamic needs of our students in an ever-evolving world. Balancing tradition with modernity, safeguarding academic freedom, and fostering a culture of critical inquiry in an era of polarised ideologies demand resilience and ingenuity.

With faith in our mission and hope for the future, let us continue our journey towards empowering young minds to lead with integrity, wisdom, and compassion! May our patron, St. Joseph, guide us to greater heights!

Message from Rev. Fr. Principal

Greetings!

With deep gratitude and pride, I am honoured to reflect on the enduring legacy and remarkable journey of St. Joseph's College down the years. At the heart of this great institution, where time-honoured traditions converge with a visionary future, the previous academic year has once again been marked by growth, achievements and unwavering commitment to excellence. The protective care and steadfast guidance of our patron, St. Joseph, continue to foster the growth of this institution, shaping and enriching the lives of our students.

I am deeply moved by the outstanding contributions of our faculty, staff and students, whose collective efforts set new benchmarks of excellence in education and holistic development. The achievements of various departments, clubs and centres of excellence highlight our college community's steadfast commitment to intellectual development and distinction. From academic breakthroughs and research to triumphs in sports, cultural events, and community service, these accomplishments reflect the core of Jesuit education—rigorous academic quality coupled with a deep sense of social responsibility.

Equally inspiring is the continued pursuit of innovation within the classroom and beyond, as our faculty members explore new pedagogical methods and research frontiers. The vast array of workshops, conferences, and seminars conducted throughout the year has fostered a culture of continuous learning and collaboration, further enriching the academic environment of our college.

Looking ahead, I am filled with a sense of enthusiasm and optimism. The road to greater achievements is long, but the foundation laid by those before us ensures that we will march forward with confidence and purpose. Together, as a united Josephite family, we will continue to push the boundaries of excellence in every endeavour, always mindful of our commitment to serve society with integrity, compassion and intellectual prowess.

I sincerely thank everyone who has contributed to this trip, and I'm looking forward to many more accomplishments down the road.

I want to sincerely thank Dr. M. John Britto and his staff for their hard work in producing this yearly publication.

EDITORIAL

We feel extremely delighted to present the 111th issue of the college annual magazine, *Josephite 2023-2024*. This issue reflects the remarkable journey that defined the academic year 2023-2024, marked by accomplishments, growth and milestones that continue to shape and enrich the legacy of the institution. The magazine not only captures the moments of achievements but also embodies the true spirit of the college, guided by the Jesuit ideals of intellectual excellence, creativity, service to humanity, and holistic development of students, encapsulated in the motto, *Pro Bono et Vero*—for the good and the true. It seeks to serve as a mirror of our pursuit to become individuals, who are not only skilled and knowledgeable but also deeply attuned to the needs of society and the world around us.

In this regard, I would like to extend my thanks to all who have played an instrumental role in bringing out this edition. I am deeply grateful to the college management for their support and encouragement throughout the process. I offer my sincere gratitude to Rev. Dr. S. Mariadoss SJ, Principal, for his constant encouragement, guidance and invaluable feedback, which have been pillars of support in making this magazine a success. My deepest appreciation goes to the members of the editorial team, whose cooperation has brought this endeavour to fruition.

I would also like to acknowledge the contribution of Dr. Rose Venis, Dean of IQAC, Dr. R. Qurshid Begum, Additional Dean of IQAC, and Mr. Venakatesh for providing the data needed for the magazine. A special mention goes to Mr. I. Christhuraj and Mr. A. Ukkirapandian for their meticulous work in compiling and collating the data. I extend my gratitude to Dr. S. Jerald Sagaya Nathan, Ms. Annie Rose, Mr. Nepolian, Mr. S. Ignatius Richard, Dr. A. Ezhugnayiru, Mr. A. Ukkirapandian and Dr. J. Benjamin Aron Titus for proofreading the documents. In a special way, I thank Dr. S. Sajeev, Associate Editor, whose collaborative spirit and unwavering support made this journey smoother and more fulfilling. His efforts have been truly exceptional, and working with him has been a pleasure. Lastly, I extend my sincere thanks to Mr. S. Naveen Romario (22UEN101) for designing the photos, and Mr. A. Jerome for his excellent work in formatting and designing the magazine.

Fathers and Brothers of the college management; all the administrators and officials; distinguished members of the faculty and non-teaching friends; beloved principals and teaching fraternity from neighbouring colleges; Professors of yesteryears; alumni and alumnae of our college; members of the press; beloved students; ladies and gentlemen. A splendid welcome to the grand celebration of our 180th College Annual Day.

We stand at the precipice of great heights, surrounded by the echoes of our past triumphs and the boundless potential of our collective future. With a changing educational scenario catalysed by the conquest of artificial intelligence and rapid techno-centric advancements, St. Joseph's College has been prophetic as it envisions such change in its transformative mission. The college has incorporated a judicious appropriation of tradition and modernity, and marches again in newer dimensions of teaching, learning and evaluation with a focused development on technology-based learning, remote learning and interdisciplinary research, creating a strong ecosystem of innovation and start-up. The *Ignatian Magis*, the driving force of the institution, accelerates a positive transition witnessed in academics, research and extension, and the college has creatively engaged the potential of faculty and students, enhancing their competencies through various training programmes and expanding its networks and collaborations with premier educational institutions and industries in India. The annual report that follows enumerates the achievements of the college that stand as a testament to our promise of sustained excellence.

Outstanding Accomplishments

Vasanth Karthick Bharath, a student of III B. Com Honours, cleared the Financial Management and Audit and Assurance ACCA paper with 82 and 90 marks in the June and December sessions held by ACCA, UK. With his outstanding aptitude in accounting and auditing, he obtained the first position globally for the Audit and Assurance ACCA exam held in the December 2023 session. The sheer scale of students' participation from 178 countries across the globe highlights not only his mastery of complex concepts but also underscores his ability to apply theoretical knowledge to real-world scenarios with precision and acumen. The Rotary Club has honoured Mr Vasanth Karthick with the Top Notcher Award.

R. Sai Siddharth of II BBA won the Gold Medal in the 100 mts. Dash in the All India Inter University Athletics Championship held among 1113 Universities in India, at the Tamilnadu Physical Education and Sports University, Chennai.

Mr. J. Camilton, Assistant Professor of the Department of Commerce Honours, has cleared the Financial Reporting paper of the ACCA examination held in the September 2023 session.

IQAC

The college reached another milestone in its journey towards academic excellence when it was ranked 25th by NIRF 2023. Identifying the need of the time, the IQAC organised Orientation Programmes and Faculty Development Programmes for the teaching staff on areas such as Sustainable Development through Research, Entrepreneurship and Start-ups, Interdisciplinary Research, Writing for Research Publications and Projects, Publication Metrics, Patents and Consultancy. It organised Skill Development programmes on ICT Skills and Awareness programmes on Health and Hygiene for the non-teaching staff.

The IQAC submitted data for the University Triennial Inspection Commission and organised the External Academic Audit for the previous academic year. The internal annual academic audit was conducted between the 4th and 12th of March 2024. The IQAC also organised an international student meet in which students from Germany interacted with the students of our college. It has facilitated the completion of Google Certification courses by 1040 students. The IQAC has submitted data for NIRF 2024 and India Today Ranking 2024.

St. Joseph's Institute of Management (JIM)

The faculty members had retreat on 08th, 09th and 10th of June, with 'interpersonal relationship' being the theme of the retreat. The department organised a series of training programmes such as:

Funding from External Agencies

A grant of Rs. 3,00,000 was awarded to SHEPHERD by TNSCST for the conduct of the Young Student Scientist Programme. Dr M. Julias Ceasar has been sanctioned an ICSSR funded project to the tune of Rs. 2,00,000. The departments of Computer Science, B

Com Honours, Physics, and Tamil received grants to the tune of Rs. 7,69,500.

Doctoral Research

208 research scholars are pursuing their doctoral research in 13 research departments. 46 scholars enrolled for doctoral research this year.

Patents

The college has been marching towards excellence in IPR activities. 15 members of the faculty have applied for 5 international and 6 national patents. 13 members of the faculty have been granted 7 international patents and 4 national patents. Dr S. R. Senthil Kumar has got 2 patents granted by the United Kingdom and 2 by Germany.

Joseph's Start-up Centre (JSC)

JSC caters to the needs of the growing importance for start-up inside the campus. In collaboration with the IQAC, JSC organised an FDP on Applying for Patents. Financial support to the tune of five lakhs is granted by the Management to the faculty applying for patents.

Investing in cutting-edge technology, JSC procured a state-of-the-art Bambulabs 3D printer X1 series to enhance its prototyping and manufacturing capabilities. The P10 display plays a pivotal role across all departments, serving as a valuable tool during seminars and events.

JSC has signed an incubation agreement with Matz PCB Pvt. Ltd. The centre has grown to accommodate 3 start-ups by Students, one by alumni and two by the faculty. The consultancy wing of JSC received a boost with the addition of SPSS consultancy services by the Statistics Department. The Start-up Committee visited the Start-up Centre of Anna University and an MoU is to be signed in April 2024. The centre employs two students under the "Earn While You Learn" scheme.

SJC - IPR Cell

As a measure to encourage the faculty applying for patents, the college has signed an MoU with Trinity Patent Solutions for a bundle offer for getting 10 patents granted. The IPR Cell assisted faculty members through the process by conducting prior art searches.

Applications of the faculty for 9 patents were reviewed and selected for the free patent facilitation scheme.

QUALITY AND SKILL ENHANCEMENT OF STUDENTS

Incubation and Innovation Cell

The Incubation and Innovation Cell organised Ideathon 2024 to foster and exhibit the inventive capacities of the students. 24 teams from St. Joseph's College and 17 teams from other colleges participated in "Innovathon 2024", a National Level Innovation contest jointly organised by the Innovation Cell and Research Committee of the college.

PU – SJC MBA Twinning Programme

The Graduation Day of Pondicherry University and Society of St. Joseph's College MBA Twinning Programme was held on 9th September 2023 in which 168 graduates belonging to 2017, 2018 and 2019 batches of MBA Twinning Programme received their degrees. 122 students have enrolled for the programme in 2023.

Retiring Staff: Teaching & Non-Teaching Staff

I express my sincere gratitude to the following retiring staff members for their commendable services to the college.

Mr. A. Charles, Associate Professor & Head, Department of Computer Science

He began his career as a Programmer at Christian Medical College, Vellore, and later as a Lecturer at Rathinavel Subramaniam College, Coimbatore. In 1988, he joined St. Joseph's College, Tiruchirappalli, as

a Lecturer in Computer Science. During his tenure, he served as NSS Programme Officer, Coordinator for Computer Science (Shift-II), and Purchase Officer. His notable contributions include developing software for salary processing and examination seating arrangements. He chaired question paper settings and conducted exams as Chief Superintendent. He retired in June 2023, with reemployment until April 2024. We wish him a happy, peaceful and fruitful retired life.

Dr. K. Rajan, Associate Professor of Zoology

He joined St. Joseph's College as a Lecturer in 1999. He contributed significantly as Vermicompost Yard In-charge, generating revenue, and as Assistant Director of Fr. Newton Museum, where he managed cultural preservation projects. With 30 research papers, three books, and extensive consultancy, Dr. Rajan mentored over 60 postgraduate and M.Phil. students. His achievements include organizing 12 workshops, attending 166 conferences, and receiving four prestigious awards. We wish him a joyful and peaceful retired life.

Mr V.S. Joe Irudayaraj, Associate Professor of Computer Science

He joined St. Joseph's College in 1989 and served in various leadership roles, including Coordinator for Fine Arts, B.Voc. programmes, and Shift 2 (Computer

Science). His leadership in the Fine Arts team led to college victories in numerous cultural competitions. He contributed as Chairman for paper evaluation, question setting, and recruitment boards, and served in multiple committees and spiritual programmes. He was also involved in personal counseling, stage direction, and parish activities. We wish him a serene and happy retired life.

**Dr D. Ravindran, Vice-Principal
& Associate Professor of Computer Science**

He has served St. Joseph's College for over three decades. His career began in the newly formed Department of Computer Science in 1988, where he became an Associate Professor and later held leadership roles, including Dean of the School of Computing Sciences (2013-2017) and Vice Principal (Academics) from 2022. He contributed significantly to NAAC accreditations, developed software for the Online Examination System, and led the approval for the MCA programme. We bid adieu to this hard-working teacher and wish him a happy, healthy and contented retired life.

**Mr. D. Amalraj,
Special Grade Laboratory Assistant**

He joined the College as a Laboratory Assistant in 1990, serving in the Departments of Botany, Physics, Computer Science, and the College Office. He held key administrative roles, including Secretary and President of the Non-Teaching Staff Association. He is currently

the State General Secretary of the Aided Colleges Lab Assistant Welfare Association. Actively involved in charitable work, he organized medical camps, planted 65,000 saplings, and supported students through tuition and financial aid. He received an honorary doctorate from Tamil University, USA, for his voluntary services. We wish him a happy retired life.

NEW PROGRAMMES

As yet another initiative towards academic diversity, the college is launching two new commerce-based programmes in the academic year 2024-25. These are (i) B Com Business Analytics in partnership with the Institute of Analytics (IOA, UK) and International Skill Development Corporation, Bangalore and (ii) B Com Strategic Finance with Certified Management Accountant (US CMA) in collaboration with Miles Education, Bangalore. The students of these programmes would get certified in accounting and analytic skills by writing global-level proctored

examinations. The Department of Commerce Honours would mentor these two programmes. The College also introduces BSc Artificial Intelligence & Data Science, and MSc Business Intelligence, mentored by the Department of Computer Science, and MSc Visual Communication, mentored by the Department of Viscom.

To conclude, let us reaffirm our commitment to the values of excellence, innovation and service that have shaped St. Joseph's College. I sincerely thank everyone who has contributed to our achievements this year. Together, with hope and determination, let us continue to build a brighter future, advancing our mission of quality education and holistic development.

Thank you.

Antony Diwakar Chandran, the president of the Biochemistry Association, introduced the speaker. Dr. Azad, Principal Product Scientist, Perkin Elmer India Private Limited, New Delhi, delivered a lecture on the ethical aspects of animal imaging without sacrificing animals.

The third meeting of the Biochemistry Association was held online on 7th September 2023. It was presided over by Dr. P. Rajendran. A lecture on "Animal Models in Research and Management of Animal Experimentation" was delivered by Dr. Sathyavani, Senior Technical Officer III at NIN Animal Facility, Hyderabad. PG students of the Department of Biochemistry attended the meeting.

The fourth meeting was held on 13th September 2023. Dr. A. Antonsamy, Associate Professor of Biochemistry, Wollega University, Nekemte, Ethiopia, spoke on “Transforming Cardiovascular Diseases

Management Through Genomics.” Faculty members and postgraduate students from the departments of Biochemistry and Biotechnology attended the event.

The valedictory event of the Biochemistry Association was held on 7th March 2024. Dr. S. R. Senthil Kumar, Head of the Department of Botany, presented a lecture on "Innovation in Biological Research." The students of the departments of Biochemistry and Biotechnology attended the event.

Workshop on Histopathology

A hands-on workshop on Histopathology (HITECH 24) was held on 27th February 2024. It was attended by 71 students from other colleges and 40 students from the department of Biochemistry.

Endowment

Dr. M. Patrick Gomez, the founder and former head of the Department of Biochemistry, instituted an endowment worth two lakhs in memory of Rev. Fr. Louis Marie Leveil.

National Conference

A two-day national conference titled "Advances in Artificial Organ Development and Drug Discovery" (AAODD-23) was organised on 20th and 21st September 2023. The chief guest, Dr. Subramaniya, CEO of Reagene Biosciences Pvt. Ltd., Bangalore, received the conference proceedings released by Rev. Fr. Principal. The first invited talk was delivered by Dr. Akbarsha, General Secretary of the Society for Alternatives to Animal Experiments (SAAE-I), India, followed by Dr. K. Premkumar's presentation on "Role of Genotoxicity Testing in Drug Discovery." The second day of the conference began with a talk by Anil Kumar P.R., Scientist G at Sree Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum, on "Shifting 3D Cultures – Opportunities and Challenges." This was followed by a presentation by Dr. G. Mathan, Associate Professor of Biomedical Science and Director i/c of the Dr. Ambedkar Chair at BDU, on “Advantages of Invitro Cell Culture Techniques in Cancer Drug Discovery.” The conference featured 16 oral presentations and a poster session judged by Dr. K. Rajan and Dr. Egbert Selwin

Rose. The valedictory ceremony, which was presided over by Dr. P. Rajendran, Deputy Principal of SJC, included the distribution of prizes and certificates.

Patent Achievement

Dr. P. G. Geegi, in collaboration with scientists from four other Indian institutes, received a UK patent for a diagnostic kit for detecting pneumonia infections.

Parent-Teacher Meeting

A parent-teacher meeting was held on 3rd February 2024. It was attended by 16 students' parents, who praised the department's infrastructure and teaching quality.

Alumni Meet

The alumni meet of the 2019-2021 batch took place on 17th February 2024, with eleven alumni in attendance, including prominent alumni such as Ms. Shritilekha Dash, Ph.D. Scholar in IIT, Gandhinagar, Gujarat, and Ms. N. Kalaivani, Police Constable, Tamil Nadu Police, Chennai.

The 2020-2022 batch alumni meet was held on 18th February 2024. It was attended by eighteen alumni, including Ms. A. Uma Devi, Ph.D. Scholar at VIT, Vellore, P. Backya Lakshmi, Assistant Professor, Indra Ganesan College of Paramedical Sciences, Trichy, Ms. S. Subasri, Assistant Professor, Nallantha College of

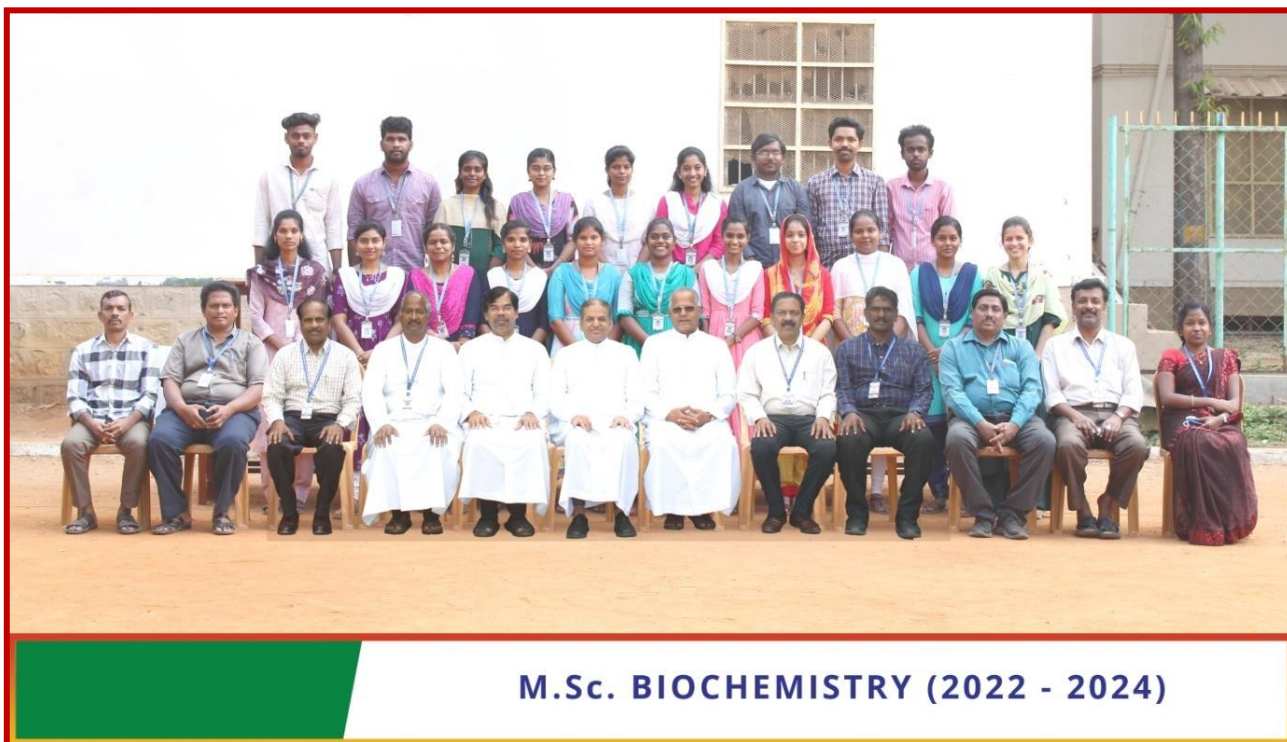

Agriculture, MR Palayam, Trichy District, Ms. Rachel Mary Clementina, Assistant Professor, Krishna College of Pharmacy, Irungallur, and Mr. L. Jayakumar, medical coding executive, and G. Arunkumar, cash collector in a private Bank.

FACULTY ACHIEVEMENTS

Mr. A. Benno Susai Vijayakumar authored a chapter titled "Phospholipase Signaling in Inflammation and Promiscuity of Phospholipase Active Site Ligands" in the book Phospholipases in Physiology and Pathology, Vol. VI, published by Stacy Masucci Academic Press, India.

STUDENT ACHIEVEMENTS

Two II PG Biochemistry students, Nasreen Banu M and Nakul K, secured All India II and III ranks in the PGDMLT examination conducted by the All India Institute of Paramedical Sciences, Kolkata. Additionally, Paveetha S secured the All India II rank in DMLT. The students of the department also achieved overall runners-up in INDEP 2023 and secured the second place in a crib competition organised by the campus ministry. Two II PG students, Harini S and Dhatchana S, won the first prize in the national-level rangoli competition organised by the Department of Biotechnology at Seethalakshmi Ramasamy College, Tiruchirappalli, on 31st January 2024.

BIOTECHNOLOGY

The Department of Biotechnology strives to foster innovation and excellence in the field of biotechnology. It offers a comprehensive academic programme designed to equip students with the necessary knowledge and skills to excel in various areas of biotechnology, including research, development and industry applications. It promotes a dynamic learning environment through lectures, workshops, and collaborations with renowned organisations to prepare students for careers in biotechnology and related fields.

DEPARTMENTAL ACTIVITIES

The inauguration of the Association activities of the Department of Biotechnology began on July 17, 2023, with an invited talk titled "Smart Learning Using CHAT GPT," delivered by Dr. A. Vimal Jerald, Assistant Professor, Department of Computer Science. Dr. Jerald explored innovative smart learning techniques and demonstrated how CHAT GPT, a cutting-edge technology, can enhance the learning experience. The session provided an interactive platform for undergraduate and postgraduate students from the Departments of Botany, Biotechnology, and Biochemistry. The valedictory meeting was held on February 22, 2024. Professor Kalpana Srinivasan, a Yoga Instructor, spoke on "Yoga for Mind and Body."

Webinars

The Department conducted a webinar on "Biotechnology Ignition Grant – 23rd Call" on August 16, 2023. The chief guest, Dr. Mary Mangayarkarasi, an Intellectual Property Officer, Bangalore Bioinnovation Centre, provided valuable information to students interested in biotechnology. The event, open to UG and PG students from the Departments of Botany, Biotechnology, and Biochemistry, aimed to foster innovation and entrepreneurship in the biotechnology sector. On January 23, 2024, the Department conducted a webinar and association meeting focusing on "Histopathological Techniques." Dr. S. Uthra, Scientist-II at Kiba Biotechnology in Vijayawada, Andhra Pradesh, shared her expertise in histopathological techniques with students from the Department of Biotechnology, St. Joseph's College, as well as students from Little Flower Degree and PG College, Uppal, Hyderabad.

National Seminar

The Department organised a national seminar on "Recent Advances in Biomedical Technology" on February 6, 2024. This event featured prominent speakers such as Prof. Mukesh Doble, a Professor at Saveetha Dental College, and Prof. R. Raja, a Professor at Sree Balaji Medical College. Two hundred fifty students from various colleges attended the seminar, which provided an in-depth exploration of current trends in biomedical technology.

Endowment Lecture

Dr. V. Balakrishnan Endowment Lecture on "Fostering Awareness about Cancer Prevention in Women" was held on February 20, 2024. Dr. K. Parimalarani, a renowned Consultant Obstetrician and Gynaecologist at Krishna Hospital, Tiruchirappalli, delivered an enlightening talk. The event, which aimed at creating awareness about cancer prevention, was attended by 86 female students from the Departments of Botany, Biochemistry and Biotechnology. The lecture provided valuable insights into women's health and promoted awareness and well-being.

Trojan Horse Club

A workshop on "Foldscope – Smartphone-Based Tinscope" was organised by the Trojan Horse Club on September 1, 2023. The event featured experts such as Prof. M. Rajesh, President of TNSF, The American College, Madurai, Mr Pandiarajan, Director of the EDEN Educational Resource Centre, Tamil Nadu Science Forum, Madurai, and Mr V Ramesh, Tamil Nadu Science Forum, Madurai. The workshop was attended by 100 students from the Departments of Botany, Biochemistry and Biotechnology. The Valedictory Meeting of the Club was held on February 19, 2024. It featured a talk by Dr. Joelri Michael Raj, Head of the Department of Botany, St. Xavier's College, Palayamkottai. His session, titled "Applications of DNA Barcodes in the Herbal Drug Industry," was attended by 62 students from the Biotechnology and Biochemistry Departments.

MoUs Signed

The Department of Biotechnology has established MoUs with renowned organisations to enhance the academic and professional opportunities of the students. Notably, a five-year MoU with the Bangalore Bioinnovation Centre, which was initiated on November 23, 2021, led to a successful webinar on the "Biotechnology Ignition Grant – 23rd

Call" in August 2023, benefiting 115 students. Additionally, a collaboration with Little Flower Degree and PG College, signed on May 14, 2022, facilitated a webinar on "Histopathological Techniques" in January 2024, engaging 80 students. These partnerships foster innovation, research and skill development, benefiting students across various biotechnology disciplines.

FACULTY ACHIEVEMENTS

The faculty members of the Department of Biotechnology have actively participated in various academic programmes, including 9 Conferences and Seminars and 20 Webinars. One faculty member attended a Quiz programme. The staff members attended 29 FDPs and 5 Orientation Programmes, demonstrating a solid engagement with professional development.

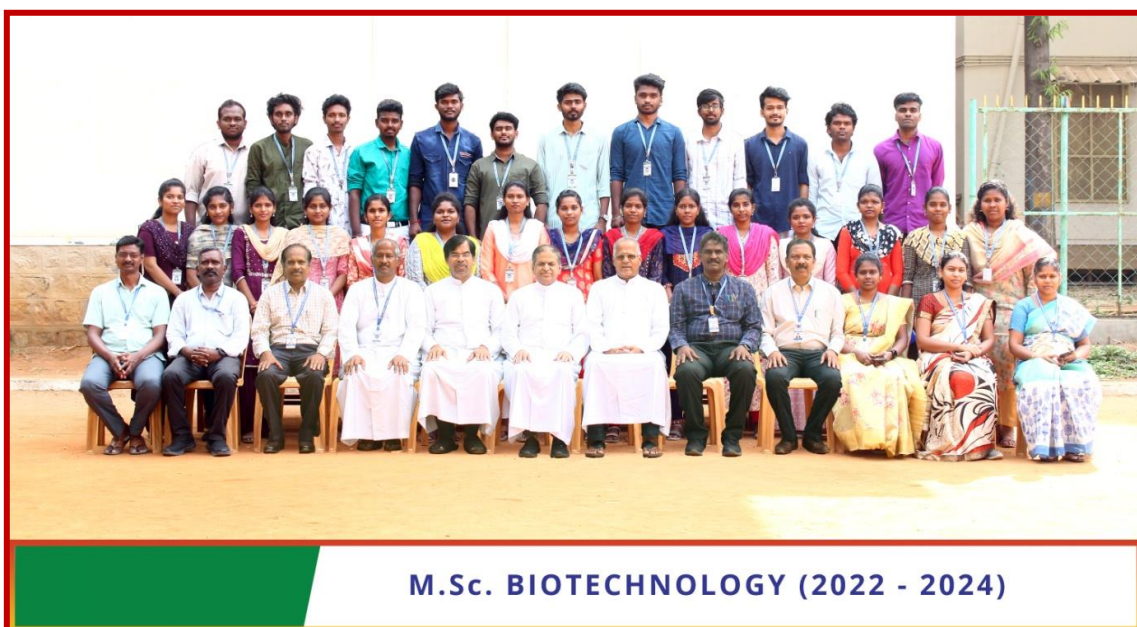

The faculty members of the Department of Biotechnology have made significant contributions to academic research through publications in notable journals and books. Three papers were published in international journals, including the *International Journal of Biology, Pharmacy and Allied Sciences* and the *Research Journal of Agricultural Sciences*. Additionally, a paper was accepted for publication in the *Bulletin of Environment, Pharmacology and Life Sciences*. The faculty also co-authored a book titled *The*

Blueprint of Life: A Road Map to Synthetic Biology, published in September 2023 by Alpha International Publication. These contributions highlight the department's commitment to the advancement of knowledge in biotechnology.

Dr A. Asha Monica, Dr V. Swabna and Dr A. Edward, faculty members of the Department of Biotechnology, have applied for a patent titled "Synergetic Micropipette and pH Probe System Enhancing Precision and Efficiency in Analytical Sample Manipulation." The patent application was submitted to the St. Joseph's College IPR and Patent Cell on 2nd February 2024.

STUDENT ACHIEVEMENTS

The Department of Biotechnology has seen remarkable student achievements in placements, with several students securing positions in reputable organisations. A total of 8 students have been successfully placed in various companies in roles such as Faculty, Pharmacovigilance Services Associate, Junior Medical Coder, Summarizer, and US IT Recruiter Trainee. The annual salary packages for these students range from Rs. 1,20,000 to Rs. 3,96,720, reflecting their hard work and the department's commitment to preparing students for successful careers in the biotechnology and healthcare sectors.

BOTANY

The Department of Botany is dedicated to advancing knowledge in plant science through innovative teaching and research. It emphasises practical learning, environmental sustainability, and interdisciplinary studies. It provides students with the skills and expertise needed to excel in the dynamic field of botany and related disciplines.

DEPARTMENTAL ACTIVITIES

On 19th July 2023, the first Association meeting of the Department of Botany was organised on the topic "Abiotic Stress in Banana Production System." Dr I. Ravi, Principal Scientist at ICAR-National Research Centre for Banana, Tiruchirappalli, was the special guest of honour. He provided valuable insights into stress physiology in banana cultivation.

The second meeting was conducted on 25th November 2023, on the topic, "Gene Editing in Crop Improvement." Dr. Kumaravel Marimuthu, Postdoctoral Researcher at Northern Research and Development, Migal Galilee Research Institute, Kiryat Shmona, Israel, delivered an inspiring talk, offering numerous thought-provoking ideas for the future of crop improvement through gene editing.

On 19th December 2023, the department organised a lecture on "Enhancing Employability Skills & Career Avenues for Botany Students," with Dr M. Mahendran, Director of the Training and Placement Cell, St. Joseph's College, as the special guest of honour.

The department organised its fourth association meeting on "Yoga: Introduction and Demonstration " on 11th February 2024. The session was led by Mr. M. Suresh, M.A., M.Ed., M.Phil. (Yoga), a Yoga Teacher at Amrita Vidyalayam. Various yoga practices, including Sukhasana, Vakrasana, Thandasana, Naukasana, Kakasana, Gomukhasana, and Bhujakasana, were demonstrated.

An association meeting on "TNPSC: Decoding the Competitive Exam" was held on 13th February 2024. Mr. S. Prabhakaran, Assistant Superintendent at the Secretariat, Public Health Department, Chennai, shared his personal experiences of preparing for the TNPSC exams and emphasised the importance of cultivating the right mindset for success.

On 14th March 2024, the valedictory meeting of the Botany Association was held on the topic "Nutrition and Diseases." Dr. D. Revathi, MD, MGGH, Tiruchirappalli, was the resource person for the meeting.

The department also organised intra-collegiate, inter-collegiate, and inter-university quiz competitions, and the prize winners were awarded shields and certificates.

Endowment Lectures

On 25th September 2023, the 54th Fr. Balam Memorial Lecture was organised by the Department of Botany on the topic "Therapeutic Insights of Medicinal Plants: From Tradition to Technology." The lecture was delivered by Dr. T. Parimelazhagan, Professor and Head of the Department of Botany, and Director of the Centre for Research and Technology Development at Bharathiar University, Coimbatore.

The inauguration of Prof. V.K. George Endowment Lecture was held on 23rd January 2024 on the topic, "Microalgae for Biodiesel Production." The chief guest, Dr. K. Arunkumar, Professor and Dean of the School of Biological Sciences at the Central University of Kerala, Kasaragod, Kerala, provided valuable insights for future developments in the field.

On 26th February 2024, Mrs. Thanapackium Robert Jeyachandran Endowment Lecture was organised by the Department of Botany. Dr. Shantkriti Srinivasan, Guest Faculty at the Department of Biotechnology, Central University of Tamil Nadu, spoke on "Bioenergy and Climate Change."

Workshops

A one-day workshop on "District Level Guide Teacher's Workshop for 31st NCSC - 2023" was organised on 3rd August 2023 for school teachers in Tiruchirappalli, sponsored by the Tamil Nadu Science Forum.

Another one-day workshop on "Immunological Techniques" was organised on 31st January 2023, with Mr S. Savarimuthu, Director of Annai Theresa Biomedical Training and Research Centre, serving as the resource person. III B.Sc. and II M.Sc. Botany students attended and benefited from the workshop.

A one-day Intramural Workshop on “Sophisticated Analytical Techniques” was held on 21st February 2024, specifically for II M.Sc. Botany students.

Milloherb Food Fest

The department organised an inter-collegiate competition and set up a millet food stall, titled "MILLOHERB FOOD FEST-2K24," on 8th February 2024, to highlight the continuation of the Millet Year celebration. More than 100 students from the School of Biological Sciences participated in the preparation of various millet- and herb-based foods.

Value-added Course

A Value-added course on “Horticulture and Landscape Designing” was inaugurated on 6th November 2023, and concluded on 19th February 2024. Thirty-six final-year UG Botany students participated and benefited from the course.

MOOC

Forty-four students of the Department of Botany, including Dr Johny Kumar Tagore, completed the MOOC certificate course successfully.

Field Visit

Two field visits were organized for I UG students (to the Biosphere Reserve in Rameswaram and the Sericulture Unit in Salem), along with a botanical tour for II UG and II PG students, a diversity visit for I M.Sc. students, and an ecology tour for III UG students to various places such as Kanyakumari, Ooty, Rameswaram, Trivandrum, Salem and Valparai. A Research Institute visit was organised on 28.02.2024 for final year UG students to NRCB, Tiruchirappalli, as part of the Science-Day celebration under MoU activities.

Patents

Four international patents were granted for the year 2023-24, and 3 Indian patents were applied by the faculty members.

Rapinat Bio Club

The Rapinat Bio Club of the Botany Department conducted a seed ball preparation programme and awareness programme at Komangalam Village.

The department won the Runner-up position in the INDEP and Christmas Crib Competitions organised by the Campus Ministry.

FACULTY ACHIEVEMENTS

Most of the faculty members acted as resource persons for various academic programmes and extension activities. Five faculty members completed 5 Refresher Courses, one FDP and 2 Short-term Courses conducted by different Universities in India. A total of 10 research papers were published by the department members in national and international journals. These include topics ranging from plant biology to phytochemistry. A book titled *Elīya murai cippikkalan vaḷarppu tolilnutpaṇkaḷ* (Simple Method of Chippu Mushroom Cultivation) was authored by Dr. K. Rajan. Dr. S. Anusuya and Dr. K. Rajan co-authored a chapter titled *Role of Zinc and Zinc Oxide Nanofertilizer in Enhancing Crop Production* in the book *Metal and Metal-Oxide Based Nanomaterials*, published by Springer, Singapore.

STUDENT ACHIEVEMENTS

Three students of II PG cleared PhD eligibility examinations conducted by Bharathidasan University. Two final year UG students received Summer Research Workshop-DBT-BUILDER (C2MOD) during the months of May and June, 2023. During the academic year 2023-2024, four students from the department secured placements in various organisations, including SKN Organics, Nice Education, and Muthoot Fincorp, in positions such as Executive and Tutor.

தாவரவியல்துறை, தூய வளனார் கல்லூரி.

“வசந்தா, நாளைக்கு நம்ப கம்பெனி தொழிலாளர்களோட போனஸ் விசயமா பேச வேண்டிக்கு. சென்னையில் ஒரு முக்கியமான ‘மீட்டிங்’ இருக்கிறதுனால போனஸ் சம்மந்தப்பட்ட பேச்சு வார்த்தையில் நான் கலந்துக்க முடியாது. அதனால எனக்குப் பதிலா நீ போயி பேச்சு வார்த்தைய நடத்திட்டு வந்திரு” தனது மனைவியிடம் சொன்னார் ராஜா. “சரிங்க, நான் போயிட்டு வர்றேன். நீங்க நல்லபடியா சென்னைக்குப் போயிட்டு உடனே வந்திடுங்க” என்றாள் வசந்தா.

ராஜா குடும்பத்துக்குச் சொந்தமாக மேற்குத் தொடர்ச்சி மலை அடிவாரத்தில் புதுமையூர் என்ற ஊரில் ஒரு தேயிலை கம்பெனி இருந்தது. அவர்களின் தயாரிப்பான ‘வசந்தா டீ’ க்கு சந்தையில் நல்ல வரவேற்பு இருந்ததால், அவர்கள் விரைவிலேயே கோடீஸ்வரர்களானதில் வியப்பில்லை. வசந்தாவும் அவளது கணவர் ராஜாவும் தொழிலாளர்களின் நலனில் மிகுந்த அக்கறை கொண்டு இருந்ததால் தொழிலாளர்களும் மிகவும் விசுவாசத்தோடு உழைத்து பெரும் லாபம் ஈட்டித்தந்தார்கள்.

“என்னங்க, அப்படியே சென்னையிலே ஒரு பிராஞ்ச் ஆரம்பிக்க முடியுமானனு பார்த்துட்டு வாங்க” என தனது கணவரிடம் சொல்லிக் கொண்டிருந்த வசந்தாவிடம், “அம்மா, நாளைக்கு நம்மளோட சின்னம்மா ஷைலாவுக்குப் பிறந்த நாள். வழக்கமாக நம்ம சின்னம்மா பிறந்த நாளைக்கு நம்ம தொழிலாளர்களுக்கு உதவி செய்வீங்க...” என இழுத்தாள் ஏறக்குறைய 50 வருடங்களாக வீட்டு வேலைகளைச் செய்து கொண்டு அவர்களின் ஒரு குடும்ப உறுப்பினராகவே மாறியிருந்த ராஜாத்தி என்ற ஆயா. இதுவரை மலர்ந்திருந்த வசந்தாவின் சிரித்த முகம் வாடி, கண்களிலிருந்து கண்ணீர் தாரை தாரையாக வழிந்தோட..

அவளது நினைவுகள் 20 வருடங்களுக்கு முன்னே சென்றது. அன்றொரு நாள், “அம்மா, அம்மா இந்த வாரம் நம்ம புதார்க்கிராமத்தில் நடக்கப்போற திருவிழாவுக்கு எல்லோரும் போகப் போறோம்னு ஆயா சொன்னாங்க, நிஜமாவாம்மா” என்ற மகள் ஷைலாவிடம் “நிச்சயமா போறோம்” என்றாள் வசந்தா “அங்க எங்களுக்குப் பலூன், கார், அப்புறம் கண்ணாடி எல்லாம் வாங்கிக் கொடும்மா” என பட்டியல் போட்ட ராணியிடமும் ஷைலாவிடமும் “சரிங்க கண்ணுகளா. நீங்க கேட்டதெல்லாம் அம்மா

வாங்கித்தருவேன். அப்புறம் புது டிரெஸ்ஸெல்லாம் கூட எடுத்துத் தருவேன். இப்ப போயி வீட்டுப்பாடம் செய்யுங்க” என்று குழந்தைகளை அனுப்பி விட்டு வீட்டு வேலைகளில் மூழ்கினாள்.

ராஜா மற்றும் வசந்தா தம்பதிக்கு மூன்று வயதான ராணி மற்றும் இரண்டு வயதான ஷைலா என இரு செல்வங்கள் இருந்தனர் திருவிழா நாளன்று, காலையிலேயே எல்லாரும் குளித்து முடித்து விட்டுத் தேவையான சாப்பாட்டைத் தயார் செய்து கொண்டு புதார் சென்றடைந்தவுடன் ஷைலாவுக்கும், ராணிக்கும் பயங்கர சந்தோசம். “அம்மா எங்களுக்கு அது வேணும், இது வேணும்” என்று இருவரும் கேட்டதையெல்லாம் வாங்கிக் கொடுத்தாள் வசந்தா.

“அம்மா, அம்மா எனக்கு ராட்டினம் சுத்த ரொம்ப ஆசையாக இருக்குமா” என்ற ஷைலாவிடம் “ராட்டினம் சுத்துனா, தலை சுத்தும். அதனால அது வேண்டாம்” என்றாள் வசந்தா. “இல்ல நான் கண்டிப்பா ராட்டினம் சுத்தனும்” என்று அடம் பிடித்தவளை வேறு வழியின்றி ராட்டினத்தில் ஏற்றி விட்டு நிற்க, “அம்மா எனக்கு ஒரு தலையாட்டிப் பொம்மை வாங்கித்தாம்மா” என்று ராணி அடம் பிடித்தாள் தலையாட்டிப்பொம்மை அருகில் உள்ள கடைகளில் இல்லாததால் ராட்டினம் சுற்றி முடிவதற்குள் வந்து விடலாம் என்ற எண்ணத்தில் பொம்மைக் கடையைத் தேடிப்போனாள்.

ஒரு அரை மணி நேரம் கழித்து வந்து பார்த்த போது ராட்டினம் சுற்றி நின்று விட்டது. ஷைலாவைக் காணவில்லை. எங்கே தேடியும் கிடைக்கவில்லை. வசந்தாவுக்கு என்ன செய்வதென்றே புரியாமல், டிரைவரோடு சேர்ந்து மீண்டும் தேடினாள். ஆனால் ஷைலா கிடைக்கவில்லை எவ்வளவோ முயற்சி செய்தும் ஷைலாவைக் கண்டுபிடிக்க முடியாததால், போலீசில் புகார் செய்து விட்டு ராணியுடன் வீடு சேர்ந்ததும் ராஜாவைக் கட்டிப்பிடித்துக் கொண்டு அழுதாள் வசந்தா.

இவ்வாறாக, 20 வருடங்கள் உருண்டோடி விட்டது. சில வருடங்களுக்கு முன்புதான் ராணியைத் திருமணம் செய்து கொடுத்தார்கள். ராணியின் கணவர் அமெரிக்காவில் வேலை செய்ததால், ராணியையும் கூடவே அழைத்துச் சென்று விட்டார். இப்போது தனிமையில் இருப்பதால், அடிக்கடி ஷைலாவின் நினைவுகளால் அலைக்கழிக்கப்பட்டு மிகவும் கஷ்டப்பட்டாள் வசந்தா. ஷைலாவின் நினைவில் கண்ணீரோடு இருந்த வசந்தாவைக் கண்டதும்,

ராஜாவுக்கு விபரம் புரிந்து விடவே, வசந்தாவை ஆறுதல் படுத்தி, என்றாவது ஒருநாள் ஷைலாவைப் பார்ப்போம், கவலைப்படாதே வசந்தா என நம்பிக்கையோடு சொன்னார்.

அடுத்த நாள் போனஸ் விசயமாகப் பேச புதுமையுருக்குக் கிளம்பிச் சென்றார்கள். ஏறக்குறைய பாதித்தாரத்தில், ஒரு சிற்றூர் அருகே பேனட்டிலிருந்து புகையாகக் கிளம்பி கார் நின்று விட்டது. “என்னப்பா கண்ணன் என்ன ஆச்சு” என்று டிரைவரிடம் கேட்க, “என்ன பிராப்ளம்னு தெரியலம்மா”. அதேமாதிரி ரேடியேட்டர்ல தண்ணி இல்லைனு நினைக்கிறேன். என்றவுடன் வசந்தாவுக்கு எரிச்சலாகி விட்டது. “எப்போதும் இப்படி கவனக்குறைவா இருக்க மாட்டியே. இன்னக்கி என்ன ஆச்சு” என்று கேட்டாள். “அம்மா நேத்திலிருந்து என்னோட குழந்தைக்கு உடம்பு சரியில்லை. அதான் குழந்தையை ஆஸ்பத்திரிக்குக் கொண்டு போயிட்டு அப்படியே வந்திட்டேன். மன்னிச்சிருங்கம்மா” என்று சொல்லவும், நிலைமையைப் புரிந்து கொண்டு கண்ணனைத்திட்ட விரும்பாமல், “சரி சீக்கிரம் யாருக்கிட்டயாவது கொஞ்சம் தண்ணீர் வாங்கிட்டு வா” என்று சொல்லிக் கொண்டிருக்கும் போதே, ஒரு ஏழை இளம் பெண் எங்கிருந்தோ ஒரு தண்ணீர்க் குடத்தைத் தூக்கிக் கொண்டு அந்த வழியாக வந்து கொண்டிருந்தாள் அவரிடம் சென்ற கண்ணன் “ஏம்மா, தண்ணியில்லாம எங்க காரு நின்று போச்சு. கொஞ்சம் தண்ணீர் கொடுத்து உதவுனா நல்லயிருக்கும்” என்று கேட்டவுடன்,

“என்னது தண்ணியில்லாம கார் ஓட மாட்டேங்குதா” என்று ஆச்சரியமாய் கேட்டு விட்டு அவர்களின் பளபளக்கும் காரையும், பகட்டான உடையையும் பார்த்த அந்தப் பெண், “அய்யா உங்கள மாதிரி ஆளுகளுக்கு எங்களால வெறும் பச்சத்தண்ணி மட்டும்தான் கொடுக்க முடியும்” என்று சொல்லியவாறே தண்ணீர்க் குடத்தை டிரைவரிடம் கொடுத்துவிட்டு காரருகே வந்து நின்றாள். காருக்குள் இருந்த வசந்தா அவளைக்கண்டதும் அதிர்ச்சியடைந்து, காரின் கண்ணாடிகளை கீழே இறக்கி விட்டு அவளிடம், “ஏம்மா உன் பெயரென்ன? உங்க வீடு எங்க இருக்கு உங்க அப்பா அம்மா யாரு” என்று சரமாரியாகக் கேள்விகளைத் தொடுத்தாள். கேள்விக்கணைகளால் தாக்குண்ட அந்த இளம்பெண் சற்று திகைத்து விட்டு, “என் பெயர் ரஞ்சனி” என்றாள்.

“அம்மாடி உன் பெயர் ரஞ்சனி இல்லை. உன் பெயர் ஷைலா. ஆமா நிச்சயமாக நீ என் மக ஷைலாதான்” என்று நா தழுதழுக்கக் கூறினாள். இத்தகைய நெருக்கடியான சூழலைச் சற்றும் எதிர்பார்க்காத ரஞ்சனி, “இல்ல நான் உங்க மக இல்ல. என் அப்பா

அம்மா இந்த ஊர்தான் இருக்காங்க. நான் உங்க மக இல்ல” என்று சொல்லிக்கொண்டே ஓட்டமெடுத்தாள்.

“டிரைவர் சீக்கிரம் வண்டிய எடுத்து, அவளைப் பின்தொடர்ந்து போ” என்று துரிதப்படுத்தவே, அடுத்த பாதாவது நிமிடத்தில் ரஞ்சனி நுழைந்த வீட்டின் முன்னே கார் நின்றது. தங்களது கிராமத்தில் நுழைந்த புத்தம்புது காரைக் கண்டு மலைத்துப் போன மக்கள் காரைச் சுற்றிக் கூடி, தங்களுக்குள் ஏதோ பேசிக் கொண்டனர் வசந்தா காரிலிருந்து இறங்கி அந்த வீட்டின் முன் வந்து “வீட்டுல யாரு ?” என்று கேட்டவுடன், வீட்டிற்குள்ளிலிருந்து ஒரு வயதான தம்பதி வெளியே வந்தனர்.

“வணக்கம். உங்ககிட்ட ஒரு முக்கியமான விசயம் பேசனும். உங்க வீட்டுல இருக்கிற இந்தப் பொண்ணு யார், என்னன்னு தெரிஞ்சுக்கனும். பார்த்தா இவ தொலைஞ்சு போன என் மக மாதிரியே இருக்கா” என்று படபடத்தாள். இதைச் சற்றும் எதிர்பாராத அவர்கள், “முதல்ல வீட்டுக்குள்ள வாங்க. அப்புறம் எல்லாத்தையும் பேசிக்கலாம்” என்றனர். வீட்டுக்குள் வந்த வசந்தாவுக்கு குடிக்க மோர் கொடுத்து விட்டு, “ஆமா, எத வச்சு உங்க மக மாதிரி இருக்கறதா சொல்றீங்க. எப்ப, எங்க தொலச்சீங்க, கொஞ்சம் விவரமா சொன்னா நல்லா இருக்கும்” என்றார் அந்தப் பெரியவர்.

“ஏறக்குறைய 20 வருடங்கள் இருக்கும். நாங்க எல்லோரும் குடும்பத்தோட புதூர்க் கிராமத்துத் திருவிழாவுக்குப் போயிருந்தப்ப, ராட்டினம் சுத்தன்னு அடம்பிடிச்ச இவள, ராட்டினத்தில் ஏற்றி விட்டுட்டு பெரியவ ராணிக்கு பொம்மை வாங்கப் போயிட்டேன். திரும்பி வந்து பார்த்தப்போ, இவள எங்க தேடியும் காணோம். அதோட இவ ஒரு வயசு குழந்தையா இருக்கறப்போ எங்க வீட்டுப்படிக்கட்டுல விழுந்ததுல நெத்தியில உண்டான காயத்தின் தழும்பு கூட அப்படியே இருக்கு” என ஷைலா தொலைந்து போன கதையைக் கூறினாள் வசந்தா.

இதைக் கேட்டுக்கொண்டிருந்த அந்தப்பெரியவர், நீங்க சொல்றது என்னமோ உண்மைதான். இவளை நாங்க புதூர்க்கிராமத்துலதான் கண்டோம். அந்தத்திருவிழாக்கூட்டத்துல அம்மா, அம்மானு அழுதுக்கிட்டு இருந்த இவளைக்கூப்பிட்டு கொஞ்சம் சாப்பாடு கொடுத்ததும், குழந்த அப்படியே அயர்ந்து தூங்கிட்டா. அவ்வளவு பெரிய கூட்டத்துல, யாராவது தேடி வருவாங்கனு பார்த்தோம். யாருமே வரல. அதான் நமக்கும் பிள்ளைக இல்லையே, நாமே வளர்த்தா என்னன்னு நினைச்சு கூட்டிக்கிட்டு வந்துட்டோம் என்றனர்.

இதற்குள் வீட்டிற்குள் சென்ற பாட்டி, இந்தச் செயின் கூட இவ போட்டிருந்ததுதான் என்று ஒரு செயினைக்

கொண்டு வந்து காட்டினாள் செயினைக் கண்டவுடன். அதில் இருந்த டாலரில் தன் கணவரின் இன்சியலைக் கண்டு அவள் தன் மகள் ஷைலாதான் என்பதைச் சந்தேகமில்லாமல் உறுதி செய்து கொண்டாள். “என் மக ஷைலா இன்னும் உயிரோடதான் இருக்கா. அதுவும் என் பக்கத்துலதான் இருக்கா” எனக் கத்திக்கொண்டே ஷைலாவைக் கட்டிப்பிடித்துக் கொண்டாள்.

“ஷைலா, நீ வாம்மா உடனே நம்ம வீட்டுக்குப் போகலாம்” துரிதப்படுத்தினாள் வசந்தா. “என்னது வீட்டுக்கா. இதுதான் எங்க வீடு. நான் இத விட்டுட்டு எங்கேயும் வர மாட்டேன்” பிடிவாதம் செய்தாள் ரஞ்சனி என்ற ஷைலா.

“ஷைலா உனக்காக நான் தவம் கிடந்தேன். இப்ப வந்து வர முடியாதுன்னு சொல்றியே நீ என் தங்கம்ல, என் செல்லம்ல, வாம்மா வீட்டுக்குப் போகலாம்” என வசந்தா கெஞ்சினாள்.

“அதெல்லாம் எனக்குத் தெரியாது. நான் இந்த வீட்டை விட்டு வர முடியாது” என்றவளை அவளது வளர்ப்புப் பெற்றோர் கண்களில் கண்ணீருடன் “ரஞ்சனி, பாவம் உங்க அம்மா உன்னய எவ்வளவு ஆசையா கூப்பிடுறாங்க பாரு. ஏங்களுக்கும் வயசாயிட்டது. நீ உங்க அம்மாவோட போறதுதான் சரி” என்று கண்களில் கண்ணீரோடு சொல்ல இதனால் சற்று இறங்கி வந்த ரஞ்சனி, “நான் வீட்டுக்கு வர்றதா இருந்தா என்னய வளர்த்தெடுத்த இவங்களுக்கு என்ன செய்வீங்க” எனக் கேட்டவனிடம், “நீ என்ன சொன்னாலும் செய்யறேம்மா” என்றாள் வசந்தா.

இவ்வாறாக ஒரு வழியாக சமாதானப்படுத்தி ஷைலாவை வீட்டிற்குக் கூட்டி வந்து நல்ல உணவுகளைப் பரிமாறினாள் வசந்தி. “ஷைலா நீ முதல்ல சாப்பிடு. அப்புறமா டிரெஸ்ஸ் மாத்திக்கலாம். நீ நல்ல சாப்பாடு சாப்பிட்டு எத்தன வருஷமாச்சோ. நல்லா திருப்தியாக சாப்பிடும்மா” என பாசத்தோடு உணவைப் பரிமாறினாள் வசந்தா வகை வகையான உணவுப் பதார்த்தங்களைக் கண்டவுடன், தான் வளர்ந்த கிரமாத்து மக்கள் தினமும் ஒருவேளை உணவுக்கே அல்லல்படும் நிலை நினைவுக்கு வரவே, அவளால் உணவை ருசிக்க முடியவில்லை.

“ஷைலா நீ தங்கியிருந்த கிராமத்தைப் பற்றித்தானே கவலைப்படற. நிச்சயமா, அவங்க வாழ்க்கை முன்னே நம்மாலான எல்லா உதவிகளையும் செய்வோம். நீ முதல்ல சாப்பிடு. மத்ததெல்லாம், அப்புறமா பேசிக்கலாம்” என்று சொன்ன அன்னையின் பேச்சை நம்பி வயிராற உணவு உட்கொண்டாள்.

“ஷைலா, இந்தா இந்த நல்ல துணிகளைப் போட்டுக்கம்மா” என புத்தம்புது ஆடைகளைக்

கொடுத்தாள் வசந்தா. “நீ கேட்டுக்கிட்டபடி அந்தக் கிராமத்துல ஒரு கம்பெனி ஆரம்பிச்சு அந்த ஏழை மக்களுக்கு வேலை கொடுக்கலாம். அது மட்டுமல்லாம, அந்தக் கம்பெனியை உன்னோட வளர்ப்புப் பெற்றோருக்கே எழுதிக்கொடுத்திடலாம். அதோட ஒரு நல்ல பள்ளிக்கூடம் கட்டி அந்தக் கிராமத்துக் குழந்தைகள் வாழ்வில் முன்னேற எல்லா உதவிகளையும் செய்யலாம்” என வாக்குறுதி கொடுத்தாள் வசந்தா. “அப்புறம் உன்னய வளர்த்தவங்க விரும்பினா, நம்மளோடவே வந்து தங்கிக்கலாம்” என்று வசந்தா சொல்வதைக் கேட்டு பூரித்துப் போனாள் ஷைலா.

பிரிந்திருந்த தன் செல்ல மகள் ஷைலா கிடைத்துவிட்ட சந்தோசத்தில் அந்த வருடம் பேச்சுவார்த்தையே இல்லாமல், தொழிலாளர்கள் எதிர்பார்த்ததற்கும் மேலாகவே போனஸ் வழங்கப்பட்டது. அடுத்த ஐந்தாவது மாதத்திலேயே, அந்தக் கிராமத்தில் ஓர் பள்ளிக்கூடமும், அட்டை தயாரிக்கும் தொழிற்சாலை ஒன்றும் நிறுவப்பட்டது. விவசாய வேலை இல்லாமல், சாப்பாட்டிற்கே அல்லல்பட்டுக் கொண்டிருந்த ஏழை மக்களின் வாழ்வு செழிக்கப்போவதின் முதற்படியாக தன் பெயரால் துவங்கப்பட்ட அட்டைக் கம்பெனியைப் புதிய பள்ளிக்கூடத்தையும் திறந்து வைத்தாள் ரஞ்சனி என்ற ஷைலா. அந்த ஏழைத்தம்பதியரோ, “இப்படியும் நல்ல மனசு கொண்டவங்க இருக்கிறதுனாலதான் நம்ம நாட்டுல இன்னும் மழை பெய்யுது. நீங்க நல்லா இருக்கனும்” என வாயார வாழ்த்தினர்.

COMPUTER SCIENCE

Established in 1983, the Department of Computer Science introduced the MCA programme in 1984. Expanding further, Shift-II Computer Science was established in 1999, followed by M.Phil. and Ph.D. programmes in 2002. Notably, our institution pioneered the inclusion of the MCA programme in Arts and Science Colleges nationwide. With faculty comprising experts in academia, research, and technology, including eight members in college administration, we maintain a commitment to excellence. Collaborations with esteemed institutes and IT industries enrich our academic environment. Our alumni's prominent positions in the global IT sector reflect our dedication to fostering innovation. Our curriculum prepares students for successful careers by emphasising practical skills through projects and industry interactions.

DEPARTMENTAL ACTIVITIES

Endowment Lectures, Workshops and Other Programmes

The endowment lecture in honour of Rev. Dr. S. John Britto SJ was delivered on 4th December, 2023, by Dr. NV Sharma of IIIT, who discussed 'Future Trends in Information Technology'. Prof. A. Charles Endowment lecture was delivered by Mr. Arul Durai Raj from Thomson Reuters, who spoke on Career Path Strategy on 19.01.2024.

A Capacity Enhancement Workshop on Soft Skills and Life Skills was conducted for final-year UG students on 22.11.2023 by Dr. Irudhaya Raj M and Ms. Usha. A virtual workshop on ChatGPT, led by Dr A. Vimal Jerald, was organised on 21.06.2023 with 466 participants in attendance.

An interactive session on 'Digital Opportunities in Media' was organised on 09.02.2024, with Mr. Trichy Saravanakumar, a Vijay TV fame actor, as the resource person. A motivational talk on Cracking TNPSC Exams was held on 13th February 2024 with Mr. P. Sundaravalan, Revenue Inspector and Social Activist, as the resource person.

The Department organised two programmes to promote gender sensitivity. The first programme, 'Redefining the Roles: Empowering Both the Genders,' featured Ms. Packia Selva Rathi, Vice Principal of SJC,

as the resource person. The second programme, 'Be a Mindful Woman,' had Dr. Helan Carter, Counsellor at the Village Health Centre, Kulumani, as the resource person. TechX 24, a Technical Symposium, which included an Intra-Department and Inter-College Competition, was conducted on 11th and 12th March 2024.

International Conference

An International Conference on the Impact of Disruptive Technologies (ICIDT 2024) was held on January 8th and 9th January 2024. It featured talks from invited speakers from reputed institutions and IT companies from India and other countries such as Canada and the USA. A total of 108 delegates participated. The proceedings of the presented articles were released in the form of a book with ISBN.

MoUs Signed

Four MoUs were signed with Government Arts College, Nandanam, Chennai, Sri Vidya Mandir Arts and Science College, Krishnagiri, CodeBind Technologies, Coimbatore, and SNS College of Technologies, Saravanampatti, Coimbatore, to exchange expertise.

Certificate Courses

Two certificate courses entitled "Data Analysis using Spreadsheet and Python" and "Coding for Beginners" were offered. A total of 187 students successfully completed these respective courses. A Short-Term Course was organised during the summer vacation from 22.5.2023 to 31.5.2023.

Parent-Teacher Meet

Parent-Teacher Meet for I UG, II UG and I MCA was conducted on 03.02.2024. It was attended by 432 parents, who provided feedback. In response, the department established separate WhatsApp groups for parents.

Alumni Support

The MCA batch of 1995 – 1998 Batch donated 5.5 lakhs for Rev. Dr. S. John Britto SJ Endowment Scholarship, 1 lakh for Dr. D. P. Jeyapalan Endowment Lecture, and 1 lakh for an upcoming International Conference.

FACULTY ACHIEVEMENTS

During the academic year, the department has achieved the following in research and scholarly endeavours:

Currently, 23 research scholars are pursuing their PhD research under the guidance of six research advisors. 3 scholars have successfully completed their PhDs. One scholar has submitted his thesis, and three new scholars have been enrolled in the PhD programme.

Totally 22 research articles were presented at the conferences and 04 research articles have been published in Scopus-indexed journals. Moreover, our faculty members have authored 06 books and contributed one book chapter. Furthermore, 01 patent has been granted to our faculty team, while another patent is currently under scrutiny. One of our faculty members has received seed money of Rs. 105000 to carry out a minor research project in Design and Development of Secured IoT based Smart Health Management System (SIoT-SHMS) under SJC Research Grant. Another faculty member has received Rs. 2000 for attending a FDP.

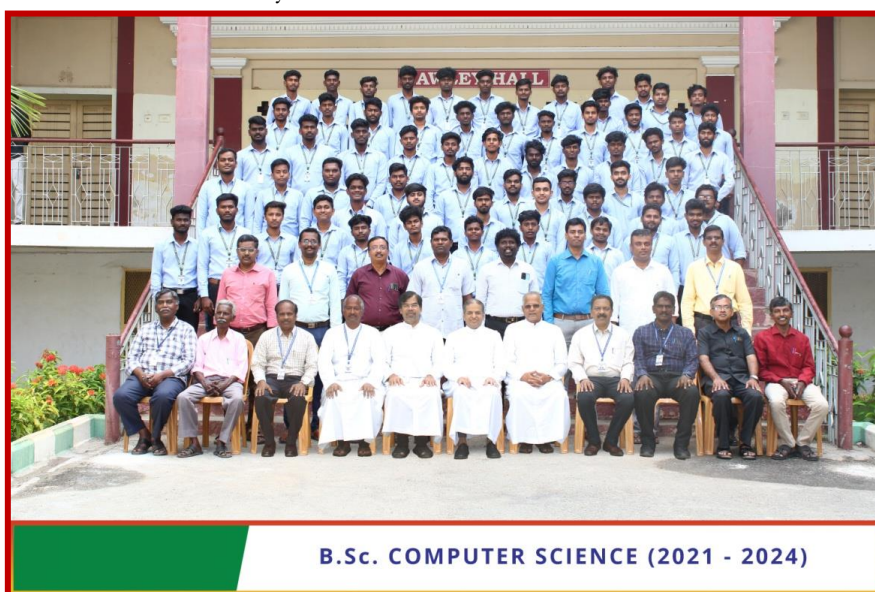

With a repository of 522 e-content items, this year alone, 133 new e-content materials, including PPTs, PDFs and E-Content videos were developed for the JosTEL portal. The Pass Percentage for III UG and II UG (Shift II) slightly dropped in the even semester. II UG (Shift 1) had good results. PG students maintained good pass percentage in both semesters. In partnership with IECD, BDU Tiruchirappalli, appointments for Student External Examiners have been made under the SUITS Programme. Dr. A. Vimal Jerald has offered expertise as a member of the Board of Studies for two esteemed colleges in Tamil Nadu. Our faculty members

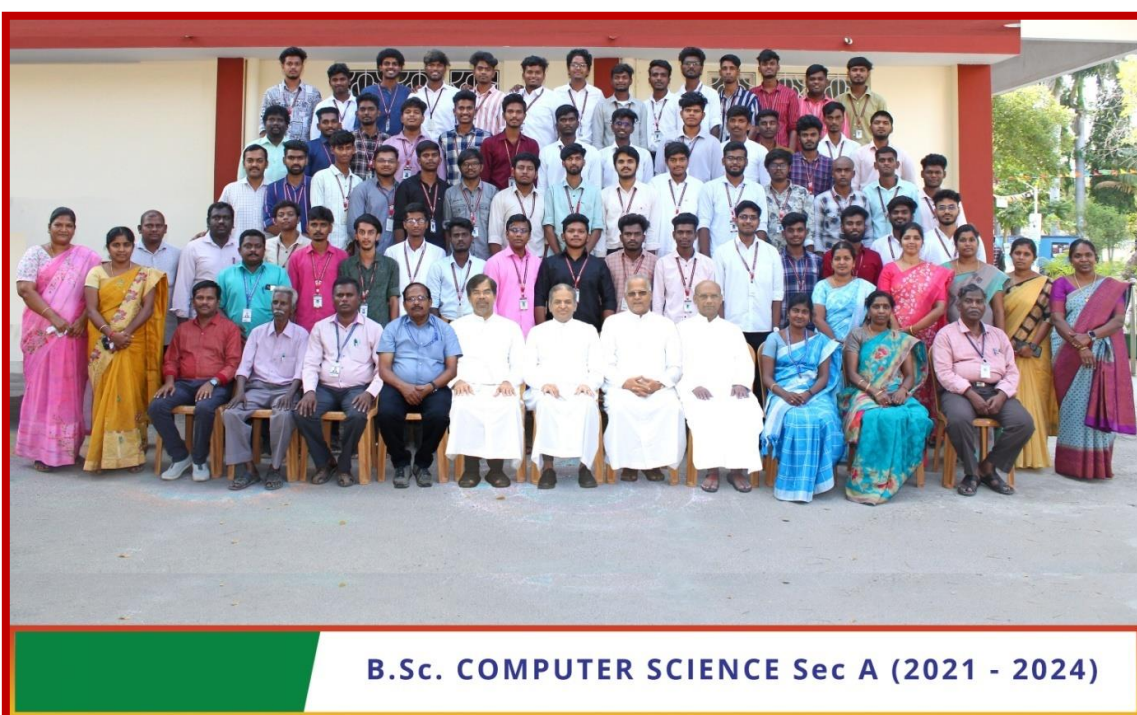

have served as resource persons for a total of 78 programmes. Dr. A. Vimal Jerald has been chosen by UGC to train the faculty on NEP 2020 through the Malavia Mission on Teachers Training Centre. The faculty members have actively participated in 61 academic events, including conferences, workshops, seminars, FIPs, RCs and webinars. A significant achievement to highlight is that Ms. Ayesha Shakith, a scholar guided by Dr. L. Arockiam, was awarded the Savitribai Jyotirao Phule Single Girl Child Fellowship (SJSGC) for 2022-23. Dr L. Arockiam, Dr S. Santiago SJ, and Dr K.R. Martin have brought honour to the department by receiving awards at both national and regional levels. Dr. Britto Ramesh Kumar and Mrs. Thulasi Bharathi have successfully completed MOOC courses through NPTEL.

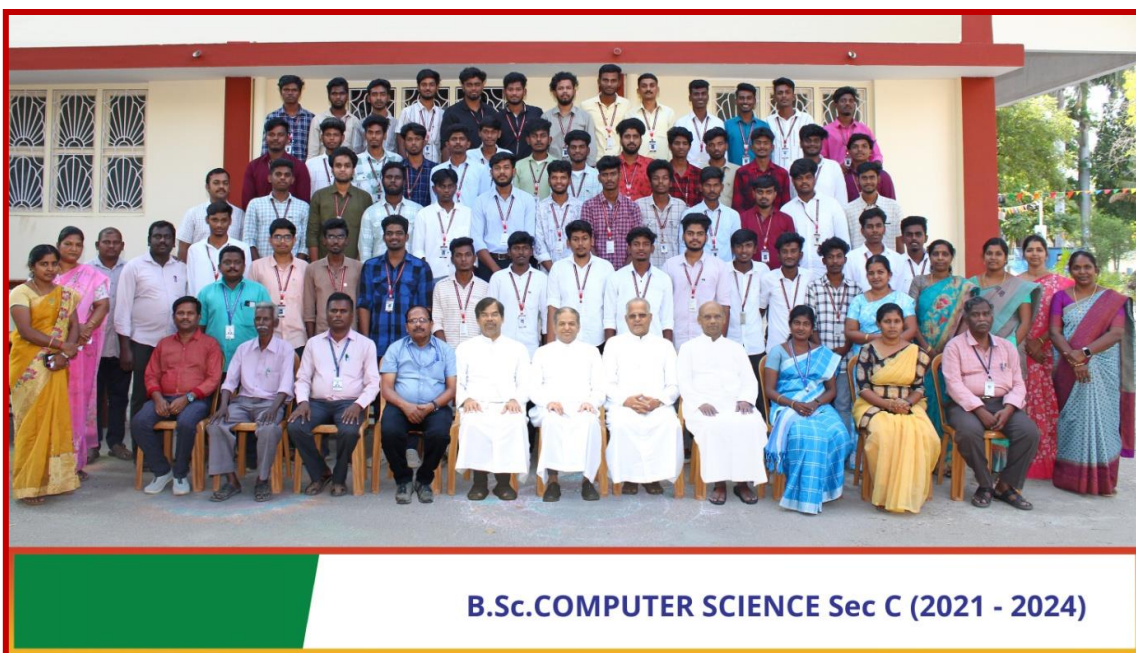

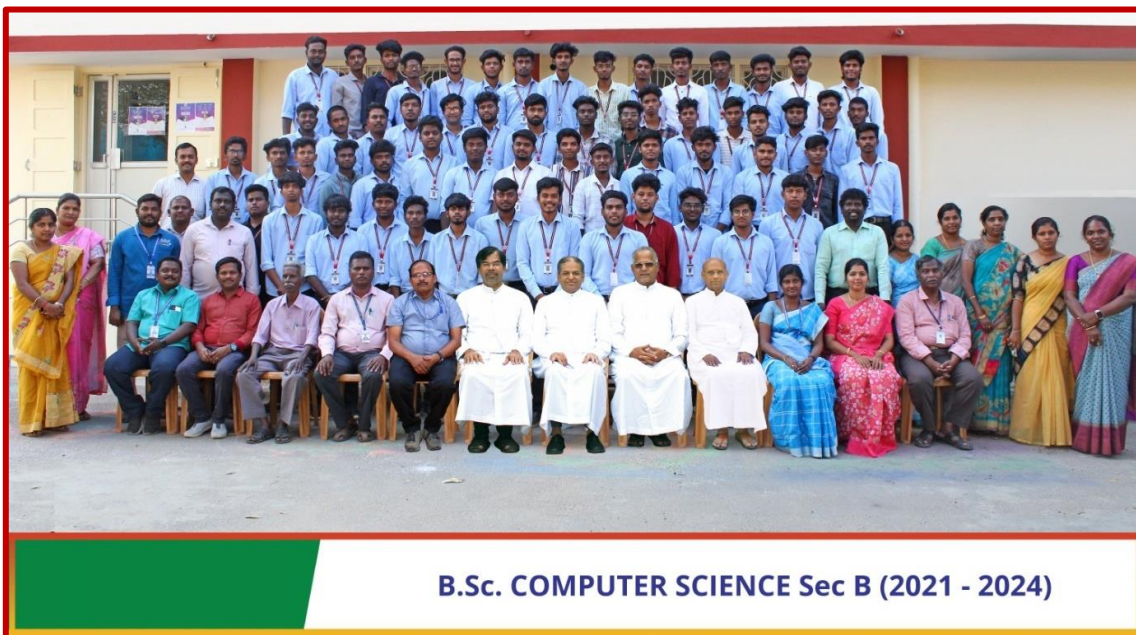

STUDENT ACHIEVEMENTS

One of our scholars cracked UGC NET exam, while 28 of our undergraduate students have successfully passed the TANCET, and 3 students have qualified for CEETA for PG programmes. Our students excelled in technical events across colleges, with 13 students winning prizes. Twenty students completed MOOC courses. Two students achieved national-level trophies in sports.

A total of 26 students from the department have secured placements in various organisations. The placements include positions such as Lab Technician, Junior Executive, Developer Trainee, Software Engineer, Associate Software Engineer and Junior Software Developer. These students have been placed in reputed organisations with annual packages ranging from Rs. 84,000/- to Rs. 442,560/-.

DATA SCIENCE

The Department of Data Science witnessed a successful academic year 2023-2024, with a variety of activities aimed at promoting learning, innovation and professional growth. These include workshops, seminars and events that provide students with opportunities to enhance their skills and knowledge in emerging technologies.

DEPARTMENTAL ACTIVITIES

The academic year began with the inauguration of the department's activities on 7th August 2023. Rev. Dr. K. Amal SJ, Secretary of St. Joseph's College, unveiled the department's software, while Rev. Dr. M. Arockiasamy Xavier SJ, Principal of the College, released the placement brochure. Dr. P. Rajendran, Deputy Principal, unveiled the lecture video. Dr. L. Arockiam inaugurated the clubs and announced the student representatives of the association. The association activities came to an end on 21st February 2024 with a valedictory function, where Dr R. Jemima Priyadarsini, Associate Professor, Bishop Heber College, Trichy, distributed certificates for the Value-Added Course and Remedial Course to students from the department of Data Science and other departments.

On 20th July 2023, the department hosted NEO-FIESTA, the fresher's day event. Mr. Joe Irudhaya Raj, Associate Professor, Department of Computer Science, St. Joseph's College, was the Chief Guest. This event provided a welcoming platform for new students to engage with the department's activities.

Workshops, Seminar and Webinar

On 7th September 2023, the department organised a workshop on "Yoga for Holistic Health & Well Being" for I & II PG students. Prof. Mrs. Kalpana Srinivasan, Vice President, Tiruchirappalli Mental Health Foundation, was the resource person, who insisted on the importance of maintaining good health through practical yoga exercises. A workshop on "Fascinating IoT Applications" was organised on 8th February 2024 for I M.Sc. Data Science students. Mr. Mohammed Ithiyas, Founder & CEO of Robotian Labs, provided valuable insights into IoT's real-time industrial applications.

On 13th December 2023, a seminar on "Gender Equality" was organised for I & II M.Sc. Data Science students. Dr. N. Vijayasundari, Associate Professor & Head of the PG & Research Department of Tamil, Urumu Dhanalakshmi College, Tiruchirappalli, led the session, stressing the importance of involving both men and women to achieve gender equality. On 7th February 2024, the department hosted a seminar on "FLASK WEB DEVELOPMENT." Mr. Bernet Stalin from Gateway Finishing School was the resource person. He provided practical insights into web development.

On 25th October 2023, the Innovative Club and the Data Science Association organised a webinar on "Innovative IoT Applications." Mr. R.D. Solomon Raju, Senior Robotics Engineer at Do-It-Yourself Academy (DIYA), Chennai, shared insights on cutting-edge IoT technologies and their applications.

Other Notable Events

The department organised "CYPHER 24" on 15th December 2023, where students were involved in creating dashboards using Power BI and Tableau. Dr. V. Arul Kumar and Dr. M. Kriushanth judged the event, and the winners were Rukesh, Ram and Monica Devi, and Martin Prabhu and Merwin Rahul.

On 20th December 2023, the department organised "DATOS '24," an inter-departmental event featuring technical and non-technical competitions. The Chief Guest, Rev. Dr. Sahayaraj SJ, awarded prizes to the winners during the valedictory function.

The department hosted the inter-collegiate event "ANALYTIKHA '24" on 10th January 2024, with 253 offline and 21 online participants. The event included 5 technical and 7 non-technical events. Distinguished chief guests were Rev. Dr. K. Amal SJ, Secretary, and Dr. M. Arockiasamy Xavier SJ, Principal. Prizes were distributed by Rev. Dr. V. Gilbert Camillus SJ, Vice Principal (Shift II).

The Software Club and the Department of Data Science organised a one-week training programme on "FLUTTER" from 11th to 15th December 2023, with Mr Vivek, Founder & CEO of Golden Technologies, Tiruchirappalli, as the chief guest.

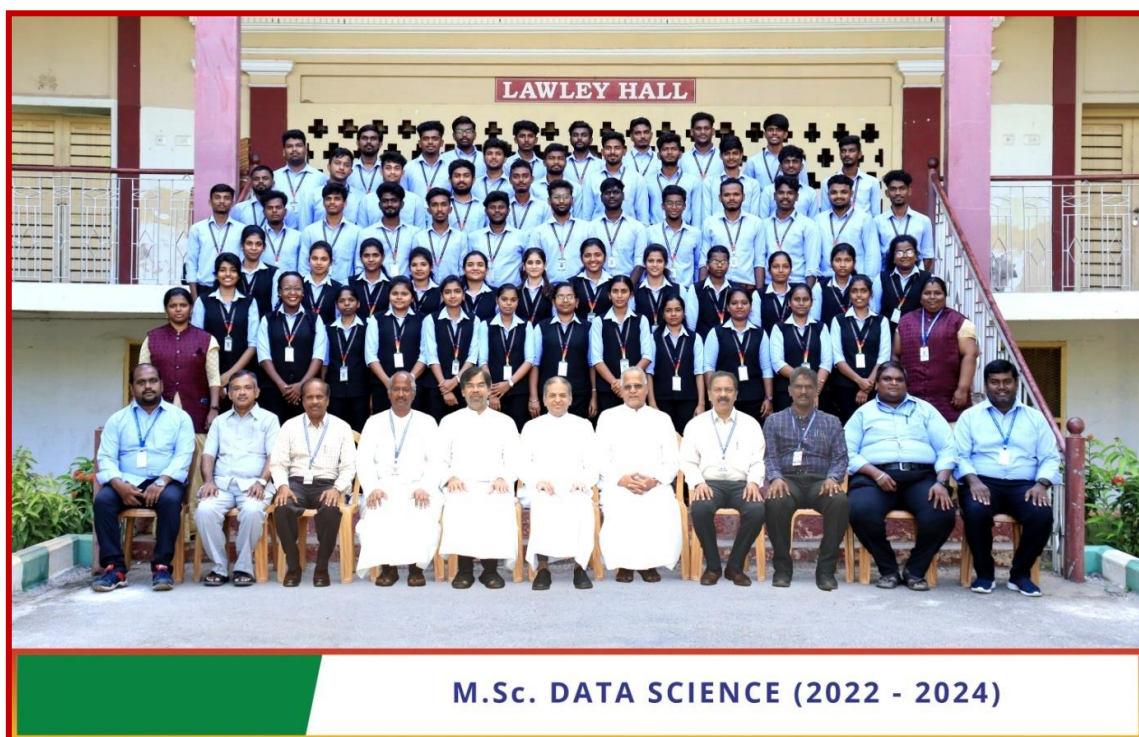

FACULTY ACHIEVEMENTS

The faculty members of the Department of Data Science have made significant contributions to academic, co-curricular and administrative bodies at both national and international levels. They have been actively involved in training, research and skill development activities, including participation in global forums and associations related to data science. These engagements have fostered knowledge exchange and contributed to the professional development of both students and academics. The faculty members have made research contributions, presenting 9 papers at seminars and conferences and publishing 9 papers in reputed journals. They have also participated as resource persons in 16 workshops, seminars and FDPs, focusing on emerging technologies such as AI tools, ChatGPT and data analytics. They have published 4 books and contributed 4 chapters to 4 different books.

These works focussed on topics related to data science, AI, IoT and healthcare. Dr I. Priya Stella Mary received the International Distinguished Teacher Award, and Dr A. Beatrice Dorothy was honoured with the Best Women Faculty Award on 5th September 2023. Both awards were presented by prestigious organisations in Chennai and Madurai respectively.

STUDENT ACHIEVEMENTS

Three students have secured internships with various organisations. Charulatha has been placed as an intern at Sqash Apps Pvt Ltd, Coimbatore, with an annual package of ₹5,00,000. Padmavathi joined Cloudmate KAT India Pvt Ltd in Kovilpatti, Tamil Nadu, offering an internship with a package of ₹1,20,000. S. Martin Prabhu was placed at Helix Sense Technologies in New Delhi with an annual package of ₹1,80,000 for his internship.

INFORMATION TECHNOLOGY

The Department of Information Technology undertook a dynamic journey throughout the academic year 2023–2024, enhancing the educational experiences of professors and students with a variety of rewarding endeavours and accomplishments. The action plans included publishing papers, and submitting patents, organising endowment lectures, hosting alumni events, offering certificate courses and value-added courses, holding workshops, and being involved in club activities.

DEPARTMENTAL ACTIVITIES

The Department of Information Technology inaugurated its association activities on 12th July 2023, with a meeting titled "F"ies for US. Dr. S. Panneer Arockiaraj, Associate Professor, Department of Computer Science, Thanthai Periyar Government Arts & Science College, Trichy, served as the resource person.

Workshops and Seminars

A two-day workshop on "Cloud Analytics and Hadoop" was organised by the department on 27th and 28th July 2023. Dr. A. Cecil Donald, Dean, IQAC and Assistant Professor, CHRIST (Deemed to be University), Bengaluru, explained the various phases of Amazon Web Services. A two-day workshop on R Programming was organised by the department on 7th and 8th December 2023. Dr. Vijayakumar, Assistant Professor of Statistics, St. Joseph's College, served as the resource person. The department organised a one-day S.T. Rajan Endowment Workshop on "Mastering AWS Cloud" on 13th February 2024.

A seminar on "Job Opportunities Abroad" was held on 24th August 2023 for II M.Sc. Computer Science students. Mr. F.X. Francis Raju, BI Data Engineer, Methods Technology, UK, delivered a talk. Dr. Arul Pon Deniel, Assistant Professor, Department of BCA, Loyola College, Mettala, delivered a talk on the role of technology in Blockchain Technology during a one-day seminar titled "Revolution of Blockchain Technology and its Applications" on 27th September 2023.

A seminar on "The Art of Effective Communication: Strategies for Success in the Digital Age" was organised on 14th December 2023. A seminar titled "Ambitious

Skills of Women" was organised for I M.Sc. Computer Science girls on 19th January 2024. Dr. M. Mahendran, Director of Training Placement & Corporate Relations, St. Joseph's College (Autonomous), delivered a talk on "2024's Job Market" during a seminar held on 22nd January 2024. A seminar on "Aptitude and Logical Reasoning" was organised on 8th February 2024. Dr. A. Praveen, Associate Professor, Department of Mathematics, St. Joseph's College (Autonomous), explained the various types of Aptitude and Logical Reasoning and their importance to the students.

Dr. C. Venish Raja delivered a lecture on the impact of different Yogic practices on human physiology during a seminar on "Simplified Yoga" organised for I BCA students on 9th February 2024. A web design competition was organised on 16th February 2024.

Certificate and Value-Added Courses

Two certificate courses were offered: "Digital Resilience Cyber Security for All," coordinated by Dr S. Hendry Leo Kanickam, and "Data Analysis and Processing," coordinated by Dr Bastin Thiyagaraj. A total of 81 students completed these courses. Two value-added courses were conducted: "PC Troubleshooting" coordinated by Dr. D. Richard, and "Python for Everybody's Specialisation" coordinated by Dr. A. Angel Preethi & Dr. I. Carol. 50 students completed these courses.

Additional Initiatives

Remedial classes for core courses were arranged for slow learners. The department organised a meeting on "Life Skills" as part of the association's valedictory function on 23rd February 2024. Mr. Joe Irudayaraj, Associate Professor, Department of Computer Science, St. Joseph's College, Trichy, served as the resource person.

Stakeholder Engagement

The department's commitment to stakeholder engagement was evident through the Parent-Teacher meet, where around 203 responses were collected from parents.

Faculty Contributions and Engagements

The Department of Information Technology has made significant strides in the past academic year. Eleven faculty members actively contributed to the academic community by participating as resource persons in twenty-one different programmes, including seminars,

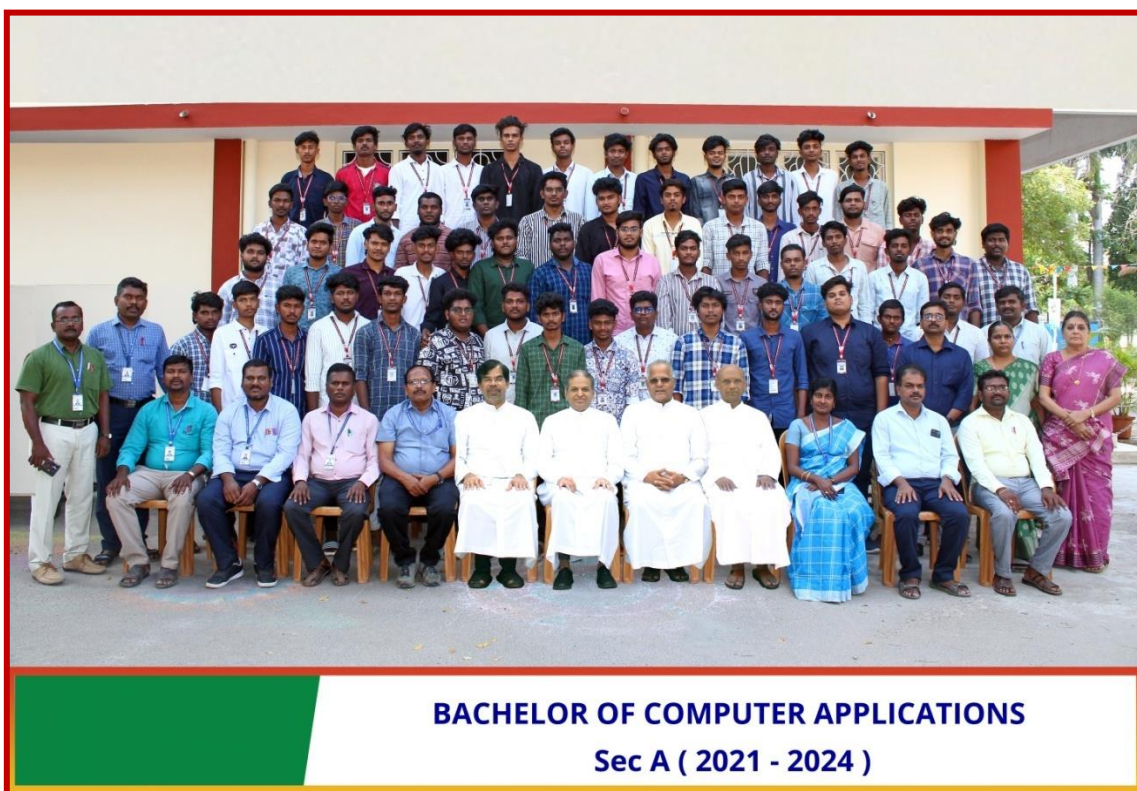

workshops, and guest lectures across Tamil Nadu. Several faculty members have made significant contributions to research and publications. Dr P. Joseph Charles published two articles in Scopus-indexed journals, while Dr A. Antony Prakash, Dr V. Maria Antoniate Martin, Dr D. Richard, and Dr T. Nikil Prakash collectively published eight articles in international journals. Furthermore, Dr. S. Hendry Leo Kanickam, Dr. A. Antony Prakash, Dr. V. Maria Antoniate Martin, and Dr. A. Angel Preethi authored seven books, and Dr. A. Antony Prakash contributed three book chapters. Dr. P. Bastin Thiagaraj and Dr. I. Carol were engaged in corporate training with two different companies.

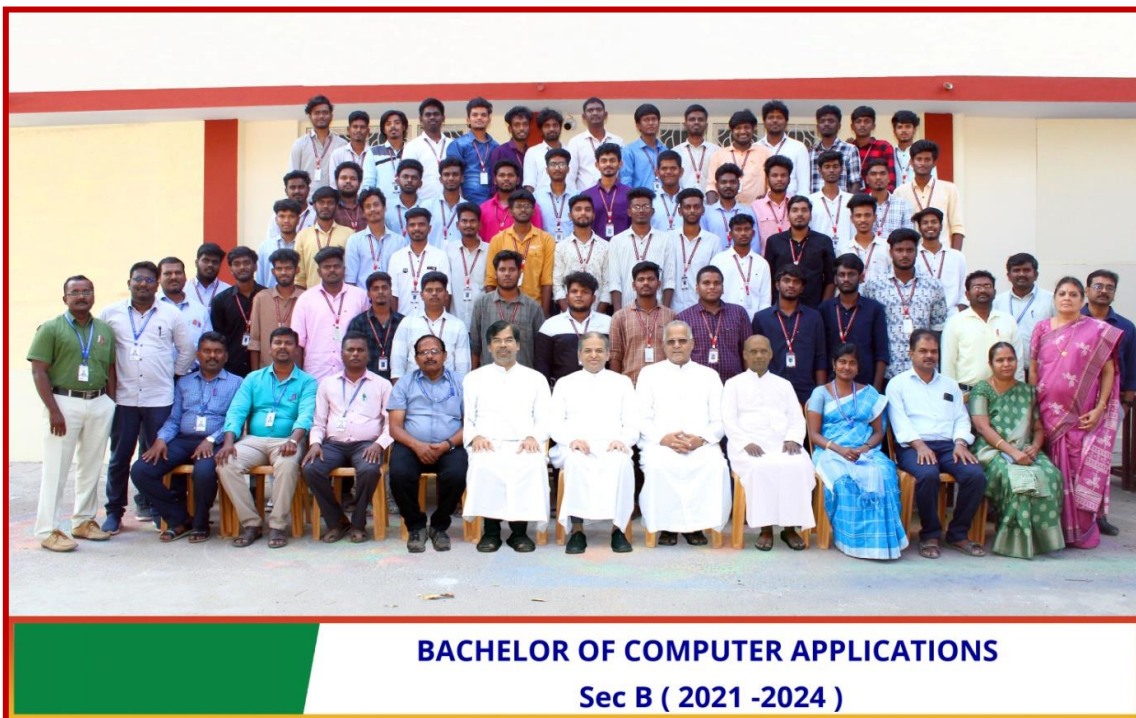

In terms of academic and professional development, eighty-one M.Sc. Computer Science students and two faculty members visited SIEMENS LABS at the NIT campus on 10th October 2023. The department also forged strong industry-academia partnerships by signing two MoUs for internships, project work, and placements. Several faculty members were recognised for their innovative work. Dr P. Joseph Charles, Dr A. Angelpreethi, and Dr I. Carol were granted patents, while Dr V. Maria Antoniate Martin has a patent application pending.

The department also prioritised faculty development, with twelve faculty members attending thirty-one different programmes, including orientation programmes and faculty development programs. Furthermore, eight faculty members participated in twenty different programmes, encompassing conferences, workshops, seminars and webinars.

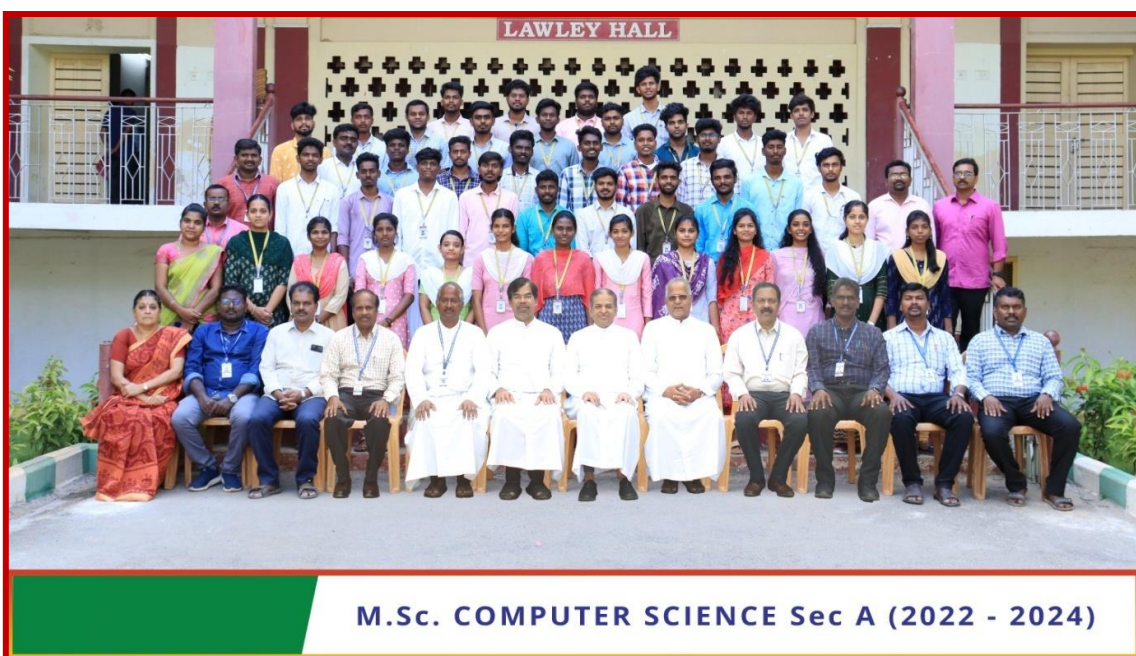

STUDENT ACHIEVEMENTS

Students excelled in academics and extracurricular activities. Two students successfully completed the SSC and TNUSRB exams. Murali S secured third place in State-level basketball tournament, and III BCA students were runners-up in TECH-PINNACLE 2K24 held on 13th February 2024. Additionally, students won prizes and medals in various sports and cultural events. The department emphasised practical learning through field visits, internships, and project work. Furthermore, 95 BCA students and 84 M.Sc. Computer Science students successfully completed Google Certificate courses, and four students completed NPTEL MOOC courses. In terms of placements, 25 students secured on-campus placements, 29 secured off-campus placements, and 26 pursue higher education.

MATHEMATICS

The Department of Mathematics focuses on fostering a deep understanding of mathematical concepts through a focus on both theoretical and applied mathematics. It provides a rigorous academic environment that encourages critical thinking, problem-solving and research. Faculty members play a key role in helping students to prepare for competitive exams and engage in research projects. The department actively organises events to promote mathematical knowledge and academic excellence. Notably, it has conducted many endowment lectures, seminars and programmes, which have contributed significantly to the academic development of both students and faculty members.

DEPARTMENTAL ACTIVITIES

The inauguration of the Mathematics Association was held on 26th July 2023. The lecture was delivered by Dr. P. John Robinson, Assistant Professor of Mathematics, Bishop Heber College, Trichy, on "Application of Data Mining and ANN in Decision Making Problems." The inaugural address was given by Dr. M. Thiagarajan, Associate Professor and Head of the Department.

Endowment Lectures

Shri R. Krishnaswamy Endowment Lecture was organised on 29th August 2023. The lecture entitled "Amazing Moon" was delivered by Dr. S. Ruban Raj, Former Head and Associate Professor of Mathematics, St. Joseph's College, Tiruchirappalli. It was attended by 221 UG and PG students. On 4th December 2023, the Dr. S. K. Ayyaswamy & Prof. Suria Narayana Iyer Endowment Lecture was conducted, titled "Matrices and the Related Subspaces." Dr. M. David Raj, Assistant Professor, Department of Mathematics, VIT, Chennai, was the resource person for the event. It attracted 88 III UG and PG students.

Dr. L. Benedict Michael Raj Endowment Lecture was organised on 6th January 2024, focusing on "Fuzzy Information System and its Applications." Dr. V. Lakshmana Gomathi Nayagam, Associate Professor of Mathematics at NIT, Tiruchirappalli, delivered the lecture. A special talk on 'Uniform Convergence' was delivered as part of Dr. T. Rajaretam Endowment on

20th February 2024. The lecture, which focused on the concept of uniform convergence, was delivered by Dr. P. S. Srinivasan, Associate Professor of Mathematics, Bharathidasan University, Palkalaiperur, Tiruchirappalli. The event was attended by 55 PG students. On 26th February 2024, two Janakiraman Endowment Lectures were held. The first lecture titled "Functions of Bounded Variations," was delivered by Dr. M. Marudai, Honorary Professor of Mathematics, Bharathidasan University. The second lecture on "Exploration of Graphs in the Digital World" was delivered by Dr. G. Mahadevan, Associate Professor of Mathematics, Gandhigram Rural Institute, Dindigul. Both lectures were attended by 60 PG students.

Rev. Dr. A. Albert Muthumalai SJ Endowment supported the National Conference on Recent Developments in Pure and Applied Mathematics (NC-RDPAM24), which was organised on 27th and 28th February 2024. Esteemed resource persons such as Dr. M. P. Jeyaraman, Associate Professor of Mathematics, Presidency College, Chennai, Dr. M. Marudai, Honorary Professor of Mathematics, Bharathidasan University, Dr. V. Lakshmana Gomathi Nayagam, Associate Professor of Mathematics, NIT, Tiruchirappalli, Dr. N. Anbazhagan, Professor & Head of the Department of Mathematics, Alagappa University, Karaikudi, Dr. T. Kavaskar, Assistant Professor of Mathematics, CUTN, Thiruvavur; and Dr. I. Jeyaraman, Assistant Professor of Mathematics, NIT, Tiruchirappalli, contributed to the conference. The event benefitted 99 participants, including faculty members, research scholars and UG & PG students.

Lastly, Rev. Fr. Ignatius SJ Centenary Endowment Lecture was held on 29th February 2024. Titled "Universe – Nebulae - Stars and Galaxies: Space Weather - Sun Earth Relations," the lecture was delivered by Prof. Dr. K. Sundara Raman, Head and Senior Principal Scientist (Retd), Indian Institute of Astrophysics, Kodaikanal Observatory. This lecture benefitted 100 faculty members, research scholars, and UG & PG students.

Seminars and Workshops

A seminar on "Application of Data Mining and ANN in Decision Making Problems" was organised on 26th

July 2023, with Dr. P. John Robinson, Assistant Professor of Mathematics, Bishop Heber College, Tiruchirappalli, as the resource person. The session was attended by 62 PG students. On 12th July 2023, a seminar on "Environmentally Responsible and Sustainable Inventory Model" was organised by Dr. W. Ritha, Associate Professor of Mathematics, Holy Cross College, Tiruchirappalli, for 63 UG and PG students.

A workshop on 'E-content Preparation' was held on 16th July 2023, with Dr. George Gabriel Richard Roy, Head of B.Voc. SD & SA and Assistant Professor of Computer Science at St. Joseph's College, Tiruchirappalli, as the resource person. 15 faculty members benefitted from the workshop. From 25th to 27th September 2023, a workshop on "Problem Solving in Analysis, Algebra & Differential Equations (PSAAD-2023)" was organised with contributions from seven eminent academicians, benefitting 55 UG and PG students.

On 20th December 2023, a seminar titled "Career Pathway for Mathematicians Programme" was organised, with Prof. A. Charles, Head of the Department of Computer Science, St. Joseph's College, serving as the resource person. A "Job Awareness Programme" was organised on 11th January 2024, featuring Ms. R. M. Shantha Sheela and Ms. M. N. Najima Begum from Veranda RACE, Tiruchirappalli, for 70 students. A Gender Sensitisation programme led by Ms. F.M. Christeela was organised on 10th January 2024 for PG female students.

State-Level Intercollegiate Competition

On 21st February 2024, the Department of Mathematics organised the Mathematics Olympiad 2024, a State-Level Intercollegiate Competition, featuring participation from 16 colleges and 160 students across Tamil Nadu. The Overall Rolling Cup of Dr. S. K. Ayyaswamy was awarded to Gandhigram Rural Institute, Dindigul, while Ayya Nadar Janaki Ammal College, Sivakasi, secured the runner-up position. The event concluded with a vote of thanks presented by Dr. V. Vairaperumal, Association President.

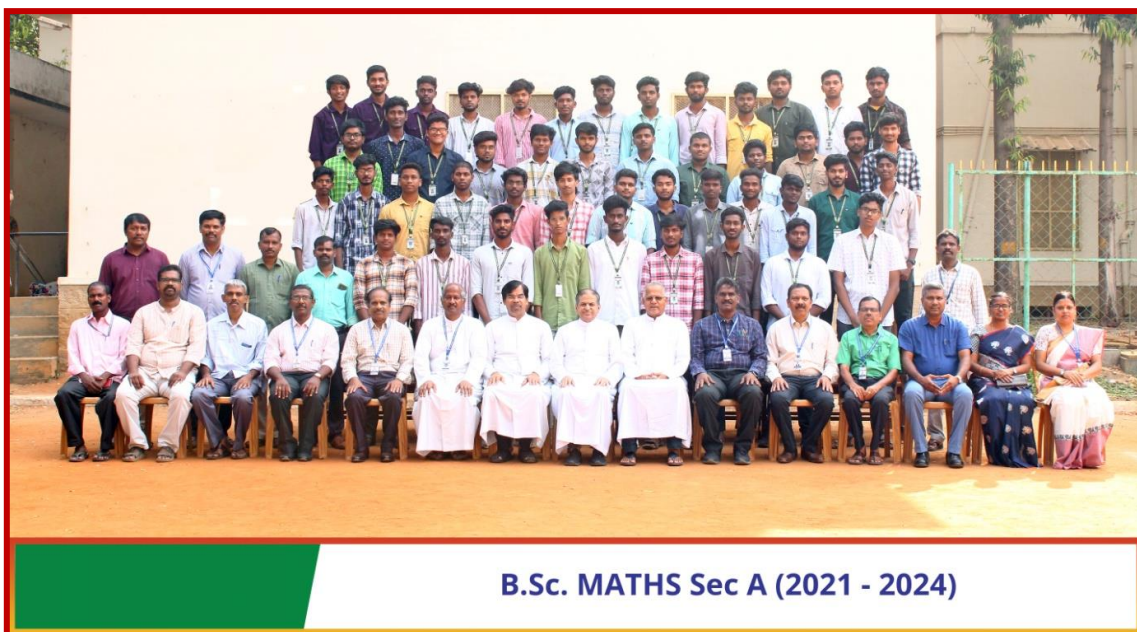

FACULTY ACHIEVEMENTS

Faculty achievements include significant contributions to academic and co-curricular administrative bodies, with six members serving at state and regional levels. Additionally, 25 sessions were delivered by faculty members as resource persons, encompassing seminars, workshops, and talks. A total of eight programmes were attended by faculty members, including 5 seminars and 3 workshops at national, regional, and international levels. They also attended a total of 86 programmes, which included Orientation Programmes, Refresher Courses, Faculty Development Programmes. A total of 9 papers were published by faculty members in international journals, and 2 books were published.

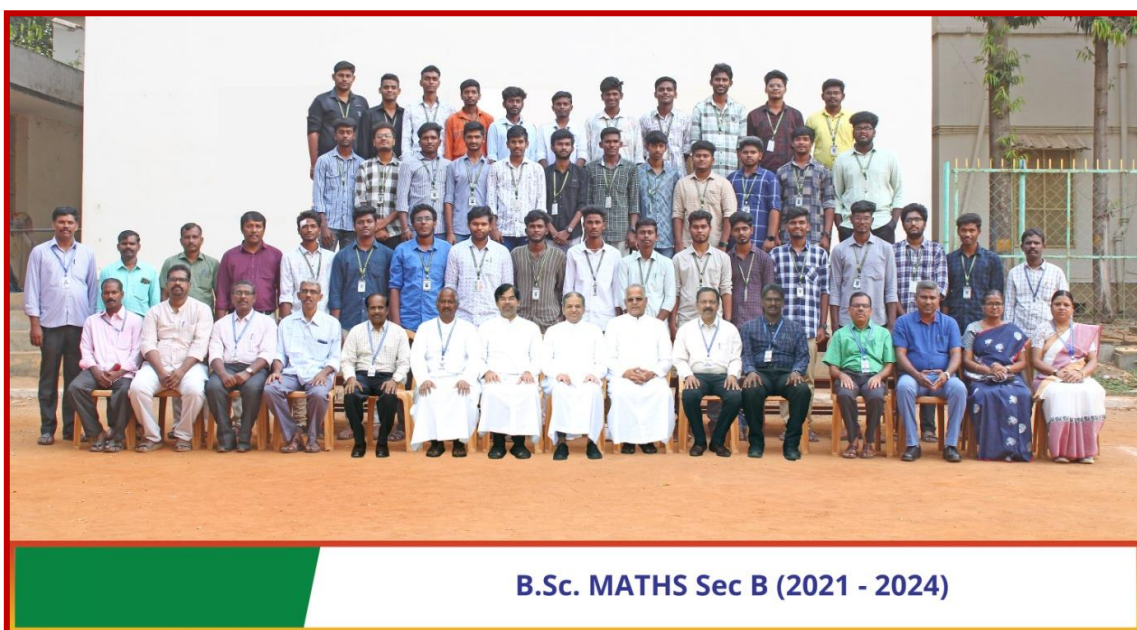

STUDENT ACHIEVEMENTS

One student has qualified for the NET, and 2 students have qualified for Ph.D. qualifying entrance examination conducted by BDU, Tiruchirappalli.

STATISTICS

The Department of Statistics stands committed to academic excellence and practical applications of statistical methods. With a vibrant curriculum and a focus on contemporary trends, the department nurtures analytical thinking and problem-solving skills. Its activities foster research, interdisciplinary learning, and professional growth among students. During the academic year 2023-2024, the Statistics Association actively engaged in a variety of academic and professional development initiatives.

DEPARTMENTAL ACTIVITIES

The inauguration of the Statistics Association was held on 19 July 2023. It featured an address by Rev. Dr. M. Arockiasamy Xavier SJ, Principal, St. Joseph's College, and a lecture titled "Evolution of Data Analytics" by Dr. V. Haridoss, Assistant Professor, Madras Christian College, Chennai. This event was attended by 152 students. The department celebrated National Statistics Day on 1st July 2023. A lecture titled "The Role of Statistics in Modern India" was delivered by Mr. V. Sivakumar, Senior Statistical Officer from the National Sample Survey Office, Trichy. The lecture was attended by 143 B.Sc. Statistics students. It provided them with insights into the significance of statistics in contemporary India.

Endowment Lectures

BLISSFUL KISS!

It's a rainy evening
With the wild, cold breeze,
Touching the skins of
My mom and I,
On the window side,
With cups of coffee.
"Did you see there?"
Raising my hand excitedly
To show her lightning.
"Whoa! Did you hear that?"
Thundering rumbles make
My hands to close my ears.
She smiles at me
For my childishness.
A gentle drizzle
Kisses my cheek!

PROCRASTINATING...

My eyes wander with the birds
That roam the sky with ease.
Against the silver sky
And velvet clouds they soar;
With them, so did my soul, did soar.

The dark clouds in the yonder;
The distant sound of the thunder;
The brilliant blue now blackens,
The brisk birds now slacken.
They drew to their nest,
I, to my work at rest.

Waiting to live...

I spent my hours and pass my days
In endless wait so I may,
At a fated time, enjoy my life;
I say this to myself, and I strife
With the world, and the world with me.

This striving has bound me unfree;
I see not the flowers or bees
Dancing in the breeze.
Thus, I chase after the sun,
Towards my end, I run.

Sports Day

SHEPHERD

The Extension Department-SHEPHERD proudly presents its 38th annual report, highlighting outreach initiatives to urban poor and rural populations through the student community. Activities included one-day visits, three-day camps, and weekend programmes. The department collaborated with students, faculty, and local communities, reaching 22 urban areas and 96 villages in 5 blocks of Tiruchirappalli, Karur, and Pudukottai districts. Focused on community-based organizations, science popularization, education, environment, health, and sanitation, the department also promoted bridging the gap between lab and field through initiatives like Lab to Land and Land to Lab, fostering meaningful connections and improvements in the community.

ORIENTATION, VISITS AND CLUSTER LEVEL CAMPS

ONE-DAY FIELD VISITS

The Extension Department - SHEPHERD organized one-day introductory visits for undergraduate and postgraduate students to familiarize them with rural and urban communities. These visits provided valuable insights into the conditions of 31 villages and urban poor areas. A total of 1,397 students participated in this initiative, helping them better understand the community and plan future engagement activities effectively.

COMMUNITY OUTREACH ACTIVITIES

EDUCATION

School Teaching

The Extension Department-SHEPHERD facilitated academic coaching by sending students to schools upon the request of school administrations. A total of 145 students benefited from this initiative. II MCA students provided coaching to 25 children at Little Flower Primary School in Pathuvainagar, II MSc Data Science S-II students assisted 45 children at Nehruji Memorial Primary School in Melakondayampettai, and II MSc Chem. S-II students conducted coaching for 75 students at Bharathi Primary School in Keelakondayampettai.

Weekend Coaching Classes

Over the course of the year, several classes facilitated weekend training sessions for children in service villages. Students participated in subject-based challenges, with sessions held in both public spaces and classrooms. Functional teams from various departments also visited outlying locations. A total of 93 school pupils benefited from the programme, with II MSc Chem students engaging 15 children in Nadukondayampettai, II MSc Chem S-II students working with 12 children in Keelakondayampettai, III BSc Chem A students conducting sessions for 16 children in Archampatti, III BSc Chem B students reaching 25 children in Thalinji, III BCom A students benefiting 10 children in Keelaputhupatti, and III BSc CS A students training 15 children in T. Melapatti.

Fun English

On 22nd July 2023, III BCom CA students conducted the Fun English programme for 10 rural children, helping them improve their English through activities like spelling and collective learning.

Scientific Experiments Demonstration for Children

On 1st September 2023, II MSc Chemistry students introduced scientific experiments to 15 children at Nadukondayampettai, fostering curiosity with concepts like water density and oxygen burning.

Donating Learning Equipment and Electrical Appliances

On 26th August 2023, III B.Sc CS students donated learning materials and an electric fan to Panchayat

Union Primary School, Melapchakkudi, Pudukottai District. On 30th September 2023, II MA English, II MCom, and II MSc Maths students donated ceiling fans to Ayyanar High School, Melur, Srirangam.

Career Guidance

Career guidance programmes were held in two villages in February 2024, benefiting 131 students in total: 12 students at Adi-Diravidar Hr. Sec. School, Indira Gandhi Nagar on 20th February 2024 and 119 students at Govt. Hr. Sec. School, Alathur on 11th February 2024.

Donation of Computer

On July 14, 2023 the Extension Department - SHEPHERD donated a computer to the Panchayat Union Middle School in Purasampatti. The event, presided over by Director Rev. Fr. T. Sahayaraj SJ, was organized by II BCom Honours students. Key attendees included Mrs. Mary Clara (Head Master), Mrs. Revathi (School Management Committee), Mrs. S. Anjalai Sekar (Vice President of Thalinji Panchayat), Mr. Selvam (PTA President), Mr. P. Vijayakumar (Senior Coordinator), Mr. Sekar, and Ward Member Mrs. D. Bindhuja Dayalan. A total of 70 individuals benefited from the programme.

PTA Meeting

On 17.02.2024, III B.Sc Physics students conducted a PTA meeting at Sivanthanagar, attended by 19 parents and 25 students. Mr. Shankar, the ward member, distributed prizes to the winners of competitions. Mrs. Alakkiyammal, a school teacher, emphasized the importance of effective communication between parents and teachers to foster children's learning and development.

Computer Literacy Programme

MSc CS A SII students organized a computer literacy programme for tribal schoolchildren at Thiruvalluvar Guru Kula Palli and Devarayaneri Narikuravar Colony, with the approval of Rev. Fr. Amal SJ, Rev. Fr. T. Sahayaraj SJ, and Rev. Fr. Santhiyagu. The initiative was requested by Head Mistress Mrs. Dharani. New computer system was provided to the students to enhance their basic computer and documentation skills. A total of 30 students and 2 teachers benefited from this initiative.

ENVIRONMENT

Awareness on Usage of Plastic

On 2nd July 2023, II MCA students organised an awareness session at Pathuvainagar to highlight the harmful effects of plastic pollution on the environment. The session focused on reducing plastic use and promoting the use of reusable or biodegradable alternatives. 20 people attended the programme.

Raising Awareness and Overcoming E-Waste Challenges

On 10th August 2023, II MSc Data Science students conducted a campaign to raise awareness about electronic waste (e-waste) and its environmental impact. They provided guidance on e-waste management, promoting repair and refurbishment, and explained recycling guidelines. The campaign encouraged proper disposal of e-waste and the importance of recycling. 15 people benefitted from this initiative.

Rally on Say No to Plastics

On 05th August 2023, II MSc Chemistry students organised a rally at Nadukondayampettai under the theme "Say No to Plastics." About 15 children participated, raising slogans against plastic use and promoting cotton and jute bags as alternatives. The students also distributed awareness posters. The rally aimed to educate both children and the local community about the dangers of plastic pollution.

Inauguration of Green Club

On 10th August 2023, III B Com CA students launched a Green Club at Panchayat Union Primary School, Kozhukattikudi, and initiated a tree plantation drive, planting 80 saplings. Prof. J. Arputha Sahayaraj, Assistant Professor, Department of Commerce, CA, was the resource person. The event was attended by 10 college students and 30 school students.

Raising Kitchen Garden

On 07th July 2023, III BSc Mathematics students launched a Kitchen Garden Project to encourage organic farming among village residents. They distributed seeds to 10 women in the village for home gardening. Six students were involved in the project.

My Favourite Tree

On 05th August 2023, college students distributed saplings of fruit-bearing trees to children in

Thirumalaisammuram as part of a programme where the children could plant their favourite trees in their own backyards. In total, 50 trees were planted and the children benefitted from this initiative.

Toys and Chat for Preschool Kids

On 27th August 2023, III BCom CA students provided educational materials to children at the Anganwadi in Kozhukattikudi. The materials included colouring balls, picture charts, playing materials, and toys. 15 children benefitted from this programme. Mr. Arun, Vice-President, along with 8 college students, participated in the event.

World Water Day

In commemoration of World Water Day, II MSc Physics S-II students organised an exhibition and hands-on water purification techniques demonstration on 15th and 16th July 2023 at Annanagar, Srirangam. They demonstrated six different water purification methods and conducted a rally, quiz, and presentation for the public and children to raise awareness.

Wealth from Waste

On 5th August 2023, II MSc Chemistry students organised a programme at Nadukondayampettai to teach children how to create useful items from waste materials. They demonstrated clay and wood crafts, provided newspapers and origami materials, and guided the children in making creative projects. 15 children participated, producing a variety of art and craft items.

Rally on Plastic Pollution

On 5th August 2023, II MSc Chemistry students held a rally at Nadukondayampettai to raise awareness about plastic pollution. The rally focused on educating the public about the harmful effects of plastic on both the environment and health. 15 children participated in the event.

Rainwater Harvesting

On 26th August 2023, III BCom A S-II students conducted an awareness programme on rainwater harvesting at Akkalanayakkanpatti. The goal was to promote rainwater harvesting practices at the community level. 20 villagers attended the session.

Seed Balls Made by Kids

On 14th September 2023, II BCom B students and local children in Poonkudi village created 100 seed balls with

clay and tree sapling seeds. These seed balls were planted along the watercourse region to promote environmental conservation. 10 students and 10 local children participated in the activity.

Dustbin Donated to Urban Poor

On 24th September 2023, II MCom students donated 150 biodegradable and non-degradable dustbins to 75 residents at Keerathottam. The donation was supported by local leaders, including Mr. Savariraj, Slum Leader, Mr. S. Amirtham, Secretary, and Mr. Selvenderan, Vice-Leader.

Solid Waste Management Awareness

On 16th February 2024, III BSc Mathematics students organised a Solid Waste Management programme at Mekkudi village. The initiative focused on waste segregation, recycling, and cleanliness. Activities included waste collection, awareness movies, and prize distribution for segregation winners. The programme was attended by 40 people, including village children and local leaders.

Tree Plantation in rural area

The Extension Department-SHEPHERD launched a tree plantation project across various villages, successfully planting 2,088 saplings. The initiative began on 8th August 2023 with III BSc Chemistry A students planting 750 saplings in Archampatti, followed by III BSc Chemistry B students who planted 200 saplings in Thalinji on 15th August. Other efforts included 50 saplings each in Chinnaputhur and Uppukachipatti (2nd and 9th September 2023), 50 in Alathur (22nd July 2023), and 29 in Sivanthanagar Colony (6th August 2023). On 5th October 2023, III BSc Physics B students planted 500 saplings in Pothavur, and III BSc CS A S-II students planted 60 saplings in T. Melapatti on 30th October 2023. Further plantation occurred in Keelaputhupatti (26th February 2023, 25 saplings), Annanagar, Srirangam (26th November 2023, 10 saplings), and Keerikalmedu (9th December 2023, 173 saplings). The final planting took place in Samathuvapuram on 8th October 2023 with 38 saplings. Engaging students from various disciplines, this initiative significantly contributed to environmental sustainability in the region.

HEALTH

Breastfeeding Week Celebration

On 3rd August 2023, II MSc Chemistry students organised a programme to commemorate Breastfeeding Week, aimed at raising awareness about the importance of breastfeeding for women's health. Dr. S. Padmapriya, M.D., a Paediatrician and Assistant Professor in the Department of Paediatrics at Mahatma Gandhi Memorial Government Hospital, Tiruchirappalli, was the Chief Guest. Dr. Padmapriya highlighted the role of breastfeeding in providing essential nutrients for newborns and promoting their overall development. She also stressed the consequences of incorrect breastfeeding practices. The event benefitted 20 women. The students thanked Dr. Padmapriya, Rev. Dr. T. Sahayaraj SJ (Director), and Mr. C. Jeyachandran (Senior Coordinator, Extension Department-SHEPHERD) for their support.

Awareness about Hand Wash and Prevention from Related Illnesses

On 1st July 2023, II MCA students organised an awareness campaign in Pathuvainagar to promote hand washing practices and prevent related illnesses. The main focus was educating people on the importance of hand hygiene in reducing bacteria and preventing infections, especially in healthcare settings. The campaign engaged 15 children, helping them understand the significance of good hand hygiene in maintaining health.

International Year of Millets (IYM) Awareness

In recognition of 2023 as the International Year of Millets (IYM), declared by the UN and the Indian Government, postgraduate students organised awareness programmes to highlight the benefits of millets, renowned for their low water consumption and high nutritional value. These programmes, organised by II MSc Chemistry, II MSc Maths, and II MSc Physics students, reached a total of 165 children. On 14th July 2023, II MSc Chemistry students facilitated the event at Nehruji Memorial Middle School, Melakondayampettai, with Dr. M. Sathiyasheelan, Assistant Professor, Department of Botany, and Mrs. Sivakumari, Headmistress, educating 85 children. On 22nd July 2023, II MSc Maths students organised the programme in Kondayampettai, with Mr. A. Natrajan, President, guiding 40 children. On 23rd July 2023, II MSc Physics students coordinated the event in Ambedkarnagar and

Gokhale Nagar, with Prof. A. Beno Susai Vijayakumar, Assistant Professor, Department of Biochemistry, and Rev. Fr. T. Sahayaraj SJ, reaching another 40 children, promoting awareness about sustainable agriculture and the nutritional value of millets.

Nutrition with Educational Indoor Activities

On 15th July 2023, III BA History students organised educational indoor activities and games for children from Anganwadi in an effort to provide both educational and nutritional support to children from families with traditional occupations such as daily wage earners and farmers. The programme impacted 12 Anganwadi children, with the college students also providing nutritious food to the children.

Health and Hygiene for Adolescent Girls

On 28th June 2023, III BA Economics students hosted an awareness programme on health and hygiene for adolescent girls at St. Patrick's High School in Alundur Panchayat. The event, presided over by Rev. Br. John Stuart Mill, included Dr. Georgia, Assistant Professor of the Department of Commerce, who gave a comprehensive overview of personal hygiene and menstrual health. A total of 187 girl students participated.

Breastfeeding Awareness Programme

On 6th August 2023, III BCom B students organised a breastfeeding awareness programme at the Anganwadi centre in Aruvakudi, Manikandam block, for lactating women. Mrs. Chitra, Anganwadi Worker, led the session, empowering mothers with knowledge on breastfeeding. The event benefited 25 lactating women, and the programme concluded with the distribution of healthy food to the attendees.

Health Awareness Programme

On 23rd July 2023, III BCom Honours students organised a health awareness session at Samathuvakuram, with Dr. R. Ragavi, a government physician from Kodumbalur, Pudukkottai district, attending as the chief guest. The session covered the importance of healthy eating, the dangers of processed foods, and the need for regular health check-ups, especially for women over 40. A total of 40 women participated in the session.

Body Mass Index (BMI) Test

On 21st January 2024, III BSc Computer Science students conducted a BMI test at V. Pallapatti village, where they provided analysis reports, discussed healthy eating habits, and demonstrated exercises. 26 people benefited from the programme.

Polio Immunization Programme

On 3rd March 2024, I M.Com. students conducted an awareness session about the importance of polio drops at Keerathottam. 102 children received the polio drops during this programme.

Free Medical Camp

On 25th February 2024, MSc Botany students organised a free medical camp in the urban area of Devadhanam, in collaboration with Trichy Child Jesus Hospital. The doctors Dr. Sr. Vijila Paulraj, Dr. Sr. Jakulin, and Dr. Sr. Paulin provided diagnoses and medicines to the patients. The camp, which offered health check-ups for BMI, blood pressure, and overall blood health, benefited 220 patients.

Free Eye Check-up Camp

Eye screening and general medical camps were organised in rural and urban areas to detect eye issues such as cataracts and glaucoma. A total of 436 patients were tested, and 16 patients were referred for eye surgery.

The camps were held at various locations: on 10th October 2023 at Archampatti, organised by III BSc Chemistry students with Mr. Suryapakash, Asst. Manager Vasan Eye Hospital, Trichy, and Dr. C. Rajarathinam (Dept. of Chemistry, SJC) as resource persons, benefiting 93 people; on 8th October 2023 at Neithalur, organised by III BSc Physics students with Rev. Fr. T. Sahayaraj SJ (Director, Extension Department-SHEPHERD) and Dr. A. Philip Arockiadoss (Dept. of Statistics, SJC) as resource persons, benefiting 94 people; on 10th December 2023 at Pothavur, organised by III BSc Physics students with Rev. Fr. T. Sahayaraj SJ as resource person, benefiting 153 people; and on 25th February 2024 at Govt. Hr. Sec. School, Srirangam, organised by MSc Physics students with Mr. P. Vijayakumar (Senior Coordinator) and a team from Mahatma Eye Hospital as resource persons, benefiting 96 people.

Herbal Awareness

On 8th October 2023, II M.Sc Physics students organised a Herbal Awareness event in Ambedkar Nagar, led by Mr. P. Vijayakumar (Senior Coordinator, Extension Department - SHEPHERD). The event featured a tree plantation programme, where 40 herbal saplings, including Thiruneetrapachalai, Tulasi, and Omavalli, were distributed to 16 attendees.

Health Awareness Programme

On 11th February 2024, III BA English S-II students hosted a Health Awareness Programme in Melanagamangalam for children, with Mrs. Shakila, ANM Nurse, Trichy, as the guest speaker. She discussed first aid, mother-child healthcare, and nutritious food, benefiting 50 children and parents.

Community Herbal Garden

The Community Herbal Garden project aims to promote herbal species, protect rare and essential healthcare herbs, and preserve indigenous knowledge of herbal medicine. Established in rural villages, the garden features 85 species, including poonai meesai, ranakalli, and adathoda.

On 2nd March 2024, II MSc Biotechnology students led an initiative in Panchapur, planting 15 varieties of herbs with the help of Mr. Premkumar, a local farmer. They distributed around 30 rare herbal plants to 20 farmers, educating them on their uses. Other gardens were set up by III BA English, III BBA, and III BSc Botany students in Inammathur, Thopupatti, Boothakudu, and Keelapatti, benefitting a total of 21 farmers.

COMMUNITY BASED ORGANISATION

Guest Lecture on Purpose of Getting Loan Community based Organisation

On 29th June 2023, MCA students hosted a guest lecture at Pathuvainagar for urban slum residents. Prof. S. Aruputharaj, Assistant Professor, Department of Business Administration at St. Joseph's College, spoke about business start-ups and government loan schemes. 15 participants attended.

Field Publicity Department Programme

On 5th December 2023, III BCom A students held an event in Keelaputhupatti village on government schemes. Mr. K. Devi Padmanathan, Field Publicity

Officer from the Central Bureau of Communication, highlighted central and state initiatives. 35 people attended.

OTHER ACTIVITIES

International Yoga Day other activities

On 23rd June 2023, II MSc Chemistry students organised an International Yoga Day at Government Adi-diravidar Welfare Middle School, Nadukondayampettai. Mr. Karthick, Assistant Director, New Hostel, St. Joseph's College, was the Chief Guest. 20 children participated.

Kabaddi Tournament

On 22nd February 2024, BCA B S-II students organised a Kabaddi tournament in Thuraikudi village, where 14 youth benefitted, and 40 people participated. The Panchayat President awarded medals to the winners.

Exposure Visit

UG and PG students organised a field trip to explore religious and tourist sites in Trichy, with the participation of 115 students.

SEMINARS, TRAININGS, WORKSHOPS AND LECTURES

Two-Day Workshop on Siddha and Ayurveda Medicine Preparation and Treatment

On 25th and 26th April 2023, the Extension Department-SHEPHERD, organised a two-day workshop on Siddha and Ayurvedic Medicine Preparation and Treatment at St. Joseph's Herbal Garden, Nagamangalam, for representatives of the Catholic Health Association of Tamil Nadu (CHAT). The workshop aimed to strengthen Catholic health centres by providing comprehensive healthcare to the underprivileged. Twenty-one delegates from ten Catholic institutions across Tamil Nadu participated.

The event was inaugurated by Rev. Sr. Siriypushpam, President of CHAT, who emphasised the importance of integrated herbal medicines in healthcare. Mr. M. Francis Xavier, Programme Manager of CHAT, gave an introductory talk, highlighting the need for herbal remedies to become accessible to everyone. Dr. P. Rajalakshmi, Siddha Physician from CARISM, Sastra University, Thanjavur, served as the Chief Guest, explaining the human body's functions, diseases, and their remedies.

On the first day, Mr. C. Jeyachandran, Senior Coordinator, SHEPHERD, discussed the significance of herbal medicine, while Mr. S. Lenin, Senior Coordinator, took participants on a garden tour, demonstrating medicinal plant identification. On the second day, hands-on practice using antique tools allowed participants to prepare external and internal herbal remedies. The workshop concluded with a test, and winners were awarded. Each participant received a first aid kit and learning materials.

Faculty Development Programme

The Extension Department-SHEPHERD organised a three-day workshop on research methodology from 11th to 13th October 2023 at St. Joseph's College. Rev. Dr. Joseph Xavier SJ, St. Joseph's College, was the resource person. Seven staff members participated, learning about research types, objectives, variables, and analytical methods. On 7th November 2023, another faculty development programme on "Evaluative Study of SHEPHERD" was conducted, with Rev. Dr. Joseph Xavier as the guest speaker. Additionally, Director Rev. Fr. Sahayaraj SJ provided a three-day orientation on Service-Learning methodologies, enhancing the team's outreach activities with insights from Rev. Sr. Arul via video conference from Rome.

Workshops on Herbal Medicine

The Extension Department – SHEPHERD, St. Joseph's College, organised four workshops on herbal medicine for second-year undergraduate students at the College Herbal Garden in Nagamangalam. The workshops aimed to raise awareness about herbal medicine, promote holistic health, conserve endangered species, and teach the differences between allopathy and Siddha medicine. Students also learned about growing herbal plants and earning through them. Practical sessions involved preparing Chooranam, Oil, Thailam, and Lahiyam. A total of 148 students participated.

The workshops took place on 11th January 2024 (two sessions) at Servite Arts and Science College for Women, Thogamalai; 24th February 2024 for III BSc Vis Com students; and 28th February 2024 for selected UG students. Resource persons included Rev. Dr. T. Sahayaraj SJ, Director, Sr. Roslin, Principal, Servite Arts and Science College for Women, Thogamalai, Mr. S. Lenin, Mr. C. Jeyachandran, and Mr. T. Joseph Christhu Raja.

ETHNOBOTANICAL ACTIVITIES

Herbal Collection Visit to Sirumalai

On 20th October 2023, the Extension Department-SHEPHERD staff visited Sirumalai, including locations like Vanagam Nammalvar Ecological Foundation, Agasthiyar Puram, and Inba Seva Sangam in Sevapur. The team, led by Rev. Dr. T. Sahayaraj SJ, Director, along with Mr. P. Vijayakumar, Mr. S. Lenin, Mr. S. Jeyaseelan, Mr. T. Joseph Christu Raja, Mrs. Yasodai, and Mr. Amaleshwaran, collected 32 varieties of herbs, including rare plants, and explored a stress-relieving area built by Inba Seva Sangam.

Central Herbal Farm, Nagamangalam

Since 1994, the Central Herbal Farm in Nagamangalam has promoted ethno-botanical activities. The farm, managed by a dedicated team led by Rev. Dr. T. Sahayaraj SJ, includes 52 plots with 220 medicinal plant species. The farm also conducts training programmes on herbal medicine preparation, guided by Mrs. P. Rajalakshmi, a Siddha doctor from Thanjavur.

Trainings and Exposure Programmes

The Extension Department – SHEPHERD organised several workshops and exposure visits on herbal medicine and farm practices. On 14th December 2023, Mr. S. Lenin, Mr. S. Jeyachandran, and Mrs. Yasodha conducted a workshop for 43 students and 2 staff from Servite Arts and Science College, Thogamalai. CAMPUS MINISTRY

The St. Joseph's College Campus Ministry, led by Rev. Fr. Rajasekaran SJ, plays a pivotal role in fostering the spiritual well-being of both students and staff. A dedicated team of 10 professors organises various spiritual activities throughout the year.

Regular prayer services, including the inauguration of academic years and monthly Holy Masses, cater to the spiritual needs of Catholic students. Motivational sessions are also conducted for non-Christian students. Spiritual retreats provide reflection, prayer, and personal growth opportunities for Catholic students and staff.

The annual CHRISMA celebrations involve a range of events and competitions, fostering a festive and joyous atmosphere. Special prayer services and pilgrimages commemorate the life and teachings of St. Ignatius of Loyola, the founder of the Society of Jesus. On Tuesdays, a dedicated

group of around 50 students gathers for prayer and reflection.

Through these initiatives, the Campus Ministry aims to create a spiritually enriching environment and promote values such as compassion, justice, and service.

Special gratitude is extended to senior members and the newly appointed tutor, Mr Thomas, for their dedication and support as the Band continues its pursuit of musical excellence and contribution to St. Joseph's College and Higher Secondary School.

FR. EHRHART COMPUTER CENTRE (ECC)

The Fr. Ehrhart Computer Centre (ECC) at St. Joseph's College (Autonomous) caters to the essential computer needs of Arts and Science students. The ECC boasts 192 of the latest computers spread across three labs. Its top-of-the-line IBM, a "Blade Server," features the newest technology with Xeon E5504 processors, 1 TB hard disk, 16 GB RAM, and zero downtime dual set circuits. Nine NetGear 24-port network switches, nine patch panels with power managers, and a KVM switch that connects to eight server blades for power distribution have been installed.

Lab 3 has been upgraded with 40 new computers featuring i7 12th Gen processors, 500 GB NVME M.2 SSDs, 32 GB DDR4 RAM, and state-of-the-art LED monitors. To match the speed of the new server and client machines, the ageing 100 MB/Sec network cables have been replaced with CAT 6 cables, enabling 1000 MB/Sec speed. Additionally, EB lines have been renewed and restructured for improved safety.

For uninterrupted power supply, the ECC maintains updated UPS systems with a new 40 KVA UPS, a 30 KVA UPS, and a 20 KVA UPS,

all backed by 91 brand new 40AH tubular batteries. They utilise a multi-function Canon Image Runner 2520 laser printer, a Lipi T6306 printer, and a Printronix P8005 Line Matrix printer for high-quality project outputs.

The centre plays a crucial role in supporting various academic and administrative activities, including online classes, exams and programmes like Self-Paced Learning Courses, JOSTEL LMS Programme workshops, ACCA FR exams, ICT Skills Training for Non-Teaching Staff, component exams, soft skills exams, staff evaluations, and student satisfaction surveys.

Furthermore, the ECC extends its services to the community, providing basic computer training to rural students from Shepherd Village. The centre's commitment to continuous upgradation ensures that it remains at the forefront of technology, with regular updates to hardware and software. The Fr. Ehrhart Computer Centre exemplifies St. Joseph's College's dedication to providing students with the latest technology and resources for academic success.

FR. SAVARIRAJ COMPUTER CENTRE (SCC)

The Fr. Savariraj Computer Centre (SCC) at St. Joseph's College operated with two IBM x-series Servers: an IBM x3500 M4 (utilised for ERP under the DBT Scheme) and an IBM x3400 Server

dedicated to SCC functions, both housed at JCICT. The SCC also boasted about 75 nodes allocated for student use and 2 nodes designated for System Admins. These nodes were equipped

with Intel Core i5 processors, 4/8 GB of RAM, and varying storage capacities of 500GB, 1TB HDD, or 250GB SSD, providing a higher-end configuration. Furthermore, there were 11 desktop systems available to support hardware assembling in practical sessions in Fr. Mathew Moolle's Hardware and Networking Lab.

Additional work has been carried out besides the regular practical sessions for the students. The "Non-Major Elective (NME)" Selection Process for all first-year UG students of all departments in our college, Shift 1 and Shift 2, was held on 3rd and 4th July 2023. The CIA Component-1 Online Test was conducted through JosTEL (LMS) for all the students during the odd semester between 14, 24 and 25 August 2023. The SCC provided technical support for conducting a Certificate Course on "Coding for Beginners" with a total of 3 batches consisting of 149 students from various departments between 9th August and 13th December 2023. It conducted Staff Evaluation for all UG and PG students on September 20 and 21, 2023.

- The selection process for Generic Electives, catering to 2nd and 3rd-year undergraduate (UG) students from Shift 1 and Shift 2, was supervised between 7th and 9th October 2023. Technical support was provided for conducting a Certificate Course on "Data Analysis Using Spreadsheet and Python" for 66 students from various departments between 4th and 11th October 2023. An online test for the Campus Drive was conducted by Nallas Software Solutions Pvt. Ltd., Coimbatore, through the Training and Placement Cell, St. Joseph's College, Tiruchirappalli-2, in the SCC Lab on 21st November 2023. The Young Student Scientist Programme (YSSP), organised by the "Tamil Nadu State Council for Science and Technology" and the "Extension Department – SHEPHERD, St. Joseph's College (Autonomous), Tiruchirappalli-2," was orchestrated, with practical sessions facilitated in the SCC Lab for 9th Standard Government School students of

Tiruchirappalli and Pudukkottai Districts, between 27th December 2023 and 8th January 2024.

ARCHBISHOP CASIMIR INSTRUMENTATION CENTRE (ACIC)

The Archbishop Casimir Instrumentation Centre (ACIC) was established as part of the UGC-sponsored College with Potential for Excellence scheme. Its primary objective is to provide physical and life science researchers access to high-end research equipment. The centre houses a spacious air-conditioned laboratory equipped with state-of-the-art research instruments. Over the past eighteen years, the ACIC has served researchers from more than 135 colleges, 20 universities, and 28 engineering colleges in the southern region of Tamil Nadu. The centre offers fully automated equipment and regularly organises demonstration sessions for college students.

The ACIC has been actively involved in various activities, including:

- **Demo Programme:** On 6th October 2023, the Department of Chemistry, St. Joseph's College, Trichy, organised a demo program for I-PG Chemistry students.
- **Demo and Lab Visit:** On 24th November 2023, the Department of Physics, Theivanai Ammal College for Women, Villupuram, conducted a demo and lab visit for II-PG students.

- **Lab Visit:** On 6th January 2024, the Department of Chemistry, St. Joseph's College, Trichy, organised a lab visit for II-UG students.
- **Demo and Lab Visit:** On 22nd January 2024, the Department of Physics, St. Joseph's College, Trichy, conducted a demo and lab visit for III-UG students.
- **Workshop of Instrumentation for PG students:** On 21st February 2024, the Department of Botany, St. Joseph's College, Trichy, organised a seminar for II-PG students.
- **Demo and Lab Visit:** On 24th February 2024, the Department of Botany, Holy Cross College, Trichy, conducted a demo and lab visit for III-UG students.

The centre is administered by Rev. Dr M. Arockiyasamy Xavier SJ, who is the Director; Dr A. Arun Viveke, the staff coordinator; Mr Y. Vincent Sagayaraj, the Lab Administrator; and A. Arockia Iruduayasamy, the lab technician. It operates from 9 a.m. to 5 p.m., Monday through Saturday.

JOSEPH'S ACADEMY OF SOFT SKILLS (JASS)

St. Joseph's College has implemented the Joseph's Academy of Soft Skills (JASS) to equip students with essential skills for future success. For undergraduate students, the programme focuses on enhancing employability skills and fostering holistic development. The training is conducted in

two-hour sessions, divided into 18 sections for each shift. Two faculty members handle each section. The programme emphasises advanced soft skills and critical thinking for postgraduate students. The training sessions are four hours long, with smaller group sizes and faculty rotation to

facilitate personalised learning. Through JASS, the college aims to provide students with the necessary

skills to excel academically and professionally.

ST. JOSEPH'S IAS ACADEMY

The St. Joseph's IAS Academy was inaugurated on 28th October. Rev. Dr. K. Amal SJ, Secretary, and Rev. Dr. M. Arockiasamy Xavier SJ, Principal, felicitated the gathering. Mr P. Suresh Kumar, Deputy Director (Rtd), Employment office, Trichy and Prof G. Balakrishnan, former Vice Principal & Head, Department of English, St. Joseph's College, were the chief guests. They motivated and provided suggestions to young aspirants. The first class was handled by Dr. M. Maruthai, former Professor and Head of Bharathidasan University,

Trichy. He also shared his experience of clearing prelims and mains. Nearly thirty students are undergoing training in this academy. The topics of Aptitude, Logical reasoning, Indian History, Polity and Governance, Geography, Environmental Studies, Indian Economics, etc., were discussed by eminent faculty members. This year, 12 books were given to all the aspirants. These books cover all the topics. The aspirants welcomed these initiatives and thanked Fr. Principal and course coordinator, Dr. J. Maria Joseph.

REMEDIAL CLASSES

Department of Botany: A remedial class programme was initiated in February 2024 to support students who scored below 20 out of 60 marks in Internal Assessments (CIA) for Bryophytes, Fungi, Plant Pathology, and Lichens. Dr. T. Francis Xavier, the staff in charge, led the programme, focusing on improving student performance in both internal and external exams. Remedial classes were conducted on alternate working days from February 2024, 2:00 p.m. to 4:00 p.m. The programme included:

- **Focused Curriculum:** Tailored to specific student needs
- **Comprehensive Learning Resources:** Hard copies, detailed notes and PowerPoint presentations
- **Regular Assessment:** Periodic class tests and a comprehensive evaluation

The programme successfully provided targeted support, contributing to improved academic performance.

B.Voc. (Software Development & System Administration): Java programming classes were conducted for slow learners, focusing on

overcoming specific challenges and improving grades.

Department of Commerce (Shift -II): Dr. S. Jerome and Dr. J. Berkman conducted remedial classes for slow learners in subjects like Financial and Corporate Accounting. Around 10-14 students attended regularly, some facing attendance challenges due to jobs, and health issues. Course fees were collected, and attendance was tracked.

Department of Economics: Remedial Microeconomics and Statistics sessions led by Dr. Makala Gandhi and Dr. Ganesasubramanian were conducted from January to March 2024. Classes focused on boosting performance in internal and external exams, with students kept informed through a WhatsApp group.

Department of History: Remedial sessions for I and II-year History students covered topics in ancient Indian and Tamil history. Classes were conducted weekly from January to early March 2024, with significant attendance and improvement in performance.

Department of Information Technology: Remedial classes for Relational Database Management Systems were held, with 17 students

enrolled. However, only 12 attended consistently. Sessions focused on reinforcing core concepts using materials like PPTs and PDFs.

FACULTY DEVELOPMENT PROGRAMME

St. Joseph's College organised three Faculty Development Programmes (FDPs) on 22nd July 2023 and 9th December 2023 to enhance junior staff's academic writing and research skills. The FDPs covered topics such as academic writing theory and practice, navigating the manuscript writing process, exploring the editorial process, refining manuscripts, research instruments and their construction and validation. A total of 58 staff from both college shifts participated in these programmes.

Rev. Dr. Francis M. Peter SJ, handled sessions on academic writing. Dr. S. Selvaraj, Assistant Professor of Physics, Saveetha School of Engineering, delivered lectures on research methodology and manuscript writing. Dr. G. John, Associate Professor of Commerce, focused on research instruments and their validation. The resource persons highly appreciated the staff's active participation.

MENTORING

Mentoring at St. Joseph's College is a structured programme designed to support students' holistic development. The programme aims to foster a sense of belonging and connection among students, providing them guidance, support, and encouragement. Mentors, typically faculty members, play a crucial role in nurturing students' Formal mentoring sessions are conducted regularly, with mentors meeting their assigned students during specific time slots. Informal mentoring also takes place, allowing students to seek guidance and support as needed. Dr. A. John Balaiah's video on effective mentoring implementation has been a valuable resource for

BASIC ID (Behaviour, Affective, Spiritual, Imaginative, Cognitive, Integrative, and Dependent) tendencies. They serve as teachers, guides, counsellors and friends, aligning with the mission of the college to shape responsible citizens.

the programme. The mentoring programme at St. Joseph's College is a worthwhile initiative that contributes to students' overall well-being and academic success. The programme empowers students to reach their full potential by providing a supportive and nurturing environment.

FR. JEROME CENTRE FOR INFORMATION AND COMMUNICATION TECHNOLOGY (JCICT) - ERP

St. Joseph's College has taken significant strides in leveraging Information and Communication Technology (ICT) to enhance the quality of education and research. The commitment of the college to technological advancement is evident in the following key initiatives:

Infrastructure Upgrades

- **Server Room Expansion:** The acquisition of new DELL servers and UPS batteries has boosted the server room's capacity and reliability.
- **Enhanced Laboratory Facilities:** The installation of new air conditioners and a multi-function printer has improved the learning environment in the UG lab.

- **Advanced Security Systems:** The deployment of artificial intelligence-powered CCTV cameras has enhanced security on campus.

Digital Initiatives

- **International Conference Portal:** Developing a dedicated portal has streamlined the management and reporting of international conferences.
- **Biometric Attendance System:** Implementing fingerprint and face recognition technology has improved attendance tracking and management.
- **JHL Web Portal:** The launch of the Joseph's Hub for Languages (JHL) web portal,

integrated with a payment gateway, has facilitated online language learning and resource access.

- **ICICI e-pay Integration:** The integration of ICICI e-pay has simplified online payment processes for various college services.
- **JCICT-ERP:** The ERP system, JCICT-ERP, serves as a digital backbone, exposing students to technology and streamlining administrative processes.

By embracing these technological advancements, St. Joseph's College is improving its academic offerings and positioning itself as a leader in educational technology.

AMBIENT AIR QUALITY MONITORING STATION

St. Joseph's College has taken a proactive step towards environmental conservation by establishing an Ambient Air Quality Monitoring Station. This station, supported by the Tamil Nadu Pollution Control Board, Chennai, continuously monitors air quality parameters, including PM10, PM2.5, SO₂, NO_x, CO, O₃, NH₃, temperature, relative humidity and wind speed.

The real-time data collected by the station is displayed on an LCD screen at the campus entrance, making the public aware of the current air quality. Additionally, the data is shared with neighbouring institutions for research purposes, fostering collaboration and knowledge exchange. The station also serves as an educational tool, with over 120 school students visiting to learn about air

quality monitoring and its significance. The college ensures compliance with environmental regulations and contributes to sustainable practices by monitoring air quality. The station's data supports research projects, such as those undertaken by final-year UG students.

The Air Quality Monitoring Station positively impacts the community by raising awareness about air pollution and its health implications, encouraging eco-friendly practices, supporting research and academic studies, and identifying potential air quality issues for proactive mitigation. St. Joseph's College establishes this station and demonstrates its commitment to environmental sustainability and contribution to a cleaner and healthier environment.

ENTREPRENEURSHIP DEVELOPMENT CELL

The Entrepreneurship Development Cell (EDC) of St. Joseph's College, Trichy, organised an expert talk on "Success Stories of Entrepreneurship" for the cell members to encourage students and motivate their ideas and innovations and entrepreneurial culture into their minds. The cell strives to identify the potential of entrepreneurial

talents among students and nurture them by imparting entrepreneurship training and education.

Through sharing stories and lectures by successful entrepreneurs, investors and experts in various fields related to entrepreneurship, the initiative provides a platform for interaction between professional and student entrepreneurs.

Programme Organised

An inspiring session on “Successful Entrepreneurship” was organized on 13th December 2023, featuring Chief Guest Mrs. Archana Ganapathy, Director of Super Star Pizza Trichy, Baskin Robbins, and Beijing Bites. In a dynamic initiative to foster an entrepreneurial spirit, the Entrepreneurship Development Cell of St. Joseph's College (Autonomous) Trichy recently orchestrated an enlightening expert session for Club members and students of Management Studies. In her Chief Guest's address, Mrs. Ganapathy shared an insightful perspective, emphasising that 'Salary means Selling our dream,'

encouraging attendees to consider entrepreneurship as a means of realising their aspirations.

Reverend Fr. Berchmans SJ, Director, Innovation Start-up and IPR Cell, graced the occasion, felicitating the event and adding a spiritual touch to the entrepreneurial hunger. The dedicated coordinators Dr. V. Bastin Jerome, Dr. John Prabakaran, and Prof. Arputharaj orchestrated the function. Their collaborative efforts ensured the smooth execution of the session, creating an engaging and enriching environment for all participants.

ST. JOSEPH'S COLLEGE ALUMNI ASSOCIATION

St. Joseph's College Alumni Association, led by Rev. Dr. M. Arockiasamy Xavier SJ, has actively engaged with alumni worldwide. With a strong focus on fostering connections and promoting the legacy of the college, the association has organised various events and initiatives. The association has successfully established chapters in the USA, Europe, the Middle East, Bangalore, Coimbatore, Chennai, and Northern Tamil Nadu. Regular meetings of the Executive Council, comprising 35 members, are held to discuss and plan future activities. The association has 14,093 registered members, including 13,691 life members and 402 patron members.

In 2023-2024, the association organised numerous events, including reunion meetings at various departments, which provided opportunities for alumni to reconnect and share experiences. Special events like the MCA 1995-98 Silver Jubilee Reunion celebrated significant milestones and strengthened alumni bonds. The USA Alumni Chapter Reunion, "Sangamam 2023," held on 19th August 2023 in Nashville, TN, brought together nearly 500 alumni. The event was graced by the presence of Rev. Dr. M. Arockiasamy Xavier SJ, who emphasised the importance of alumni contributions to the legacy of college.

The SJC Alumni Lawyers' Gathering 2023, held on 23rd September 2023, brought together legal professionals for discussions and networking. The Retired Professors' Reunion 2023, held on 7th October 2023, honoured the contributions of esteemed faculty members. Rev. Fr. Stan Swamy SJ Endowment Lecture, held on 21st December 2023, highlighted the significance of human rights. Mr. Henri Tiphagne, Advocate and Executive Director of People's Watch, delivered the lecture on "India's Contribution to the Universal Declaration of Human Rights 1948 and its relevance today."

Alumni Coordinators' Meetings were held in December 2023 and February 2024 to coordinate activities, expand the alumni network, and discuss the association's functioning. The Josephites' Global Reunion 2024, held on 24th February 2024, brought together alumni from around the world for a memorable gathering. The event recognised distinguished alumni and discussed plans for the association. Through these initiatives, the SJC Alumni Association continues to strengthen connections among alumni, support the college, and contribute to society.

INTERNATIONAL PROGRAMMES

The college signed an MOU with the Institute of Analytics (IoA), UK, to offer various programmes and courses to students of different disciplines in business Analytics. The college also entered into an MOU with US CMA and Miles Education to provide a US-based CMA programme to our students. The MOUs signed with the Association of Chartered Certified Accountants (ACCA) and International Skill Development Corporation (ISDC) are in functional mode. The ISDC conducted 160 Sessions during 2023-2024 as part of the MOU. Similarly, ACCA organised orientation programme and lectures for B.Com. Honours Students.

This year, a group of seven students from Germany visited the campus on 18th January 2024 as part of a collaborative initiative and interacted with the students of English and B. Com Honours. They discussed culture, education, and political systems. The college also has a functional MOU with Fu Jen Catholic University, Taiwan. The college has introduced a one-month international internship for interested students in association with Binary University Malaysia. The programme to offer online courses in collaboration with foreign universities is in an advanced stage.

CERTIFICATE COURSES

St. Joseph's College has consistently strived to provide students with a comprehensive education that equips them for future success. In 2023, the college's certificate courses played a pivotal role in achieving this goal. A wide range of certificate courses were offered to cater to various interests, including Fundamentals of Cancer Biology, Data Analysis using Spreadsheet and Python, Coding for Beginners, Digital Resilience - Cyber Security for ALL, Data Analysis and Processing, LaTeX for Technical Writing, Employability Skills, Applications of Statistics, Tech-Sci Literature,

Enhancing Listening Skills, and Economics for Competitive Examinations.

Collaborations with industry experts and organisations ensured that the course content was relevant and up-to-date. Hands-on training, workshops, and industry visits provided students with practical experience. Approximately 750 students benefited from these courses, gaining valuable skills and knowledge. Many students secured internships and job placements in leading companies. Egbert Selwin Rose A is the Coordinator of the Certificate Course Committee.

Suganthi, Assistant Professor, Department of Economics, SRC Trichy, also shared expertise on Business Economics.

BRIDGE COURSE

Bridge Course entry-level test was conducted by the Department of English, St. Joseph's College, on 30th June 2023 to assess the English language proficiency of first-year undergraduate students. Based on the results, students were categorised into three levels: basic, intermediate, and advanced. An orientation programme was organised on 6th July 2023 to equip faculty members with the tools and strategies for effective Bridge Course delivery. Dr. V. L. Jayapaul developed materials for the basic level, Dr. J. John Love Joy for the intermediate level, and Dr. D. R. Edwin Christy and his team for the advanced level.

Bridge Course was conducted by the Department of English, St. Joseph's College, for 50 hours from 12th July to 1st September 2023. A team of faculty members and research scholars from both shifts dedicatedly handled the classes. Internal assessments evaluated students' speaking, listening, reading, and writing progress. A review meeting was held on 14th September 2024 to discuss the Bridge Course's effectiveness and identify areas for improvement. Faculty members shared their insights and suggestions for future iterations of the programme.

JOSEPH'S TECHNOLOGY ENHANCED LEARNING JOSTEL)

Throughout the academic year 2023-2024, JosTEL played a pivotal role in enhancing the learning experience at St. Joseph's College. It organised a special semester examination on 25th April, 2023, to allow students to consolidate their knowledge. A five-day virtual Faculty Development Programme was conducted from 13th July to 19th July, 2023, to equip faculty with the skills necessary for effective online teaching.

JosTEL offered specialised Value-Added Courses in Digital Marketing and Introduction to Theatre Arts to enhance student skill sets. Regular assessments, including Component I, were conducted to monitor student progress. Additionally, sessions were held for arrears on May 24 and 25, and October 27 and 28, and supplementary exams to accommodate students' academic needs on 10th June. JosTEL is committed to further innovating and enhancing the learning experience at St. Joseph's College.

INNOVATHON- 2024

St. Joseph's College successfully organised "Innovathon 2024," a national-level innovation contest, on 23rd February 2024. The event was inaugurated by Rev. Dr. K. Amal SJ, who emphasised the importance of innovation and technology in addressing contemporary challenges. The competition witnessed active participation from 41 teams, including 24 from the college and 17 from other institutions. Students showcased innovative projects in digital communication, waste management, software applications, and herbal products.

Expert judges, including Dr. A.T. Ravichandran and Dr. S. Vaaheedha Kfatheen, evaluated the projects based on feasibility and applicability. During the valedictory function, the winners were awarded cash prizes. "Innovathon 2024" provided a platform for students to showcase their creativity, problem-solving skills, and innovative ideas. The event fostered a culture of innovation and encouraged students to contribute to societal progress.

ST. JOSEPH'S INSTITUTE OF TALLY EDUCATION (JITE)

JITE had a productive year in 2023-2024, focusing on skill development through its certificate courses and TEPL certification programme. Many batches of students attended the programmes, successfully completing them with a high pass rate in the TEPL certification exams. JITE provided comprehensive support to students, from enrolment to final certification, including access to online resources and proctored exam facilities. A significant achievement was the publication of the "Tally Primer" book, authored by Dr. G. John, a valuable resource for students.

The success of JITE's programmes is attributed to the dedicated efforts of the staff and the visionary leadership of Rev. Fr. Arockiasamy Xavier. The year 2023-2024 was a significant period for JITE. The institute successfully conducted Certificate Course for many batches of students, with 45 students completing the course in August 2023, and 46 students completing it in January 2024. Additionally, a new batch of 54 first-year B. Com (Hons) students commenced the course in February 2024.

A notable achievement was the successful completion of the TEPL certification exam by the

entire batch of 37 second-year M. Com students. This impressive result saw 31 students securing an "A+" grade and 6 students securing an "A" grade. JITE continued its commitment to student support by assisting students in enrolling with Tally Education Private Ltd. (TEPL) for online certification. The institute monitored students' progress through mock tests and facilitated the final proctored online certification exam at the Ehrhart Computer Centre.

To enhance the learning experience, JITE published a book titled "Tally Primer," authored by Dr. G. John, covering both theoretical and practical aspects of Tally Prime software. The dedicated team of faculty members, including Dr. Antony Jesuraj, Dr. Julius Ceasar, Dr. Vinoth Kumar, and Ms Bella, played a crucial role in the success of these initiatives. The support provided by Rev. Fr. Arul Oli, Director of Ehrhart Computer Centre, and the visionary leadership of Rev. Fr. Arockiasamy Xavier, Director of the Institute, were instrumental in achieving these accomplishments. JITE remains dedicated to empowering students with the skills needed to excel in accounting.

VERMICOMPOST YARD

St. Joseph's College has implemented a comprehensive solid waste management strategy to promote environmental sustainability. Since 2017, the college has established a vermicompost yard to convert organic waste into valuable bio-fertiliser. This eco-friendly approach not only reduces waste but also enriches the soil quality. The produced vermicompost is used for campus gardening and sold to outside buyers at subsidised prices.

To further enhance waste management practices, the college has placed over 100 recycling bins across the campus to segregate biodegradable and non-biodegradable waste, aligning with the Swachh Bharat initiative. The college's lush green campus, adorned with over 1153 plant species,

including some century-old trees, contributes to a clean and healthy environment. The fallen leaves and other organic waste from these plants are utilised as feedstock for the vermicompost process.

The college also adopts sustainable practices in managing waste from hostels and canteens. Food waste is repurposed as feed for fish and pigs, minimising environmental impact and promoting circular economy principles. By implementing these innovative waste management strategies, St. Joseph's College demonstrates its commitment to ecological sustainability and sets an example for other institutions.

THE RAPINAT HERBARIUM AND CENTRE FOR MOLECULAR SYSTEMATICS

The Herbarium at St. Joseph's College has been a hub of botanical exploration and education. During the academic year 2023-2024, it welcomed a diverse range of visitors, including 1068 students from the college itself, 14 students from Providence College for Women, Coonoor, and 159 school students from St. Joseph's College, Hr. Sec. School, Tiruchirappalli, 100 students from Government Hr. Sec. School, Elurpatti, Government Hr. Sec. School, Balasamudram, and Government Hr. Sec. School, Kattuputhur. Additionally, 11 research scholars from various institutions, such as the Manipal Academy of Higher Education, Madurai Kamaraj University and Calicut University, visited the herbarium for consultation and reference.

The herbarium also served as a valuable resource for students and faculty from diverse academic fields. A total of 88 individuals from institutions like Srimad Andavan Arts and Science College, Trichy Research Institute of Biotechnology,

A.V.V.M. Sri Pushpam College, H.H. The Rajah's College, National College, Krishna Pharmacy College, Bharathidasan University, Tamil University, Rajah Serfoji Government College, Avinashilingam Institute for Home Science & Higher Education for Women, and many more, sought consultation, identification, and authentication of plant specimens.

As part of the St. Joseph's College Research Grant (SJCRCG 2023-2024), the herbarium team conducted 20 field trips to various districts. These expeditions yielded over 190 specimens of angiosperms and pteridophytes, including common, endemic and threatened species. These specimens were carefully preserved and added to the herbarium collection, with some selected for the RHT conservatory. The herbarium's contributions to botanical research were significant. The RHT published five research articles in internationally and nationally recognised journals during the academic year. Two notable

discoveries were highlighted: the new species *Justicia tamilnadensis* and the latest report of *Dipcadi krishnadevarayae* for Tamil Nadu. These

publications further solidified the herbarium's reputation as a botanical research and education centre.

INCUBATION AND INNOVATION CELL

The Incubation and Innovation Cell at St. Joseph's College, Tiruchirappalli, successfully organised "Ideathon 2024", a platform designed to nurture and showcase student innovation. A total of 43 teams from various departments participated, submitting their creative ideas on 22nd January 2024. A rigorous evaluation process conducted by expert judges led to the selection of 19 teams for the second round. On 21st February 2024, the 19 selected teams presented their innovative ideas to a panel of external judges: Dr Vinoth Kanna from MAM College of Engineering and Technology, Trichy, and Dr Arul Pon Daniel from Loyola College of Arts & Science, Mettala. After careful deliberation, six teams were identified for potential support from the Incubation and Innovation Cell's Start-up, including funding opportunities. Ultimately, three teams secured the top three positions, and another three received consolation prizes.

The Incubation and Innovation Cell organised an exposure visit to the Entrepreneurship

Development and Innovation Institute (EDII) at the University College of Engineering, BIT Campus, Tiruchirappalli, on 27th February 2024 to further foster innovation and entrepreneurship. Nine faculty members from St. Joseph's College participated in the visit. The visit commenced at the Centre for Excellence in NanoBio Translational Research. Dr. K. Ruckmani, the Director and Professor of Pharmaceutical Technology, welcomed the group and provided insights into the state-of-the-art facilities, including microbial incubators, biochemical analysers, and chromatography equipment. Subsequently, the team met with Mr. Vinoth Malaikani, CEO of EDII, who shared valuable information about the support and resources available for aspiring entrepreneurs and innovators. This exposure visit provided valuable insights and inspiration for the faculty members to further encourage and support innovation within the college.

JOSEPH'S START-UP CENTRE (JSC)

JSC's commitment to fostering innovation and collaboration was strengthened through a significant incubation agreement with Matz PCB Pvt. Ltd. This strategic partnership exemplifies our dedication to nurturing start-ups. After a rigorous selection process, JSC successfully finalised one start-up for the academic year. This initiative underscores our commitment to supporting emerging enterprises and contributing to the entrepreneurial ecosystem.

The consultancy wing of JSC expanded its services by incorporating SPSS consultancy, which the Statistics Department provides. This enhancement empowers us to offer comprehensive support to

start-ups across various domains. JSC invested in a state-of-the-art Bambulabs 3D printer X1 series to further bolster our capabilities. This cutting-edge technology empowers us to improve prototyping and manufacturing processes, driving innovation and product development.

The P10 display proved valuable, enhancing the effectiveness of seminars and events across departments. Additionally, its strategic utilisation contributed to revenue generation. A dedicated product stall was launched to showcase the innovative products developed within JSC. The successful sale of LED bulbs and other products

demonstrated the commercial potential of these initiatives.

Two students were employed under the "Earn While You Learn" scheme, gaining practical experience and contributing to the start-up centre's day-to-day operations. This initiative fosters a dynamic and collaborative work environment. As

we reflect on the past year's accomplishments, JSC remains dedicated to nurturing entrepreneurship, fostering collaborations, and empowering the next generation of innovators. We sincerely thank all stakeholders, partners, and students for their invaluable contributions.

SJC - IPR CELL

The IPR cell at St. Joseph's College was pivotal in fostering innovation and protecting intellectual property during the 2023-24 academic year. A strategic partnership was formed with Trinity Patent Solutions to encourage patent submissions. This collaboration, facilitated by a Memorandum of Understanding (MOU), offered a bundled package for 10 patents. To further incentivise innovation, the college administration committed to covering the total filing costs for Indian patents submitted by staff and students. As a result, faculty members successfully submitted five patents through these programmes.

The IPR cell also drafted a new IPR policy in consultation with the IQAC. This policy is being

implemented to provide a framework for protecting intellectual property rights within the institution. The IPR cell called for patent facilitation applications to support faculty members in the patent filing. The cell actively assisted faculty members by conducting prior art searches, convening review committee meetings, and providing guidance on improving patent proposals.

Once finalised, the patent documents were submitted to Trinity Patent Solutions for further processing. The IPR cell maintained ongoing communication between the inventors and Trinity Patent to expedite the patent filing.

Raj delivered the welcome address, and the praesidium included Dr I. Johnson (HOD), Dr S. Dinakaran and Dr S. Lourduraj. Dr. Jerald Vijay presented a lecture on Terahertz radiation and its applications. By organising these events, the

Stephen Hawking Innovation Club successfully created a platform for students to explore cutting-

edge topics, engage in intellectual discussions, and contribute to a vibrant academic community.

BARDS' CLUB

The Bards' Club at St. Joseph's College has emerged as a vibrant platform for aspiring writers and poets. The club has successfully organised several meetings to inspire and nurture literary talent among students. The inaugural meeting, held on 8th August, 2023, featured insightful talks by Dr. S. Sajeer on "Haiku Poetry" and Dr. V.L. Jayapaul on the "Importance of Writing and Exploring Creative Potential". The second meeting, held on 19th December 2023, focused on the power of poetry and practical improvement tips.

Through these meetings, the Bards' Club aims to foster a love for literature and poetry, provide a platform for students to showcase their creative writing skills, offer guidance and mentorship from experienced faculty members, encourage critical thinking and analytical skills, and create a supportive community of writers. By organising regular meetings, workshops, and literary events, the Bard's Club is making a significant contribution to the literary and cultural life of the college.

CONSUMER CLUB

A session on Consumer Rights and Responsibilities was conducted on 29th November 2023. Dr. Arputha Sahayaraj J, a renowned expert in the field, was the key speaker. The session delved into consumers' fundamental rights, including the right to safety, information, choice, and redressal. Dr Sahayaraj J provided real-world examples to illustrate the importance of these rights and encouraged participants to be aware of their entitlements.

The discussion then shifted to consumer responsibilities, emphasising the significance of informed decision-making and ethical consumption. Dr Sahayaraj J highlighted the role of consumers in ensuring product safety and environmental consciousness. A lively Q&A session followed, where participants actively engaged with Dr. Sahayaraj J to clarify doubts and seek further insights. The session explored practical implications through real-life case studies, which fostered a deeper understanding of the subject matter.

CTRL+A CLUB

The Ctrl+A club, a part of the Department of Information Technology, was inaugurated to foster a community of tech-enthusiastic students. The club has participated in various activities, including seminars, workshops and industrial visits. On 13th September 2023, the club organised a seminar on Machine Learning Analytics featuring Dr. V. Arul Kumar as the resource person. A logo design competition was also held on 28th August 2023, resulting in a unique and approved club logo.

The club facilitated an industrial visit to Siemens CoE in Manufacturing (NIT CAMPS) for II MSc CS students to gain insights into IoT technologies. Another seminar on Augmented Reality was conducted on 16th January 2024, with Dr. George Gabriel Richard Roy as the resource person. Additionally, club members actively participated in inter-college events and won several prizes. Five members work part-time on JosTEL, the institute's Learning Management System. The club has ambitious plans for the future, including

organising coding competitions and hackathons and inviting industry experts for talks and workshops. They also aim to participate in

national-level events to showcase their skills and knowledge.

BUSINESS AWARENESS CLUB

The Business Awareness Club organised a "Business Talk" on 5th August 2023 to enhance students' communication and presentation skills. Dr. S. Clemence Jenifer, Assistant Professor, Department of BBA, led the event, which aimed to provide insights into business concepts and current trends. She shared her expertise and motivated students to pursue excellence in their fields. On 14th December 2023, the Club hosted an event titled "Interview with your favourite Entrepreneur". This activity involved students

role-playing as entrepreneurs and interviewers. The goal was to gain insights into the entrepreneurial journey and inspire aspiring entrepreneurs. The interview provided valuable lessons on innovation, teamwork, and customer-centricity. Both events successfully achieved their objectives, providing participants valuable insights, inspiration, and practical advice. The positive feedback from participants highlighted the impact of these activities in fostering a culture of continuous learning and professional growth.

READERS' CLUB

The Readers' Club, led by Mrs A. Mary Magdalene, was inaugurated on 1st August 2023 during the Freshers' Day meeting. The club aims to improve students' literacy and communication skills for ACCA papers. As a daily activity, students receive a copy of newspaper *The Indian Express* to read and discuss before classes. This fosters debate and knowledge sharing about current affairs and various business aspects, ultimately aiding career development. The Readers' Club organised an event for 1st and 3rd-year students on critical thinking skills. This event focused on identifying fake news and learning about renowned personalities.

The event included two activities: "Fake News vs. Correct News" and "Spotlight on Famous Personalities." Participants analysed news snippets in the "Fake News" activity to distinguish factual information from misinformation. The "Spotlight" activity involved dividing students into groups. Each group member drew a name from a bowl

containing names of famous figures and then provided clues for their teammates to guess their identity. The Readers' Club also introduced a unique "Headline Creation Competition" on 16th February 2024. This competition involved presenting news content to participants who had time to craft their headlines. Their creations were compared to the original headlines to assess comprehension and creative summarisation skills.

The competition divided first-year B. Com Honours students into five teams. After clearly explaining the rules, teams were presented with five-minute news content. Each team then discussed and composed their headlines before explaining them. The event concluded successfully after two rounds. Looking ahead, the Readers' Club is committed to organising more engaging activities to enhance student involvement further. They plan to focus on events that strengthen students' academic writing abilities.

ASTRONOMY CLUB

The Astronomy Club has been actively encouraging students to experience the wonders of the cosmos. The club's initiatives in the academic year 2023-2024 were noteworthy. The Club organised the Shri. R. Krishnaswamy's endowment lecture on "Amazing Moon" on 29th August 2023. Dr. S. Ruban Raj, former Head, Department of Mathematics, St. Joseph's College, delivered the lecture. The event also included a telescopic observation of celestial objects coordinated by Mr. A. S. Ashwinth Jeffrey, an amateur astronomer.

On 29th February 2024, the Club organised Rev. Fr. G. Ignatius SJ Centenary Endowment lecture on "Universe – Nebulae – Stars and Galaxies: Space Weather – Sun-Earth Relations." Prof. Dr. K. Sundara Raman, a former scientist at the Indian Institute of Astrophysics, Kodaikanal Solar Observatory, delivered the lecture. The event provided insights into space science and higher education opportunities in the field.

BYTES CLUB

The BYTES club of the Department of Computer Science was established to enhance students' communication skills, leadership abilities, and employability opportunities. With the guidance of Dr. S. Britto Ramesh Kumar (convener) and other staff advisors, the club organised a workshop on communication skills for first-year undergraduate

students on 4th October 2023. Dr. A. Vimal Jerald and Dr. George Gabriel Richard Roy conducted the session, focusing on verbal and non-verbal communication techniques. Dr. Vimal Jerald helped students improve their communication skills and confidence through interactive exercises and practical examples.

BIBLIOPHILE CLUB

The Bibliophile Club of the PG & Research Department of English organised a workshop on "Writing Book Reviews" on 22nd February 2024. Dr. V. L. Jayapaul, Head of the Department of English, presided over the workshop and emphasised the importance of reading and critical analysis. Dr. M. John Britto, Coordinator of the Club, delivered an insightful session on the techniques of writing effective book reviews. The workshop provided practical guidance on pre-

reading, active reading and post-reading techniques. It emphasised the importance of critical analysis and the ability to articulate thoughts clearly. The Bibliophile Club is creating a vibrant literary community within the department by organising such workshops. It empowers students to engage with literature critically, enhance their writing skills, and contribute to scholarly discourse.

BUSINESS TALK CLUB

The Business Talk Club of the Department of Commerce Honours is dedicated to nurturing aspiring business leaders. The club organised several engaging activities in the academic year 2023-2024. On 5th July 2023, the club hosted a "Critical Decision Making" event. Participants were divided into teams and challenged to solve

business scenario questions. The winning team showcased exceptional teamwork and problem-solving skills.

On 9th, 10th and 11th January 2024, the club organised "StimulateBiz," a three-day event featuring various activities to enhance business

knowledge and teamwork. Team 6 emerged as the overall winner. On 13th February 2024, the club conducted a session on Japanese Management Theory. Participants explored the six core principles of the theory through team discussions and presentations. The Business Talk Club's

activities have successfully provided students with valuable learning opportunities, fostering a culture of innovation and collaboration. The club's commitment to empowering future business leaders is evident in the success of these events.

COMMUNICATION CLUB

The Communication Club of the Department of English (Shift-II) at St. Joseph's College organised two meetings in the academic year 2023-2024 to focus on improving communication skills among students. The first meeting, held on 6th January 2024, featured a lecture by Prof. S. Thiyagarajan, the club coordinator, on "The Importance of Communication Skills." He stressed the value of using good English-to-English dictionaries and proper spelling. Students from various undergraduate programmes attended and participated actively in a spelling activity.

The second meeting, held on 16th February 2024, focused on "The Ways to Enhance Your Communication Skills." Dr. Johnson Francis, the former coordinator, welcomed the attendees, and Prof. Thiyagarajan again addressed the audience. He encouraged students to converse regularly in English with peers and professors. An interactive question-and-answer session gauged students' interest in the language. This meeting saw the participation of undergraduate and postgraduate

students from all departments, Dr. Charles Arockiasamy, the current Coordinator, and other faculty members.

Throughout both meetings, Prof. Thiyagarajan provided practical strategies for strengthening communication skills. He emphasised incorporating English into daily interactions and included interactive elements to assess students' enthusiasm. Students actively participated, demonstrating their desire to improve communication. Dr. Charles Arockiasamy and other faculty members' presence further solidified the department's commitment to communication skills development. Overall, the Communication Club meetings offered valuable insights and practical guidance for students seeking to enhance their communication skills. By highlighting the importance of vocabulary building, accurate spelling, and daily practice, the club empowers students to become more confident and effective communicators.

DEBATE CLUB

The Department of English kicked off its academic year with the inauguration of the Debate Club on 20th February 2024. The event was marked by an exciting intradepartmental debate on the timely topic, "Science vs. Humanities: Need of the Hour." The debate at the SAIL Auditorium saw active participation from students across various batches. The teams presented compelling arguments, showcasing their research and critical

thinking skills. The moderator, Dr. Vimal Jerald, Assistant Professor of Computer Science, skilfully guided the debate, ensuring a fair and engaging discussion. The event concluded with a fitting note, as both teams were declared winners. The judges recognised the value of both scientific and humanistic perspectives and emphasised the need for a balanced approach to address the challenges of the modern world.

ABDUL KALAM SCIENCE CLUB

The DST-VIPNET Club (Reg. id: VP-TN0149) from the Department of Physics, St. Joseph's College (Autonomous), Tiruchirappalli, organised two successful events during the academic year 2023-2024. The first event was a "Research and Career Opportunities in Physics" talk on 20th February 2024. Dr. V. Kesavan, Post Doctoral Fellow, Indian Institute of Technology, Mumbai, was the resource person. The programme began with a prayer and a welcome address by Dr A. Alexandar, followed by felicitation by Dr S. Lourduraj. Dr. Kesavan's talk highlighted internship opportunities, funding agencies, research areas, and higher study options. A total of 33 students attended the event.

The second event was held on 27th February 2024 to celebrate National Science Day. The club organised elocution and essay writing competitions for UG and PG students from the Physics and Electronics departments. Twelve students participated in these events. The prize distribution ceremony took place on 28th February 2024. Dr. J. Charles, Dean of Physical Sciences, presented the prizes, and Dr. A. Alexandar announced the winners. Dr. I. Johnson, Head of the Department of Physics, and Dr. S. Lourduraj, Coordinator of Shift-II, extended their support and cooperation for both events.

FINTech CLUB

The Fintech Club, under the guidance of Mr. Camilton J, has been actively exploring the dynamic world of finance and technology. Throughout the academic year 2023-2024, the club organised a series of insightful sessions to delve into current trends and challenges in the fintech industry. The inaugural session, held on 15th February 2024, focused on the multifaceted challenges faced by Paytm Payments Bank. Mr. Camilton J guided club members through discussions and research, focusing on regulatory challenges, operational inefficiencies, customer complaints, and competitive pressures. The session fostered interactive learning and encouraged critical thinking.

The second session, on 16th February 2024, delved into the legal complexities surrounding Byju's app, mainly focusing on recent litigation. Under the guidance of Mr. Camilton J, club members engaged in a nuanced discussion, drawing from personal experiences and insights.

This session highlighted the legal intricacies within the fintech domain, especially in online education. The third event, hosted on 26th February 2024, involved case studies of Paisabazaar and Razor Pay, followed by a debate on Traditional Marketing versus Online Marketing. Mr. Camilton J facilitated pre-event briefings, equipping members with the background knowledge for informed discussions. The session explored the nuances of marketing strategies in the fintech sector.

Through these sessions, the Fintech Club successfully fostered a vibrant learning environment. Members were encouraged to participate actively, share insights, and critically analyse. Under the leadership of Mr Camilton J, the club's commitment to providing enriching experiences and fostering a strong sense of community has made it a valuable resource for students interested in the fintech industry.

MULTIMEDIA CLUB

Department of Computer Science at St. Joseph's College, established a Multimedia Club to cater to students interested in multimedia design and content creation. Dr. A. Vimal Jerald and Dr. S. Sathya Priya were appointed coordinator and assistant coordinator, respectively. The club's inaugural meeting was held on 10th July 2023 to introduce members to its objectives. Subsequently, events were organised to enhance students' skills and knowledge.

A significant event was the session on "Digital Opportunities in Media" on 9th February, 2024, featuring Mr. Trichy Saravana Kumar, CEO of TSK Entertainment. The session delved into the evolving digital media landscape and career opportunities. Additionally, a skill enhancement workshop on video editing was conducted virtually on 28th February 2024, providing hands-on

training on video creation techniques. The club also organised a YouTube Shorts and Instagram Reels contest to honour retiring faculty members. Students actively participated, showcasing their creativity and technical skills.

Beyond these specific events, the Multimedia Club actively contributes to departmental activities by documenting events through photography. The club aims to provide regular training on multimedia tools and e-content creation and to launch a digital magazine, "BITS and BYTES." Additionally, the club will manage content for the departmental YouTube channel. Through these initiatives, the Multimedia Club empowers students to explore the exciting world of multimedia and develop the skills necessary for success in the digital age.

FR. RAPINAT BIO CLUB

The Rapinat Bio Club was established with the motto, "Save Nature for Our Future." The club's activities commenced on 10th December 2023 and involved students from the Botany Department. One of the club's primary initiatives was to promote environmental awareness among students and the local community. On 10th February 2024, a group of Botany students visited Koomangalam, Pudukkottai district, to distribute tree saplings, conduct plantation drives, and raise awareness on environmental conservation and hygiene practices.

The club also organised a special "TNPSC-Decoding Competitive Exams" talk on 13th February 2024. The session was led by S. Prabakaran, Assistant Officer in the Secretariat, Chennai, who provided valuable insights and tips

for students preparing for competitive exams. To address the issue of plastic pollution, the club conducted a campus cleaning drive on 22nd February 2024. Students actively participated in collecting plastic waste from the college grounds.

On 18th March 2023, the club organised a special talk on "Environment and Sustainable Development" delivered by Dr. M. Mahendran. The club also played a crucial role in preparing the department's magazine, Joseph Chemical Letters. A group of students actively contributed to the content, including articles, crosswords, puzzles and sketches. The Rapinat Bio Club has significantly contributed to environmental conservation and student development through these initiatives.

HR CLUB

The HR Club of the Department of Commerce CA at St. Joseph's College organised a meeting on 29th February 2024 to discuss "Embracing Diversity and Inclusion in the Workplace." Dr. Y.

Vijila, Assistant Professor of Human Resources Management, led the session attended by the club coordinator, department staff, and HR club students.

STATISTICS 360 CLUB

The Statistics 360 Club conducted a training session on "Conducting a Statistical Survey and Data Analysis" on 4th September 2023. Dr. G. Stephen Vincent, former Head of the Department of Statistics, delivered the lecture, covering topics

like statistical data, measurement scales, and data analysis techniques. The session aimed to equip students with practical skills for conducting statistical research.

THE DRAMA CLUB

The Drama Club of the Department of English organised two significant events during the academic year 2023-2024. announcement of the winners. Through these initiatives, the Drama Club has provided opportunities for students to explore their creative potential and contributed to the department's overall cultural and intellectual growth.

TROJAN HORSE CLUB

The Trojan Horse Club, a part of the Department of Biotechnology, was inaugurated on 1st September 2023. The inaugural ceremony was followed by workshop on "Foldscope-smartphone-based 'Tinyscope'" organised in collaboration with the Tamil Nadu Science Forum (TNSF). Prof. M. Rajesh, President of TNSF, delivered the keynote address. Hands-on training sessions were given by Mr. Pandiyarajan and Mr. V. Ramesh. On 19th December 2023, the club hosted a lecture on "Structure-Based Novel Therapeutics Targeting Oxidized Lipoprotein Receptor LOX-1 for Atherosclerotic Cardiovascular Disease." Dr Arockiasamy

Arulandu, a renowned scientist from ICGEB, New Delhi, shared insights into the connection between atherosclerosis and heart disease, the role of biomolecules in plaque formation, and the drug discovery process.

The club concluded its academic year activities with a valedictory lecture on "Applications of DNA Barcodes in the Herbal Drug Industry" on 19th February 2024. Dr. L. Joelri Michael Raj, Head of the Department of Botany at St. Xavier's College, Palayamkottai, delivered the lecture, highlighting the significance of DNA barcoding in ensuring the authenticity of herbal products.

FABRICATION LAB CLUB

The Fabrication Lab Club is a thriving initiative that empowers students to develop their experimental and troubleshooting skills. The club aims to enhance students' learning experience by providing fundamental and applied knowledge. To accommodate diverse schedules, the club operates in both shifts. Prof. A. Patrick Prabhu, Associate Professor, Department of Physics, inaugurated the club with an insightful talk on "Physics Lab Equipment Fabrication Skills." His presentation inspired students to join the club, resulting in a strong membership of around 40 students. Dr B. Kanickairaj, Associate Professor and Club Coordinator, welcomed the gathering and outlined the club's objectives. Dr. S. Lourduraj, Assistant Professor and Assistant Club Coordinator, explained the club's dynamics.

The club members meet weekly to discuss projects and collaborate with peers. They actively participate in repairing laboratory instruments like logic modules, IC boards, and power supplies. Postgraduate students also benefit from the club's resources and support for their practical experiments. Additionally, club members contribute to college events by assembling LED panels for convocations and alumni meetings. To integrate academic learning with practical experience, the club offers mini-projects aligned

with course curricula. These projects are evaluated, using K-level assessment to analyse students' skills.

On 6th March 2024, the Fab-Lab Club organised a Project Expo 2024 to showcase students' work. Dr. I. Johnson, Head and Associate Professor of the Physics Department, was the resource person. Dr. B. Kanickairaj welcomed the attendees and provided an overview of the activities of the club. The expo featured projects from both undergraduate and postgraduate students, focusing on microcontroller-based physics instrumentation. The event aimed to enhance students' skills and contribute to their internal assessment. Dr. I. Johnson delivered the valedictory address, emphasising the importance of skill-based learning and congratulating the club members and participants. He also recognised students who had received awards in various competitions.

Dr. S. Lourduraj presented a report on the club's activities and expressed gratitude to the head, coordinator, members and participants. The expo attracted significant attention from faculty, staff, and students. Dr. P. Rajendren, Deputy Principal, and Dr. K. Alex, Controller of Examinations, visited the event and encouraged the students' active participation. The Physics department faculty also provided valuable feedback on the projects.

ENVIRONMENT CLUB

The Environment Club of St. Joseph's College was inaugurated at the AV Hall on 3rd October 2023. Dr. I. Arockiaraj, the club coordinator, welcomed the gathering. The chief guest, Dr Daisy Caroline Mary, Assistant Professor, Bishop Heber College, delivered an insightful lecture on the crucial role of youth in environmental conservation. The club organised activities during St. Francis Assisi Environmental Awareness Week from 3rd to 7th October 2023 to foster environmental awareness. These activities included a meme competition on

4th October 2023, with the theme "End Global Warming Before It Ends You," and a drawing competition on 5th October 2023, with the theme "Keep Our Earth Green and Clean."

A motivational talk was also organised at Lawley Hall on 6th October, 2023. Dr. Adaikala Raj, Assistant Professor of Tamil, delivered an inspiring Tamil poem on environmental awareness. The Environment Club's valedictory function was held at the AV Hall on 6th April,

2024. Dr. V. Anand Gideon, the chief guest, delivered a lecture on "Environment and Climate

Change." The winners of the competitions were awarded certificates and mementoes.

MENDELEEV'S CHEMISTRY CLUB

The Mendeleev's Chemistry Club and Chemistry Association kicked off their activities for the academic year 2023-2024 with an inaugural lecture on 28th July 2023. Mr. S. Arockiaraj, Assistant General Manager, India Cements Limited, Salem, delivered an insightful talk on "Opportunities and Challenges for Chemistry Graduates." The club continued its series of lectures with an online session on 9th September 2023, featuring Dr. Gokulnath Sabapathi, Associate Professor, IISER, Thiruvananthapuram. Dr. Sabapathi's lecture focused on the design, synthesis, and electronic modulation of carbazole-embedded macrocycles.

On 23rd February 2024, Dr. Umadevi Deivasigamani, DST Scientist (WOSA),

Department of Chemistry, IIT Palakkad, Kerala, delivered a lecture on "Computational Chemistry for a Sustainable Future." A significant initiative undertaken by the club was preparing the next issue of the department magazine, Joseph Chemical Letters (JCL). A group of 15 students actively contributed to the content, including articles, crosswords, puzzles, sketches, and interesting facts about chemistry. The club concluded its activities for the year with a valedictory lecture on 7th March 2024, delivered by Dr. P. Venkatakrishnan, Professor at IIT Madras. The lecture provided valuable insights into the field of chemistry.

HEALTH CLUB

On 21st July 2023, the PG Department of Commerce CA and the Health Club of St. Joseph's College jointly organised a Health Check Awareness Medical Camp. The event occurred at KP Joseph Hall from 9.30 AM to 1.00 PM. The programme commenced with a prayer song and a welcome address delivered by Dr. N. Maheswari, Head of the Department of Commerce CA. Rev. Dr. K. Amal SJ, Secretary, and Rev. Dr. M. Arockiasamy Xavier SJ, Principal, graced the occasion with their blessings and felicitated the gathering. They commended the department for organising the health check awareness programmes and acknowledged the valuable contribution of Dr R. Silambarasan and his team for conducting the free medical camp.

Dr. P. Rajendran, Deputy Principal, also addressed the gathering, emphasising the importance of health and the objectives of the medical camp. He

motivated both the organisers and the students to prioritise their well-being. Dr. J. Rajees, Assistant Professor and Coordinator of the Health Club, introduced the Chief Guest, Dr. R. Silambarasan, Quality Head and Accreditation Coordinator, Maruti Hospital, Tiruchirappalli. Dr. Silambarasan highlighted the significance of regular health checkups and emphasised the importance of a balanced diet, particularly a protein-rich breakfast. He also discussed the benefits of a healthy diet, including starchy foods, fruits and vegetables.

The event concluded with a vote of thanks delivered by Dr. B. Fathimamary, Association President of Commerce CA. The successful organisation of the camp was made possible by the efforts of Mr P. Sivaraman, Mr Ranjith, and Dr J. Arputha Sahaya Raj. This health awareness initiative benefited approximately 250 individuals, including students and staff.

CAREER GUIDANCE CLUB

The Career Guidance Club at St. Joseph's College, under the guidance of Mrs. C. Annie Jane, has been actively working to equip students with the necessary skills and knowledge to excel in their academic and professional pursuits. One of the club's key initiatives was an alumni networking event held on 4th April 2023. This event provided a valuable platform for current students to connect with alumni, learn from their experiences, and explore potential career opportunities.

To help students prepare for the job market, the club organised a resume writing workshop on 4th December 2023. The workshop, led by Mrs. C.

Annie Jane, focused on the essential components of a strong resume, including structure, formatting, and highlighting critical skills and experiences. On 26th February 2024, the club conducted a session on understanding multiple intelligences led by Mrs. C. Annie Jane. This session aimed to help students identify their strengths and weaknesses, enabling them to make informed decisions about their academic and career paths. Through these initiatives, the Career Guidance Club, under the guidance of Mrs. C. Annie Jane, has successfully empowered students to navigate their academic and professional journeys with confidence.

JESUIT CLIVE HOUSE FOR FORMATION

The Clive House, a formation house for Jesuit Scholastics at St. Joseph's College, Trichy, fosters the holistic development of its residents. The scholastics, hailing from diverse backgrounds, engage in academic pursuits and various apostolic activities. Academically, the scholastics excel in

their respective fields, actively participating in research, conferences, and other academic endeavours.

On the apostolic front, the scholastics engage in various ministries. They regularly visit St. Antony's

Old Age Home, offering spiritual, emotional, and physical support to the elderly residents. They also participate in tribal ministry in Ponmallaipatti, conducting community outreach programmes, education initiatives, and cultural activities. Additionally, they organise evening classes for

children in the parish, fostering a love for learning and spiritual growth. Through these activities, the Clive House community strives to live out the Jesuit mission of service to others, positively impacting the lives of those they encounter.

ST. THERESA GIRLS' HOSTEL

St. Theresa Girls' Hostel, established in 2012, is committed to holistic development, nurturing academic excellence and personal qualities like self-esteem, leadership, and solidarity. The academic year 2023-2024 was marked by a series of initiatives aimed at providing a well-rounded experience for its residents. The year began with the admission of 41 undergraduate students, 146 postgraduates, and 28 MBA students. Spiritual growth was fostered through regular holy masses, prayer sessions, and a pilgrimage to Holy Redeemer's Basilica, Palakarai. The Corpus Christi procession strengthened the students' faith and connection with the divine.

The hostel celebrated Fresher's Day on 11.07.2023, welcoming new students with a warm and joyous celebration. Talent shows, including singing and dance competitions, provided a platform for students to showcase their abilities. The Onam celebration on 29.08.2023 showcased the rich cultural heritage of Kerala and fostered a sense of unity among the students. A talk on

health and nutrition by Dr. Sr. Vijila emphasised the importance of a balanced diet and healthy lifestyle. The hostel also organised a blood donation camp on 26.01.2024, promoting the spirit of altruism and social responsibility. The hostel actively participated in community outreach programmes, including a street play on 6.02.2024, which raised awareness about social and political issues.

Various competitions, such as badminton, best out of waste, pencil drawing, chess, caroms, photography, hairdressing, fancy dress, and cook without fire, were organised to encourage creativity, skill development and healthy competition. A one-day retreat on 25.02.2024 allowed spiritual reflection and personal growth. St. Theresa Girls' Hostel is grateful to the hostel administrators, the Jesuit management, parents, co-workers, and all stakeholders for their unwavering support in creating a nurturing and enriching environment for the students.

SACRED HEART HOSTEL

Sacred Heart Hostel, established in 1941, continues to provide quality education and a nurturing environment for students. In the academic year 2023-2024, the hostel accommodated 816 students, offering financial support to 300 economically backward students through the Jesuit Management scholarship. Various committees were formed to ensure the smooth functioning of the hostel and involve students in responsibilities. The Liturgy Committee organised daily mass, special prayer services and Novena prayers. The Cultural

Committee conducted various cultural activities, including Fresher's Day on 5th July 2023 and talent shows for different batches. Christmas and Pongal celebrations were also organised with great enthusiasm.

The Sports Committee encouraged physical fitness through indoor games like chess, carom, volleyball, and badminton. The Food and Discipline committees worked to maintain a hygienic environment and discipline among the students. The hostel administration, led by the Director,

provided physical facilities and psychological and spiritual support. Counselling sessions and guidance were offered to students. A talk on drug awareness was delivered by Fr. John Paul SJ. To enhance the facilities of the hostel, 20 new restrooms were constructed, and a new borewell was dug to address water scarcity. A dedicated

space was provided for reading, and physical fitness equipment was added. The success of hostel is attributed to the support of the Jesuit management, staff and students. The Director thanked Rev. Dr. Pavulraj Michael SJ, Rector, and other Jesuit priests for their guidance and support.

NEW HOSTEL

The academic year 2023-2024 of New Hostel began on 19th June 2023, with the admission of over 800 students. Rev. Dr. S. Paul Pragash SJ and Bro. Savarimuthu continued their roles as Director and Deputy Director respectively. A Cabinet of 36 students, led by General Monitor A. Jani, was formed to manage various aspects of hostel life. The year was filled with a variety of activities. Fresher's Day was celebrated on 20th July 2023, welcoming new students. Talent shows were organised for different batches, showcasing the students' talents. Christmas celebrations and Pongal celebrations were also conducted with festive spirit.

Spiritual activities included daily prayers, Eucharistic celebrations, and participation in parish events like St. Lourdes's Parish festival and Novena to St. Joseph. Sports and games were

encouraged through friendly matches and hostel day competitions. The JAMAAD team organised a talk on drug awareness on 3rd August 2023. A one-day retreat and motivational talks were also organised. Renovations were made to the main toilets, rooms and kitchen to enhance the hostel facilities. New water taps and electricity panels were installed. Additional steel cots were provided to accommodate more students. Regular mosquito spraying ensured a clean and healthy environment.

The hostel management provided healthy and nutritious food at affordable prices. The Director thanked the Jesuit management, staff and students for contributing to the success of the hostel. A. Jani was awarded the Best Character award, and S. Vivian Mathew received the Best Creative Student award.
